## EXPLANATORY NOTE

On February 12, 2013, the Securities and Exchange Commission (the “SEC”) declared effective the Registration Statement on Form S-4, as amended (Commission File No. 333-184392) (the “Registration Statement”), of Owens Realty Mortgage, Inc., a Maryland corporation (the “Company”) relating to the proposed merger of Owens Mortgage Investment Fund, a California Limited Partnership, with and into the Company.

Rule 15d-2 (“Rule 15d-2”) under the Securities Exchange Act of 1934, as amended, provides generally that if a company files a registration statement under the Securities Act of 1933, as amended, which does not contain certified financial statements for the company’s last full fiscal year preceding the year in which the registration statement becomes effective (or for the life of the company if less than a full fiscal year), then that company must, within 90 days after the effective date of the registration statement, file a special financial report furnishing certified financial statements for the last full fiscal year or other period, as the case may be. Rule 15d-2 further provides that the special financial report is to be filed under cover of the facing sheet of the form appropriate for annual reports of the company.

The Registration Statement did not contain the certified financial statements of the Company for the fiscal year ended December 31, 2012; therefore, as required by Rule 15d-2, the Company is hereby filing such certified financial statements with the SEC in lieu of filing a full Annual Report on Form 10-K .

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Sole Stockholder of  
Owens Realty Mortgage, Inc.  
Baltimore, Maryland

We have audited the accompanying balance sheet of Owens Realty Mortgage, Inc. (the "Company") as of December 31, 2012. This balance sheet is the responsibility of the Company's management. Our responsibility is to express an opinion on this balance sheet based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the balance sheet is free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the balance sheet. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall balance sheet presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the balance sheet referred to above presents fairly, in all material respects, the financial position of the Company as of December 31, 2012, in conformity with accounting principles generally accepted in the United States of America.

NOTE TO THE BALANCE SHEET

1. Organization

Owens Realty Mortgage, Inc. (the "Company") was incorporated on August 9, 2012, under the laws of the State of Maryland and was authorized to issue 1,000,000 shares of \$0.01 par value common stock at the time of its incorporation. Per the Articles of Amendment and Restatement of the Company dated January 23, 2013, the authorized shares of common stock were increased to 50,000,000 shares. In addition, the Company is now authorized

to issue 5,000,000 shares of preferred stock at \$0.01 par value per share. The Company was created to effect the merger described in the Registration Statement on Form S-4, as amended, of the Company, declared effective on February 12, 2013 (File No. 333-184392). Per resolutions of the Board of Directors of the Company on August 9, 2012, the Board of Directors authorized the issuance of 1,000 shares of \$0.01 par value common stock to William C. Owens in exchange for cash consideration of \$1.00 per share (for total consideration of \$1,000).

Prior to the merger, the Company is not expected to conduct any business other than incident to the merger. In the merger, Owens Mortgage Investment Fund, a California Limited Partnership (“OMIF”), will merge with and into the Company. Upon effectiveness of the merger, the outstanding 1,000 shares of common stock of the Company will be cancelled and every 25 limited partner units of OMIF will be converted into one share of common stock of the Company. Additionally, certain interests held by the general partner of OMIF will be converted into shares of common stock of the Company. The Company will, by virtue of the merger, directly or indirectly own all of the assets and business formerly owned by OMIF.

PRO FORMA FINANCIAL INFORMATION (UNAUDITED)

The following tables present the unaudited pro forma consolidated statement of operations for the year ended December 31, 2012 and the unaudited pro forma consolidated balance sheet as of December 31, 2012 giving effect to the reorganization transactions and REIT conversion described in the Registration Statement on Form S-4, as amended (the "Registration Statement") of Owens Realty Mortgage, Inc., a Maryland corporation (the "Company"), declared effective by the Securities and Exchange Commission on February 12, 2013 (File No. 333-184392). The unaudited pro forma consolidated balance sheet is presented as if the REIT conversion had occurred on January 1, 2012 based on the conversion of OMIF units as of January 1, 2012. The unaudited pro forma consolidated statement of operations presents the effects of the REIT conversion as though it had occurred on January 1, 2012 based on the conversion of units as of January 1, 2012. The unaudited pro forma consolidated financial data are based on the estimates and assumptions set forth in the notes to such statements, which are preliminary and have been made solely for the purposes of developing such pro forma information. The unaudited pro forma consolidated financial data are not necessarily indicative of the financial position or operating results that would have been achieved had the REIT conversion been completed as of the dates indicated, nor are they necessarily indicative of future financial position or operating results. This information should be read in conjunction with the historical financial statements and related notes included in, or incorporated by reference into, the Registration Statement and the Annual Report on Form 10-K of Owens Mortgage Investment Fund, a California Limited Partnership ("OMIF"), for the year ended December 31, 2012.

The unaudited pro forma consolidated statement of operations and consolidated balance sheet do not reflect the following:

- One-time transaction costs related to the REIT conversion, currently estimated to be \$1,200,000; and
- The potential immaterial effect of lower cash balances these transactions have on interest income, higher borrowing costs or foregone investment opportunities.

To qualify as a REIT, at least 90% of taxable income, determined without regard to the dividends paid deduction and by excluding any net capital gain, is required to be distributed to stockholders. Upon making a REIT election, the Company anticipates that it may have NOLs that can be carried forward and utilized to potentially reduce the amount of future required distributions.

The pro forma financial results assume that 100% of taxable income has been distributed and that all relevant REIT qualifying tests, as dictated by the Internal Revenue Code and Internal Revenue Services rules and interpretations, were met for the entire year.

For accounting purposes, the merger of OMIF with and into the Company will be treated as a transfer of assets and exchange of shares between entities under common control. The accounting basis used to initially record the assets and liabilities in the Company is the carryover basis of OMIF. Stockholder's equity of the Company will be that carried over from the total partners' capital of OMIF.

NOTES TO PRO FORMA CONSOLIDATED FINANCIAL STATEMENTS

The pro forma adjustments reflect the extinguishment of Owens Mortgage Investment Fund (“OMIF”) partners' capital and replacement with 11,198,121 shares of common stock of Owens Realty Mortgage Inc. (the “Common Stock”) and additional paid-in capital based on 279,983,780 units outstanding as of January 1, 2012 (after reduction for Owens Financial Group, Inc.’s units represented by its carried interest) and a 25:1 conversion rate. Capitalized offering costs incurred of \$708,464 as of December 31, 2012 were adjusted out of Other Assets and reflected as a reduction in additional paid-in capital as of December 31, 2012. Common Stock was calculated by multiplying the shares of Common Stock outstanding of 11,198,121 by \$.01 par value per share. Accumulated deficit was calculated by totaling the OMIF net losses and income distributions made to partners during the year ended December 31, 2012. Additional paid-in capital was calculated by taking the total OMIF partners’ capital at December 31, 2012 and subtracting the Common Stock, accumulated deficit and capitalized offering costs per above.
