### EXPLANATORY NOTE

This Amendment No. 1 amends the Current Report on Form 8-K of Public Storage, Inc. ("Public Storage") filed with the United States Securities and Exchange Commission on August 23, 2006 related to the acquisition of Shurgard Storage Centers, Inc. ("Shurgard") pursuant to an Agreement and Plan of Merger, dated as of March 6, 2006, by and among Shurgard, Public Storage and Shurgard Storage Centers LLC (formerly known as ASKL Sub LLC), a Delaware limited liability company and subsidiary of Public Storage. This Form 8-K/A amends the Form 8-K filed on August 23, 2006 to include the financial statements and pro forma financial information required by Item 9.01 of Form 8-K and to furnish certain other information. The information previously reported under Item 2.01 in the Form 8-K filed on August 23, 2006 is hereby incorporated by reference into this Form 8-K/A.

### ITEM 7.01 REGULATION FD DISCLOSURE

The information provided herein in Item 7.01 of this Form 8-K/A shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934 (the "Exchange Act") or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933 or the Exchange Act, except as expressly set forth by specific reference in such filing.

#### (a) Recent liquidity events

On June 30, 2006, our cash balance was approximately \$983,630,000. As a result of the net impact of the Shurgard Merger and associated transactions as reflected in the accompanying pro-forma balance sheet and income statement, our cash balance was reduced to approximately \$212,598,000 on a pro-forma basis at June 30, 2006.

We have had additional financing and investing transactions after June 30, 2006 that are not reflected on the pro forma financial statements because they were not directly related to the Shurgard merger, as follows:

- o On August 8, 2006, we issued 18,400,000 depository shares, each representing 1/1,000 of a share of our 7.25% Cumulative Preferred Stock, Series K, for aggregate gross proceeds of \$460.0 million.
- o On August 23, 2006, we acquired the remaining partnership interests that we did not own in a series of partnerships. These partnerships, which were formed by Shurgard, owned 20 self-storage facilities located in Florida. The aggregate acquisition cost was approximately \$16.5 million in cash.
- o On September 6, 2006, we acquired the remaining partnership interests in various partnerships that we did not own for an aggregate cost of approximately \$44.3 million in cash. These partnerships, which were

formed by Shurgard, owned 47 self-storage facilities located in North Carolina and South Carolina.

- o On September 28, 2006, we redeemed all of our outstanding 8.000% Cumulative Preferred Stock, Series R, for a total redemption value of \$510.0 million, plus accrued dividends
- o On September 26, 2006, we called for redemption all outstanding depositary shares representing interests in our 7.875% Cumulative Preferred Stock, Series S. The redemption will occur on October 31, 2006. The aggregate redemption amount to be paid to all holders of the depositary shares, before payment of accrued dividends, is approximately \$143.8 million.

### (b) Earnings for the quarter ended September 30, 2006

During the three months ended September 30, 2006, we expect to report significant incremental expenses, principally associated with the integration of Shurgard's operations into Public Storage's operations, the wind-down of Shurgard's business affairs, and the reduction in capitalized development costs for development projects that will no longer be pursued. These incremental expenses are subject to change, but are currently estimated to be between approximately \$25,000,000 and \$30,000,000, or approximately \$0.17 to \$0.21 per common share based upon estimated weighted average shares outstanding totaling approximately 146.0 million shares for the quarter ended September 30, 2006. We expect to incur additional expenses in the quarter ended December 31, 2006 related to the continued winding down of the business affairs of Shurgard, however, such expenses are expected to be significantly less than those experienced in the quarter ended September 30, 2006. None of these expenses are included in the pro forma financial statements filed within because they are not expected to be recurring.

In addition, as a result of the aforementioned redemption activities with respect to our Series R and Series S Cumulative Preferred Stock, pursuant to Emerging Issues Task Force Topic D-42, "The Effect on the Calculation of Earnings per Share for the Redemption or the Induced Conversion of Preferred Stock" ("EITF D-42") we expect to reflect an additional allocation of income to the preferred shareholders based upon the original issue costs, of approximately \$21,643,000 for the quarter ended September 30, 2006, representing approximately \$0.15 per common share based upon estimated weighted average shares outstanding totaling approximately 146 million shares for the quarter ended September 30, 2006.
