#### Adoption of EA Bonus Plan Addendum

Pursuant to the EA Bonus Plan (the “EA Bonus Plan”), a Bonus Formula Addendum for the fiscal year ending April 1, 2017 (the “Fiscal Year 2017 Addendum”) was approved by the Compensation Committee of the Board of Directors (the “Committee”) of Electronic Arts Inc. (the “Company”) for all eligible employees of the Company and its subsidiaries, other than the Chief Executive Officer (“CEO”) and by the full Board of Directors for the CEO. Although the Company generally expects to pay bonuses to our named executive officers pursuant to the terms of the Electronic Arts Inc. Executive Bonus Plan (the “Executive Bonus Plan”), the Committee and the Board of Directors uses the criteria described in the Fiscal Year 2017 Addendum as a guideline to determine the final amount of the bonus awards paid to the named executive officers under the Executive Bonus Plan or to award discretionary bonus payments to the named executive officers in accordance with the terms of the EA Bonus Plan.

With respect to all employees, other than the CEO, the terms of the Fiscal Year 2017 Addendum are the same as the Fiscal Year 2016 Addendum. For fiscal year 2017, bonus pool funding will be approved based on the following: (i) 20% of the funding is based on the Company’s financial performance using non-GAAP earnings per share and non-GAAP net revenue metrics; and (ii) 80% of the funding is based on business performance and the achievement of measurable business objectives, including, but not limited to, business and operational performance metrics. Management will then allocate, at its discretion, a percentage of the approved bonus pool funding to each business unit.

With respect to the CEO, Andrew Wilson, 60% of his fiscal year 2017 bonus will be determined based upon the achievement of non-GAAP financial performance objectives with the key metrics being: (i) net revenue, (ii) gross profit, (iii) operating expenses, (iv) earnings per share, and (v) operating cash flow. The remaining 40% of Mr. Wilson’s bonus will be determined based on the achievement of strategic and operational objectives.

Mr. Wilson’s bonus award payout for fiscal year 2017 will be determined by the Board of Directors based upon an overall assessment of the following: (i) his target bonus amount, (ii) the Company bonus funding and (iii) the attainment and weighting of financial, strategic and operational performance objectives. The Board of Directors has discretion to increase or decrease the final bonus payout for other factors they deem significant, provided however, the bonus award payout will be subject to the limits set forth in the Executive Bonus Plan. The Committee may, in its discretion, also determine not to pay Mr. Wilson a bonus if the Company’s net income falls below a certain threshold.

A copy of the Fiscal Year 2017 Addendum is filed as Exhibit 10.1 hereto and is incorporated by reference herein.
