Item 1.01 Entry into a Material Definitive Agreement

On August 25, 2011, as part of the Small Business Lending Fund (the “SBLF”) of the United States Department of the Treasury (“Treasury”), MidSouth Bancorp, Inc. (the “Company”), the parent company of MidSouth Bank, N.A. (the “Bank”) entered into a Small Business Lending Fund-Securities Purchase Agreement (the “Purchase Agreement”) with the Secretary of the Treasury, pursuant to which the Company sold 32,000 shares of the Company’s Senior Non-Cumulative Perpetual Preferred Stock, Series B (the “SBLF Preferred Stock”) to the Secretary of the Treasury for a purchase price of \$32,000,000. The SBLF Preferred Stock was issued pursuant to the SBLF program, a \$30 billion fund established under the Small Business Jobs Act of 2010 that was created to encourage lending to small businesses by providing capital to qualified community banks with assets of less than \$10 billion. The terms of the SBLF Preferred Stock were established pursuant to an Amendment to the Company’s Articles of Incorporation filed on August 23, 2011 described in Item 5.03 below.

The SBLF Preferred Stock qualifies as Tier 1 capital. The SBLF Preferred Stock is entitled to receive non-cumulative dividends, payable quarterly, on each January 1, April 1, July 1 and October 1, beginning October 1, 2011. The dividend rate, as a percentage of the liquidation amount, can fluctuate on a quarterly basis during the first 10 quarters during which the SBLF Preferred Stock is outstanding, based upon changes in the level of “Qualified Small Business Lending” or “QBSL” (as defined in the Purchase Agreement) by the Bank. The initial dividend rate through September 30, 2011 is 5% per annum. For the second through ninth calendar quarters, the dividend rate may be adjusted to between 1% per annum and 5% per annum to reflect changes to the Bank’s QBSL. If the level of the Bank’s qualified small business loans declines so that the percentage increase in QBSL as compared to the baseline level of QBSL is less than 10%, then the dividend rate payable on the SBLF Preferred Stock would increase. For the tenth calendar quarter through four and one half years after issuance, the dividend rate will be fixed at between 1% and 7% based upon the increase in QBSL as of the ninth calendar quarter as compared to the baseline. After four and one half years from issuance, the dividend rate will increase to 9% per annum.

The SBLF Preferred Stock is non-voting, except in limited circumstances. In the event that the Company misses five dividend payments, whether or not consecutive, the holder of the SBLF Preferred Stock will have the right, but not the obligation, to appoint a representative as an observer on the Company’s Board of Directors. In the event that the Company misses six dividend payments, whether or not consecutive, and if the then outstanding aggregate liquidation amount of the SBLF Preferred Stock is at least \$25,000,000, then the holder of the SBLF Preferred Stock will have the right to designate two directors to the Board of Directors of the Company.

The SBLF Preferred Stock may be redeemed at any time at the Company’s option, at a redemption price of 100% of the liquidation amount plus accrued but unpaid dividends to the date of redemption for the current period, subject to the approval of its federal banking regulator.

The SBLF Preferred Stock was issued in a private placement exempt from registration pursuant to Section 4(2) of the Securities Act of 1933, as amended (the “Securities Act”). The Company has agreed to register the SBLF Preferred Stock under certain circumstances set forth in Annex E to the Purchase Agreement. The SBLF Preferred Stock is not subject to any restrictions on transfer, but any subsequent transfer of the SBLF Preferred Stock must be exempt from registration until the Company registers the SBLF Preferred Stock.

As required by the Purchase Agreement, approximately \$20,027,778 of the proceeds from the sale of the SBLF Preferred Stock was used to redeem the 20,000 shares of the Company’s Fixed Rate Cumulative

Perpetual Preferred Stock, Series A (the “TARP Preferred Shares”) issued in 2009 to the Treasury in the Troubled Asset Relief Program (“TARP”), plus the accrued and unpaid dividends owed on the TARP Preferred Shares. The Company entered into a repurchase letter agreement with Treasury providing for the redemption of the TARP Preferred Shares on August 25, 2011 (the “Repurchase Agreement”).

As part of the 2009 TARP transaction, the Company issued a warrant to Treasury to purchase shares of the Company’s common stock for a per share price of \$14.37 per share over a 10-year term (the “Warrant”). As a result of the completion by the Company of a qualified equity offering in December 2009, the number of shares subject to the Warrant issued to Treasury was reduced from 208,768 shares of the Company’s common stock to 104,384 shares. The per share price of the Company’s stock at the close of business on August 25, 2011 was \$10.20. The Company has 15 days from the closing of the SBLF transaction to notify the Treasury whether it wants to repurchase the Warrant that remains outstanding. If the Company does not provide this notice before September 9, 2011, the Treasury will be deemed to have notified the Company that it intends to sell the Warrant.

The Purchase Agreement and the Repurchase Agreement are attached hereto as Exhibits 10.1 and 10.2, respectively, and are incorporated herein by reference. The foregoing summary of certain provisions of the Purchase Agreement and the Repurchase Agreement is qualified in its entirety by reference thereto.

Item 3.02                    Unregistered Sales of Equity Securities.

The information set forth under “Item 1.01 Entry into a Material Definitive Agreement” is incorporated by reference into this Item 3.02. The issuance and sale of the SBLF Preferred Stock was a private placement exempt from registration pursuant to section 4(2) of the Securities Act of 1933, as amended. The Company has not engaged in a general solicitation or advertising with regard to the issuance and sale of such securities and has not offered such securities to the public in connection with the issuance and sale of the SBLF Preferred Stock to the Treasury.

Item 3.03                    Material Modification to Rights of Security Holders.

The terms of the SBLF Preferred Stock impose limits on the ability of the Company to pay dividends and repurchase shares of common stock. Under the terms of the SBLF Preferred Stock, no repurchases may be effected, and no dividends may be declared or paid on preferred shares ranking pari passu with the SBLF Preferred Stock, junior preferred shares, or other junior securities (including the common stock) during the current quarter and for the next three quarters following the failure to declare and pay dividends on the SBLF Preferred Stock, except that, in any such quarter in which the dividend is paid, dividend payments on shares ranking pari passu may be paid to the extent necessary to avoid any resulting material covenant breach.

Under the terms of the SBLF Preferred Stock, the Company may only declare and pay a dividend on the common stock or other stock junior to the SBLF Preferred Stock, or repurchase shares of any such class or series of stock, if, after payment of such dividend, the dollar amount of the Company’s Tier 1 Capital would be at least 90% of the Signing Date Tier 1 Capital, as set forth in the Amendment to the Articles of Incorporation relating to the SBLF Preferred Stock, excluding any subsequent net charge-offs and any redemption of the SBLF Preferred Stock (the “Tier 1 Dividend Threshold”). The Tier 1 Dividend Threshold is subject to reduction, beginning on the second anniversary of issuance and ending on the tenth anniversary, by 10% for each one percent increase in QSBL over the baseline level.

Item     Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers;  
5.02     Compensation Arrangements of Certain Officers.

As a result of the redemption of the TARP Preferred Shares, the Company is no longer subject to the executive compensation requirements provided for under TARP.

Item 5.03 Amendment to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On August 23, 2011, the Company filed Articles of Amendment to the Articles of Incorporation of the Company (the "Articles of Amendment") with the State of Louisiana for the purpose of amending its Articles of Incorporation to fix the designations, preferences, limitations and relative rights of the SBLF Preferred Stock. The Articles of Amendment are attached hereto as Exhibit 3.1 and are incorporated herein by reference.
