Annual Incentive Awards. On January 28, 2014, the Compensation Committee approved annual incentive awards for 2013, payable in cash, to the following executive officers in the amounts indicated below:

Individual award amounts were subject to and comply with the limits prescribed by the shareholder-approved 2010 Performance Incentive Plan.

Future Programs

On January 28, 2014, the Compensation Committee approved the formula that will be used to determine the maximum award amounts for 2014 annual incentive awards to the applicable officers. The formula reflects the Company's intention to qualify, to the extent possible and desirable under the circumstances, cash incentive compensation paid to covered officers as performance-based compensation that is not subject to the tax deductibility limitations of Section 162(m) of the Internal Revenue Code ("Section 162(m)").

Under the formula, the maximum annual incentive award amounts will be equal to 0.23 percent of the Company's 2014 adjusted net earnings for the Chairman and Chief Executive Officer and 0.115 percent of the Company's 2014 adjusted net earnings for each of the other covered officers whose compensation is subject to the tax deductibility limitations of Section 162(m). Adjusted net earnings of the Company will be defined as the net earnings before extraordinary items, discontinued operations and the cumulative effect of accounting changes and excluding certain other items designated by the Compensation Committee. In addition, individual award amounts will be limited to the shareholder-approved maximum of \$10.0 million as provided in the 2010 Performance Incentive Plan.

In addition, on January 28, 2014, the Compensation Committee approved the formula that will be used to determine the maximum award amounts for 2015 equity awards. The formula reflects the Company's intention to qualify, to the extent possible and desirable under the circumstances,

equity awards made to covered officers as performance-based compensation that is not subject to the tax deductibility limitations of Section 162(m).

Under the formula, the maximum equity award grant value will be equal to 0.33 percent of the Company's 2014 adjusted net earnings for the Chairman and Chief Executive Officer and 0.165 percent of the Company's 2014 adjusted net earnings for each of the other covered officers whose compensation is subject to the tax deductibility limitations of Section 162(m). Adjusted net earnings of the Company is defined above. In addition, individual awards will be limited to the shareholder-approved maximum of one million shares as provided in the 2010 Performance Incentive Plan.

Further, on January 28, 2014, the Compensation Committee approved the formula that will be used to determine the maximum award amounts for the 2014 - 2016 performance cycle of the long-term incentive plan. The formula reflects the Company's intention to qualify, to the extent possible, cash compensation paid to covered officers as tax deductible, subject to the deductibility limitations of Section 162(m).

Under the formula, the maximum award amounts will be equal to 0.16 percent of the Company's three-year (2014 - 2016) cumulative adjusted net earnings for the Chairman and Chief Executive Officer and 0.08 percent of the Company's three-year (2014 - 2016) cumulative adjusted net earnings for each of the other covered officers. Adjusted net earnings of the Company is defined above. In addition, individual award amounts are limited to the shareholder-approved maximum of \$24 million for the 2014 - 2016 performance cycle of the long-term incentive plan as provided in the 2010 Performance Incentive Plan.
