**Item 1.01. Entry into a Material Definitive Agreement.**

On April 30, 2007, Charming Shoppes, Inc. (the “*Company*”) issued \$250,000,000 aggregate principal amount of senior convertible notes due 2014 (the “*Notes*”). The Notes were issued pursuant to an indenture (the “*Indenture*”), dated as of April 30, 2007, between the Company and Wells Fargo Bank, National Association, as trustee. The Notes are senior unsecured obligations of the Company, will pay interest semiannually at a rate of 1.125% per annum and mature on May 1, 2014.

Holders of the Notes may convert their notes based on an initial conversion rate of 65.0233 shares per \$1,000 principal amount of notes (equal to an initial conversion price of approximately \$15.38 per share) only under the following circumstances: (1) during specified periods, if the price of the Company’s common stock reaches specified thresholds; (2) if the trading price of the Notes is below a specified threshold; (3) at any time after November 15, 2013, or (4) upon the occurrence of certain corporate transactions. The initial conversion rate will be adjusted for certain events. The Company presently intends to satisfy any conversion of the Notes with cash up to the principal amount of the Notes and, with respect to any excess conversion value, with shares of the Company’s common stock. However, the Company does have the option, at any time before November 15, 2013, to irrevocably elect to satisfy its conversion obligations entirely in shares of its common stock.

The Notes will not be redeemable at the Company’s option. Holders of the Notes will not have the right to require the Company to repurchase their Notes prior to maturity except in connection with the occurrence of certain fundamental change transactions. The Notes may be accelerated upon an event of default as described in the Indenture and will be accelerated upon bankruptcy, insolvency, appointment of a receiver, and similar events with respect to the Company.

In connection with the issuance of the Notes, on April 30, 2007, the Company entered into a registration rights agreement with Banc of America Securities LLC and J.P. Morgan Securities Inc., as representatives for the initial purchasers (the “*Registration Rights Agreement*”). Pursuant to the Registration Rights Agreement, the Company agreed to file a shelf registration statement with the Securities and Exchange Commission covering resales of the Notes and the shares of the Company’s common stock issuable upon conversion of the Notes within 120 days after issuance of the Notes. The Company also agreed to use its reasonable efforts to cause the shelf registration statement to become effective under the Securities Act of 1933, as amended (the “*Securities Act*”), no later than 210 days after issuance of the Notes.

As previously reported on Form 8-K, the Company entered into certain convertible note hedge and warrant transactions in connection with the issuance of the Notes.

The summary of each of the Indenture, the Notes, and the Registration Rights Agreement is qualified in its entirety by reference to the text of the documents, which are included as exhibits hereto and are incorporated herein.

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

**Item 3.02 Unregistered Sales of Equity Securities.**

The Company offered and sold the Notes to the initial purchasers in reliance upon the exemption from registration provided by Section 4(2) of the Securities Act. The initial purchasers then sold the Notes to qualified institutional buyers in accordance with Rule 144A under the Securities Act. The Notes and the Company's common stock issuable upon conversion of the Notes have not been registered under the Securities Act or any other applicable securities laws, and unless so registered, may not be offered or sold in the United States except pursuant to an exemption from the registration requirements of the Securities Act.

**Item 8.01 Other Events.**

On April 30, 2007, the Company issued a press release announcing the closing of its offering of the Notes. A copy of the press release is included as Exhibit 99.1 hereto and is incorporated herein by reference.

Also on April 30, 2007, the Company issued a press release announcing that it has called for redemption on June 4, 2007 all of its \$150 million principal amount 4.75% Senior Convertible Notes due 2012.
