(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?  Yes  No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Company's revenues and net loss available to common stockholders for the three months ended June 30, 2003 are estimated to be lower than the corresponding three month period for 2002 as follows:

	<b>Three months ended</b>	
	<b>June 30, 2003</b>	<b>June 30, 2002</b>
Revenues	\$ 147,776	\$ 586,993
Net loss applicable to common stockholders	\$ 1,186,466	\$ 4,339,726

The reduction in revenues relates to continued concentration on the realignment and refocus of our core business activity toward the Storage Wide Area Networking (SWAN) market segment for our CyberNAS Network Attached Storage and CyberVSA Storage Operating System. The net loss applicable to common stockholders was reduced because of reductions in headcount in all departments, the elimination of the use of outside contractors, the restructuring of our sales and marketing approach to focus on value added reseller channels, the reduction of legal fees and expenses for the enforcement of our intellectual property rights and reduced amortization of intangible assets.
