## INDEPENDENT AUDITORS' REPORT

To the Trustees of the Procter & Gamble Ireland Employees Share Ownership Plan:

We have audited the accompanying statements of net assets available for benefits of the Procter & Gamble Ireland Employees Share Ownership Plan ("the Plan") as of June 30, 2002 and 2001, and the related statements of changes in net assets available for benefits for each of the three years in the period ended June 30, 2002. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, such financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of June 30, 2002 and 2001, and the changes in net assets available for benefits for each of the three years in the period ended June 30, 2002, in conformity with accounting principles generally accepted in the United States of America.

#### 1. PLAN DESCRIPTION

The following brief description of the Procter & Gamble Ireland Employees Share Ownership Plan ("Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

**GENERAL** - The Plan is a share purchase plan established by Procter & Gamble to provide a means for eligible Irish employees to tax efficiently purchase shares in The Procter & Gamble Company ("Parent"). The scheme administrators on behalf of the Trustees of the Plan hold the Plan assets.

**CONTRIBUTIONS**- Employees can contribute up to 2.5% of their base salary. The participating Procter & Gamble companies (see note 6) match all contributions by employees in full.

**WITHDRAWALS** - Participants may withdraw shares from the scheme at any time subject to the following Plan rules. Participants cannot withdraw shares from the Plan within 3 years of purchase. Participants who withdraw shares from the Plan after 3 years can do so without attracting any income tax.

## Edgar Filing: PROCTER & GAMBLE CO - Form 11-K

ADMINISTRATION - The Plan is administered by Mercer Limited who were appointed by the Trustees of the Plan.

PARTICIPANT ACCOUNTS - Each participant's account is credited with an allocation of the Plan's shares. The benefit to which a participant is entitled is limited to the shares that can be provided from the participant's account.

### 2. SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING - The accompanying financial statements have been prepared on the accrual basis of accounting and the Plan's net assets and transactions are recorded at fair value. The Plan's investment in the Company common stock is valued at fair value and is translated into Euros ("euro") at the rate of exchange at June 30.

EXPENSES OF THE PLAN - Investment management expenses and all other fees/expenses are paid by the participating Procter & Gamble companies (see note 6).

USE OF ESTIMATES - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

The plan invests in The Procter & Gamble Company common stock. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for plan benefits.

RECLASSIFICATION - Certain prior year amounts have been reclassified to confirm with the 2002 presentation.

### 2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

THE J.M. SMUCKER COMPANY COMMON STOCK - In May of 2002, the Jif peanut butter and Crisco shortening brands were spun-off to the Company's shareholders and subsequently merged into The J.M. Smucker Company ("Smucker"). As a result of the spin-off, participants holding common stock received one share of Smucker stock for each fifty shares of Company common stock. The cost basis of the Company common stock prior to the Smucker spin-off was allocated between the Company common stock held and the Smucker common stock received. Participants have the option of selling the Smucker common stock but are not permitted to purchase additional shares of Smucker stock.

### 3. TAX STATUS

The Irish Tax Authority has determined and informed the Company that it is an approved Employee Share Scheme under Irish tax legislation. Therefore, the Plan Administrator believes that the Plan was qualified and tax-exempt as of June 30, 2002 and 2001 and no provision for income taxes has been reflected in the accompanying financial statements.

### 4. DISTRIBUTIONS PAYABLE

Distributions payable to participants at June 30, 2002 and 2001, are
