## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Trustees of the Procter & Gamble 1-4-1 Plan:

We have audited the accompanying statements of net assets available for benefits of the Procter & Gamble 1-4-1 Plan ("the Plan") as of June 30, 2006 and 2005, and the related statements of changes in net assets available for benefits for the years ended June 30, 2006, 2005 and 2004. These financial statements are the responsibility of the Plan's trustee. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. The plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits include consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control over financial reporting. Accordingly we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by the trustee, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, such financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of June 30, 2006 and 2005 and the changes in net assets available for benefits for the years ended June 30, 2006, 2005 and 2004, in conformity with accounting principles generally accepted in the United States of America.
