Notes to Consolidated Financial Statements

October 31, 2003

Summarized Financial Information

Company or group of companies for which report is filed:

CHAMPIONS Sports, Inc. and Subsidiaries

The consolidated balance sheet as of October 31, 2003, the consolidated statements of operations for the three months and six months ended October 31, 2003 and October 31, 2002 and the consolidated statements of cash flows for the six months ended October 31, 2003 and October 31, 2002 have been prepared by the company, without audit. In the opinion of management, all adjustments (which include only normal recurring adjustments) necessary to present fairly the financial position, results of operations and changes in cash flow at October 31, 2003 and for all periods presented, have been made.

Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles have been omitted. It is suggested that these consolidated financial statements be read in conjunction with the financial statements and notes thereto included in the Company's 10-KSB as of April 30, 2003. The results of operations for the period ended October 31, 2003 are not necessarily indicative of the operating results for the full year.

The Company's independent auditor has expressed substantial doubt the Company can continue as a going concern, as of April 30, 2003. The Company is facing grave liquidity problem and has reduced its general and administrative expense to conserve cash. The Company continues to review and evaluate its operations and priorities. The Company is actively pursuing merger or acquisition candidates to meet its liquidity needs. There is no assurance that the Company will be able to structure a merger or acquisition on terms satisfactory to the Company.

This document contains "forward-looking statements" (within the meaning of the Private Securities Litigation Act of 1995) that inherently involve risk and uncertainties. The Company's actual results could differ materially from those anticipated in the forward-looking statements as a result of unforeseen external factors. These factors may include, but are not limited to, changes in general economic conditions, the ongoing threat of terrorism, customer acceptance of products offered and other general competitive factors, and the ability to have access to financing sources on reasonable terms. Readers are cautioned not to

Edgar Filing: CHAMPIONS SPORTS INC - Form 10QSB

place undue reliance on these forward-looking statements, which reflect management's analysis, judgment, belief or expectation only as of the date hereof.

During the six months ended October 31, 2003 and 2002, the Company met its cash needs from its revenues and cash reserves and from cash flow from its San Antonio operation.

On October 31, 2003 the Company's working capital was a negative \$339,559 versus a negative \$463,353 on April 30, 2003. The Company is uncertain that it will be able to meet its cash requirements for the next twelve months from its cash reserves and from its operating activities.
