Item 1.01 CONFLICT MINERALS DISCLOSURE AND REPORT

Regis Corporation (the "Company") determined that gold, one of the conflict minerals as defined in Section 1502(e)(4) of the Dodd-Frank Wall Street Reform and Consumer Protection Act ("Act"), is included in certain of the Company's DesignLine private label products contracted to be manufactured by the Company. The Company conducted a reasonable country of origin inquiry to determine if the gold originated in the Democratic Republic of the Congo or an adjoining country (defined as the "covered countries" under the Act) by obtaining representations from its supplier and a certificate of origin for the gold ingredient. As a result, the Company determined the country of origin of the gold was the United States and not the covered countries.
