HOUSEHOLDING

Under rules recently adopted by the SEC, we are permitted to deliver a single set of any proxy statement, information statement, annual report and prospectus to any household at which two or more shareholders reside if we believe the shareholders are members of the same family. This process, called householding, allows us to reduce the number of copies of these materials we must print and mail. Even if householding is used, each shareholder will continue to receive a separate proxy card or voting instruction card.

The Company is not householding this year for those shareholders who hold their shares directly in their own name. If you share the same last name and address with another Company shareholders who also holds his or her shares directly, and you would each like to start householding for the Company's annual reports, proxy statements, information statements and prospectuses for your respective accounts, then please contact us at SearchHound.com, Inc., 200 Main Street, Suite 305, Kansas City, Missouri 64105, Attention: Dave Mullikin, President, (816) 960-3777 ext 20.

This year, some brokers and nominees who hold Company shares on behalf of shareholders may be participating in the practice of householding proxy statements and annual reports for those shareholders. If your household received a single proxy statement and annual report for this year, but you would like to receive your own copy this year, please contact us at SearchHound.com, Inc., 200 Main Street, Suite 305, Kansas City, Missouri 64105, Attention: Dave Mullikin, President, (816) 960-3777 ext 20, and we will promptly send you a copy. If a broker or nominee holds Company shares on your behalf and you share the same last name and address with another shareholder for whom a broker or nominee holds Company shares, and together both of you would like to receive only a single set of the Company's disclosure documents, please contact ADP and inform them of your request by calling them at (800) 542-1061, or contact ADP as described in the voting instruction card you received from your broker or nominee.

If you consent to householding, your election will remain in effect until you revoke it. Should you later revoke your consent, you will be sent separate copies of documents mailed at least 30 days after receipt of your revocation.

APPROVAL OF AMENDMENT TO ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

(Item 3)

The Company's shareholders are asked to act upon a proposal to amend the Company's Articles of Incorporation, as amended, to increase the number of authorized shares of common stock from 50,000,000 shares to 80,000,000 shares. Pursuant to this proposal, the first sentence of Article Three of the Company's Articles of Incorporation, as amended, is amended in its entirety to read as follows:

The aggregate number of shares of all classes of stock which the Corporation shall have authority to issue is 80,000,000 Million shares of common stock ("Common Stock") having a par value of \$.001 per share. The Company's Articles of Incorporation, as amended, currently authorizes the Company to issue up to 50,000,000 shares of common stock. As of April 2, 2002, the Company had outstanding 30,619,826 shares of common stock. The Board of Directors believes the proposed increase in the authorized number of shares of common stock is necessary to provide the Company with the flexibility to meet business needs as they arise, to take advantage of favorable opportunities and to respond to a changing environment.

The additional shares of common stock would be available for issuance from time to time and for such purposes as the Board of Directors may deem advisable without further action by the shareholders, except as may be required by applicable laws or regulations. These purposes may include future financings or acquisitions. Notwithstanding the above, the Board of Directors has no immediate plans, intentions, or commitments to issue additional shares of common stock for any purpose, including rendering more difficult or discouraging a merger, tender offer, proxy contest or other change in control of the Company. Unless deemed advisable by the Board of Directors, no further share owner authorization would be sought for the issuance of such shares.

Edgar Filing: SEARCHHOUND COM INC - Form PREM14A

The Board of Directors has no immediate plans or commitments to issue any additional shares of common stock in excess of the amount currently authorized. However, the Board of Directors believes that an increase in the number of authorized shares would provide the Company with the ability to issue such additional new shares of common stock should the opportunity be presented in the future.

Each additional share of common stock authorized by the amendment to Article Three of the Articles of Incorporation, as amended, described in this proposal would have the same rights and privileges under the Articles of Incorporation, as amended, as each share of common stock currently authorized. Shareholders have no preemptive rights with respect to common stock and the issuance of common stock, other than on a pro rata basis, would result in dilution of a shareholder's interest.

THE BOARD OF DIRECTORS OF THE COMPANY DEEMS PROPOSAL NO. 3 TO BE IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" APPROVAL OF PROPOSAL NO. 3.

APPROVAL OF AMENDMENT TO ARTICLES OF INCORPORATION TO CHANGE THE NAME OF THE COMPANY
