Benefit Equalization Plan (the "401(k) Plus Plan") and will not permit further deferrals and contributions to the 401(k) Plus Plan for compensation earned after December 31, 2004. All of the earned and vested benefits of the participants in the 401(k) Plus Plan as of December 31, 2004 will be preserved under the existing 401(k) Plus Plan provisions.

In conjunction with the foregoing, a new Invacare Corporation Deferred Compensation Plus Plan (the "Deferred Compensation Plus Plan") has been established, effective January 1, 2005. The nonvested benefits of participants in the 401(k) Plus Plan as of December 31, 2004, which are subject to the Act's requirements, will be transferred to the Deferred Compensation Plus Plan. In addition, the Deferred Compensation Plus Plan allows a certain select group of employees of the Company to defer all or any portion of the employee's annual cash bonus compensation and up to 50% of the employee's salary and/or commissions earned on or after January 1, 2005 to the Plan. The Company provides a matching contribution on amounts deferred, as well as a quarterly contribution for the benefit of eligible employees. Employee deferrals and Company contributions for the benefit of each employee are credited with earnings, gains or losses based on the performance of investment funds selected by the employee. These funds generally are the same funds offered for investment under the Invacare Retirement Savings Plan. Distributions under the Deferred Compensation Plus Plan may be made only upon termination of the employee's employment, death, disability or hardship, at certain times specified by the employee at the time of deferral in accordance with the terms of the Plan, or, if permitted by applicable law, upon a change in control of the Company. Elections to participate in the Deferred Compensation Plus Plan must be made by the employee in accordance with the requirements of the Plan and applicable law.
