Item 14. Indemnification of Directors and Officers

The Company is a Nevada corporation. The corporate laws of the State of Nevada, Nevada Revised Statutes Chapter 78, contain provisions for the indemnification and insurance of directors, officers, employees and agents of a Nevada corporation against liabilities which they may incur in their capacities as such. These provisions have the following general effects:

Under Subsection 1 of Section 78.7502 of the Nevada Revised Statutes, a Nevada corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, except an action by or in the right of the corporation, because the person is or was a director, officer, employee or agent of the corporation, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with the action, suit or proceeding if he (i) is not liable to the corporation or its stockholders under Section 78.138 of the Nevada Revised Statutes, or (ii) acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. Section

78.138 provides that, with certain exceptions, a director or officer is not individually liable to the corporation or its stockholders for any damages as a result of any act or failure to act in his capacity as a director or officer unless it is proven that (i) his act or failure to act constituted a breach of his fiduciary duties as a director or officer, and (ii) his breach of those duties involved intentional misconduct, fraud or a knowing violation of law.

Under Subsection 2 of Section 78.7502, a Nevada corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor because the person is or was a director, officer, employee or agent of the corporation, against expenses, including amounts paid in settlement and attorneys' fees actually and reasonably incurred in connection with the defense or settlement of the action or suit if he (i) is not liable to the corporation or its stockholders under Section 78.138, or (ii) acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification may be made for any claim, issue or matter as to which such person has been adjudged by a court to be liable to the corporation or for amounts paid in settlement to the corporation, unless and only to the extent that the court in which such action or suit was brought determines that, despite the adjudication of liability, such person is fairly and reasonably entitled to indemnification for such expenses as the court deems proper.

Under Subsection 3 of Section 78.7502, a Nevada corporation must indemnify a director, officer, employee or agent to the extent that he has been successful on the merits or otherwise in the defense of any action, suit or proceeding referred to above, or in defense of any claim, issue or matter therein, against expenses, including attorneys' fees actually and reasonably incurred by him in connection with the defense.

Under Section 78.752, a Nevada corporation may purchase and maintain insurance or make other financial arrangements on behalf of any person who is or was a director, officer, employee or agent of the corporation against liability asserted against or incurred by the person in that capacity or arising from his or her status as a director, officer, employee or agent, whether or not the corporation has the authority to indemnify him against such liabilities and expenses.

Article IX of the Company's articles of incorporation provides as follows:

The Corporation shall indemnify all officers, directors, and agents of the Corporation to the fullest extent permitted by Nevada law, as the same exists or may hereafter be amended. Such indemnification shall include, but not be limited to, indemnification against monetary damages for breach of fiduciary duty.

In addition, Article IX of the Company's bylaws contains detailed provisions which have the general effect of providing for indemnification of directors and officers to the fullest extent permitted by Nevada law. The bylaws also provide that the Board of Directors may direct that the Company purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Company.

The Company does not currently maintain directors' and officers' insurance covering certain liabilities that may be incurred by directors and officers in the performance of their duties.

Item 15. Recent Sales of Unregistered Securities

During the past three years, the following securities were sold by the Company without registration under the Securities Act. The securities described below were deemed exempt from registration under the Securities Act in reliance upon Section 4(2) or Regulation D of the Securities Act. There were no underwriters employed in connection with any of the transactions set forth in this Item 15. All of these securities are deemed restricted securities for purposes of the Securities Act.

December 2010 Private Placement of Common Stock

On December 13, 2010, the Company completed the sale and issuance of 4,200,000 shares of common stock (or 1,400,000 shares, as adjusted for the reverse stock split effected on December 31, 2010) to SII for an aggregate purchase price of \$2,100,000 (or \$.50 per share pre-split), pursuant to the terms of a Securities Purchase Agreement dated October 29, 2010, as amended. The Company received gross proceeds of \$2,100,000 in the transaction, which were used to pay related transaction expenses, to pay off the interim working capital loans, reduce the Company's current liabilities, and to provide working capital.

The shares of common stock sold to SII were not registered under the Securities Act or state securities laws, and may not be resold in the United States in the absence of an effective registration statement filed with the SEC or an available exemption from the applicable federal and state registration requirements. In the Securities Purchase Agreement, SII represented to the Company that: (a) it is an accredited investor, as such term is defined Rule 501 of Regulation D promulgated under the Securities Act, (b) it acquired the shares of common stock as principal for its own account for investment purposes and not with a view to or for distributing or reselling the shares or any part thereof, and (c) it is knowledgeable, sophisticated and experienced in making, and qualified to make, decisions with respect to investments in securities representing an investment decision similar to that involved in the purchase of the shares. The Company has relied on the exemption from the registration requirements of the Securities Act set forth in Section 4(2) thereof and the rules and regulations promulgated thereunder for the purposes of the transaction with SII.

September 2012 Private Placement of Series C Convertible Preferred Stock

On September 28, 2012, the Company completed the sale and issuance of 355,451 shares of Series C Convertible Preferred Stock to SII for an aggregate purchase price of \$1,500,000 (or \$4.22 per share), pursuant to the terms of a Securities Purchase Agreement dated June 13, 2012 between the Company and SII. The Company received gross proceeds of \$1,500,000 in the transaction, which were used to pay related transaction expenses, to pay the Wells Fargo Note and related interest rate swap in full, and to provide working capital.

The shares of Series C Convertible Preferred Stock sold to SII (the Series C Shares) were not registered under the Securities Act or state securities laws, and neither the Series C Shares nor the shares of Common Stock issuable upon conversion of the Series C Shares (together with the Series C Shares, the Securities) may be resold in the United States in the absence of an effective registration statement filed with the SEC or an available exemption from the applicable federal and state registration requirements. In the Securities Purchase Agreement, SII represented to the Company that: (a) it is an accredited investor, as such term is defined in Rule 501 of Regulation D promulgated under the Securities Act; (b) it acquired the Securities as principal for its own account for investment purposes only and not with a view to or for distributing or reselling the Securities or any part thereof; and (c) it is knowledgeable, sophisticated and experienced in making, and qualified to make, decisions with respect to investments in securities representing an investment decision similar to that involved in the purchase of the Securities. The Company has relied on the exemption from the registration requirements of the Securities Act set forth in Section 4(2) thereof and the rules and regulations thereunder for the purposes of the transaction with SII.

Item 16. Exhibits and Financial Statement Schedules

See the Exhibit Index immediately below the signature page to this registration statement.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(5) (ii) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of the registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the same registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(6) For purposes of determining liability under the Securities Act of 1933 to any purchaser in the initial distribution of the securities in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting model used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(h) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(i) The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
