Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

An opinion has been rendered to the Corporation by William A. Galanko, Esquire, Vice President – Law of the Corporation, stating that any shares of Common Stock when issued and delivered for the purposes described in the Plan will be duly authorized, legally issued and fully paid and nonassessable. Mr. Galanko, in his capacity as Vice President - Law, is a participant in various of our employee benefit and incentive plans, including stock option plans, offered to employees. As of July 21, 2015, Mr. Galanko was the beneficial owner, either directly or indirectly, of approximately 14,679 shares of Common Stock. Also, as of July 21, 2015, Mr. Galanko held unexercised options to purchase 23,380 shares of Common Stock, 8,650 Performance Share Units, and 4,540 Restricted Stock Units.

Item 6. Indemnification of Directors and Officers

The Virginia Stock Corporation Act (the “Virginia Act”) provides, in general, for the indemnification of the registrant’s directors and officers in a variety of circumstances, which may include indemnification for liabilities under the Securities Act. Under Sections 13.1-697 and 13.1-702 of the Virginia Act, a Virginia corporation generally is authorized to indemnify its directors and officers in civil or criminal actions if they acted in good faith and believed their conduct to be in the best interests of the corporation and, in the case of criminal actions, had no reasonable cause to believe that the conduct was unlawful.

Article VI of the registrant’s Restated Articles of Incorporation provides, in general, for mandatory indemnification of directors and officers (including former directors and officers), to the fullest extent permitted by Virginia law, against liability incurred by them in proceedings by third parties, or by or on behalf of the Registrant itself, by reason of the fact that such person is, or was, a director or officer of the Registrant, or is, or was, serving at the request of the Registrant as a director, officer, employee, agent or otherwise of another corporation. However, the Virginia Act does not permit indemnity for willful misconduct or for a knowing violation of the criminal law.

Article VI of the registrant's Restated Articles of Incorporation also provides that in every instance, and to the fullest extent, permitted by Virginia corporate law in effect from time to time, the Registrant's directors and officers (including former directors and officers) shall not be liable to the Registrant or its shareholders. Under current Virginia law, this provision cannot limit liability for willful misconduct or for a knowing violation of the criminal law.

The Registrant's directors and officers are covered by certain policies providing directors' and officers' liability insurance. In general, the insurers are obliged to make payments under these policies only if the Registrant may indemnify a director or officer and does not or cannot do so. The policies are issued on a "claims made" basis.

Item 7. Exemption from Registration Claimed

Not applicable.

Item 8. Exhibits

The Exhibits to this Registration Statement are listed in the Exhibit Index hereto, and are hereby incorporated herein by reference.

Item 9. Undertakings

(a) The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
 - (ii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;
provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment (2) shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
