### Edgar Filing: GENERAL ELECTRIC CAPITAL CORP - Form 424B3

#### How to Invest

To invest in the Notes, complete an application and enclose a check for your initial investment (or, if applicable, a GE payroll deduction card). Cash, money orders, travelers checks, starter checks, cashiers checks, credit card checks, foreign checks and third party checks are not acceptable. Currently, the minimum initial investment is \$500, or \$250 if you enroll in the "Auto Invest" service. If the principal amount of your Notes falls below these minimum investment levels, we reserve the right to redeem your Notes and return the proceeds to you, or deduct a monthly maintenance fee from the principal amount of your Notes.

#### How To Redeem

#### QUICK REDEMPTION.

If you indicated on your application, or by subsequent written request, that you wish to participate in the "Quick Redemption" service, you may instruct the Servicing Agent, through the automated telephone line or through our Account Access website, to redeem your GE Interest Plus notes (minimum of \$25, maximum of \$50,000) and have the proceeds transferred to your pre-designated bank checking account through an electronic automated clearinghouse (ACH) transfer. To use this option you must have provided us with a voided blank check to verify your checking account. After you enter your Quick Redemption transaction into our automated phone system or Account Access website, you will be provided with the date that the redemption proceeds will be transferred. Interest on your Notes will accrue to, but not including, the business day on which the redemption proceeds are transferred.

### GE Interest Plus Committee

The GE Interest Plus Committee consists of officers of GE Capital designated by our Board of Directors. The Committee has the full power and authority to amend procedures and options for investing in and redeeming the Notes as described under "Termination, Suspension, or Modification." in the Prospectus. The Committee may also interpret applicable provisions, adopt rules and regulations and make certain determinations regarding the Notes. The members of the Committee are our Senior Vice President, Corporate Treasury and Global Funding Operation and two of our Vice Presidents and Assistant Treasurers.

Alternate members of the Committee may also serve from time to time. Members of the Committee receive no additional compensation for Committee services.
