Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangements of Certain Officers

Effective March 1, 2016, the Compensation Committee (the “Committee”) of the Board of Directors of Fuel Tech, Inc. (“Fuel Tech” or the “Company”) took the following actions:

1. 2015 Executive Officer Incentive Plan Bonus Award Determination. Following review of the Company’s financial results for fiscal 2015, the Committee determined that the Company’s financial performance in 2015 failed to meet the financial performance threshold necessary for a payout under the 2015 Executive Officer Incentive Plan (the “2015 EOIP”). Accordingly, there will be no payout under the 2015 EOIP to any of its participants. Participation in the 2015 EOIP was limited to Fuel Tech’s President and Chief Executive Officer; Executive Chairman; Senior Vice President, Fuel Conversion Marketing; Senior Vice President, Treasurer and Chief Financial Officer; and Senior Vice President, General Counsel and Secretary.

2. Establishment of 2016 Executive Officer Incentive Plan. The Committee also adopted Fuel Tech’s 2016 Executive Officer Incentive Plan (the “2016 EOIP”), including establishing the financial performance threshold for payout and the percentage of the incentive pool to be paid out to participants in the EOIP for 2016. Participation in the 2016 EOIP is limited to Fuel Tech’s President and Chief Executive Officer; Executive Chairman; Senior Vice President, Treasurer and Chief Financial Officer; and Senior Vice President, General Counsel and Secretary (each a “Participant”). The Committee, in its business discretion, may subjectively decide to designate additional full-time senior management employees to be Participants in the 2016 EOIP after consideration of the recommendations of Fuel Tech’s Chief Executive Officer.

The 2016 EOIP is structured as follows:

2016 EOIP payouts are based on Fuel Tech’s performance in the three critical financial metrics defined

- below. An “Incentive Pool” may be created dependent on Fuel Tech’s financial performance pertaining to all or some of those metrics during the fiscal year. If the Incentive Pool is created, each Participant will be awarded his designated portion of the Incentive Pool by March 31, 2017.

Under the 2016 EOIP, a percentage of Adjusted EBITDA may be set aside in the Incentive Pool with respect to each fiscal year to provide for bonus payments based on performance in the following three categories:

- (i) Adjusted EBITDA, (ii) Revenue and (iii) APC Bookings. “Adjusted EBITDA” refers to earnings before interest expense, taxes, depreciation and amortization, profit sharing plan contributions, stock compensation, incentive pay (excluding sales commissions) and other unusual or non-cash charges. “Revenue” refers to net sales. “APC Bookings” refers to revenue from the sale of equipment or services in Fuel Tech’s APC line of business to which Fuel Tech has a contractual right pursuant to a sales contract executed after January 1, 2016.

No amounts will be payable under the 2016 EOIP unless Fuel Tech achieves the established minimum threshold of Adjusted EBITDA for 2016. Accordingly, if Fuel Tech’s financial performance for 2016 falls below the established minimum threshold of Adjusted EBITDA, there will be no payout under the 2016

- EOIP of any kind, regardless of the annual Revenue, APC Bookings or other Company product sales achieved. If Fuel Tech’s minimum threshold of Adjusted EBITDA is met, however, the percentage of Adjusted EBITDA set aside in the Incentive Pool rises pro rata incrementally based on actual combined performance for the Adjusted EBITDA, Revenues, and APC Bookings financial metrics up to an upper limit cap.

For 2016, the minimum performance thresholds for Adjusted EBITDA, Revenue and APC Bookings were set at \$2.5 million, \$75 million and \$37.5 million, respectively. If the Adjusted EBITDA performance threshold is met, 2.00% of Adjusted EBITDA will be funded into the Incentive Pool; assuming Fuel Tech achieved two of the three performance thresholds, 2.50% of Adjusted EBITDA will be funded into the Incentive Pool; and, assuming Fuel Tech achieves all three performance thresholds, 3.00% of Adjusted EBITDA will be funded into the Incentive Pool.

If the minimum thresholds above are met, the percentage of Adjusted EBITDA funded into the Incentive Pool for the Adjusted EBITDA metric will rise incrementally at a rate equal to 0.20% for each additional \$500,000 in Adjusted EBITDA, subject to an overall cap of 4.00%; the percentage of Adjusted EBITDA funded into the Incentive Pool for Revenue will rise incrementally at a rate equal to 0.10% for each

- additional \$1.5 million in Revenue, subject to an overall cap of 1.5%; and the percentage of Adjusted EBITDA funded into the Incentive Pool for APC Bookings will rise incrementally at a rate equal to 0.10% for each additional \$1.5 million in APC Bookings, subject to an overall cap of 1.50%. Accordingly, the highest possible funding percentage for the Incentive Pool under the 2016 EOIP is 7.00% of Adjusted EBITDA.

If the performance thresholds under the 2016 EOIP are met, the Incentive Pool will be divided in accordance with the following participation percentages: 40% of the Incentive Pool being awarded to the President and Chief Executive Officer; 20% to the Executive Chairman; 20% to the Senior Vice President, Treasurer and Chief Financial Officer; and 20% to the Senior Vice President, General Counsel and Secretary.

- Both the payout vesting and allocation percentages for each Participant under the 2016 EOIP are formulaic, and do not involve any subjective evaluation of the performance of the Participants or other exercise of discretion by the Committee.

The actual amounts of fiscal 2016 cash bonuses earned, if any, for the Executive Officers of the Company who are Participants in the EOIP will be reported in the Registrant's proxy statement for its 2017 Annual Meeting of Stockholders.

- who are Participants in the EOIP will be reported in the Registrant's proxy statement for its 2017 Annual Meeting of Stockholders.
