Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) Compensatory Arrangements for Certain Officers.

On November 28, 2017, the Board of Directors approved an amendment to the Norfolk Southern Corporation Long-Term Incentive Plan (the "Plan"). A description of the material terms of the Plan was included in Norfolk Southern Corporation's definitive proxy statement on Schedule 14A filed with the Securities and Exchange Commission on March 25, 2015.

The Plan amendment revised the definition of "Restriction Period" to change the minimum restriction period for restricted shares and restricted stock units from three years to ratable restriction periods over three years, so that the restriction period for an award of restricted stock or restricted stock units to an officer or employee will not expire more quickly than one-third of the award during each year of a three-year period. The amendment further provides that the Compensation Committee may make awards to officers and employees of up to 25,000 restricted shares or restricted stock units, in the aggregate, in a calendar year with a minimum restriction period of twelve months.

The foregoing description of the amendment to the Plan does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the restated Plan. A copy of the restated Plan incorporating the amendment is attached hereto as Exhibit 10.1 and is incorporated herein by reference.
