Item 1.01 Entry into a Material Definitive Agreement.

On October 1, 2018, Merit Medical Systems, Inc., a Utah corporation (“Merit”), entered into an Agreement and Plan of Merger (the “Agreement”) by and among Merit, Cianna Medical, Inc. (the “Cianna”), CMI Transaction Co. (“Merger Sub”) and Fortis Advisors LLC, as the Securityholders' Representative, related to the prospective acquisition by Merit of Cianna.

Pursuant to the terms of the Agreement, Merger Sub will merge with and into Cianna, with Cianna continuing as the surviving corporation and a wholly-owned subsidiary of Merit (the “Merger”). Completion of the Merger is subject to customary closing conditions, including, among others, (i) obtaining antitrust approvals in the United States, (ii) subject to certain exceptions, the accuracy of the representations and warranties of the other party and (iii) material compliance by the other party with its pre-closing obligations under the Agreement. The Agreement contains customary representations and warranties that survive the closing of the Merger for eighteen (18) months, with certain exceptions, as well as customary indemnification provisions and covenants, including covenants relating to the conduct of business between the execution of the Agreement and the closing of the Merger. The Agreement also contains certain termination rights for both Merit and Cianna.

Subject to the terms and conditions of the Agreement, Merit proposes to pay up to \$200 million in connection with its acquisition of Cianna, as follows:

\$135 million in cash at closing, subject to standard adjustments for working capital and other matters;

an earn-out payment of \$15 million payable upon the achievement by Cianna of certain manufacturing capacity and manufacturing cost milestones on or before June 30, 2019; and

earn-out payments of up to \$50 million in the aggregate, payable at the rate of 175% of the amount which annual net sales of Cianna products in each of 2019, 2020, 2021 and 2022 exceed annual net sales of Cianna products in the preceding fiscal year.

The foregoing summary of the principal terms of the Agreement is not complete and is qualified in its entirety by the actual terms and conditions of that agreement, a copy of which Merit intends to file in a future filing with the U.S. Securities & Exchange Commission (the “Commission”). The representations, warranties, and other terms contained in the Agreement were made solely for the purposes of such agreement and as of specified dates, were solely for the benefit of the parties to that agreement, and may be subject to limitations agreed upon by the contracting parties. Those representations and warranties may have been made for the purposes of allocating contractual risk between the parties to the Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors are not third-party beneficiaries under the Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of Merit, Cianna or any of their respective subsidiaries or affiliates. Accordingly, investors should not rely on the representations and warranties as characterizations of the actual state of facts, since (i) they were made only as of the date of the Agreement or prior, specified dates, (ii) in some cases they are subject to qualifications with respect to materiality, knowledge and/or other matters, and (iii) they may be modified in important party by the underlying exhibits and schedules.

Safe Harbor for Forward-Looking Statements

Such risks and uncertainties include the following: the possibility that conditions to the closing of the proposed Merger, including regulatory conditions, will not be satisfied; Merit's potential inability to successfully manage the proposed Merger and integration of the two companies and achieve anticipated financial results, product development and other anticipated benefits; uncertainties as to whether Merit will achieve sales, gross margin, cost of goods sold, cash flow and other results from the proposed Merger which are comparable to the experience of Cianna; unknown costs and risks associated with the business and operations of Cianna; Merit's internal models or the projections referenced in this release; governmental scrutiny and regulation of the medical device industry, including governmental inquiries, investigations and proceedings involving Merit or the business and operations proposed to be acquired; how the occurrence of any unanticipated event or cost in connection with the proposed transaction or subsequent integration of Cianna may affect Merit's projected ability to comply with debt covenants; infringement of acquired technology or the assertion that acquired technology infringes the rights of other parties; the potential of fines, penalties or other adverse consequences if Merit's or Cianna's employees or agents violate the U.S. Foreign Corrupt Practices Act or other

laws or regulations; laws and regulations targeting fraud and abuse in the healthcare industry; potential for significant adverse changes in governing regulations; changes in tax laws and regulations in the United States or other countries; increases in the prices of commodity components; negative changes in economic and industry conditions in the United States or other countries; termination or interruption of relationships with Merit's or Cianna's suppliers, or failure of such suppliers to perform; the effects of fluctuations in exchange rates on projected financial results; development of new products and technology that could render Merit's existing or acquired products obsolete; changes in healthcare policies or markets related to healthcare reform initiatives; failure to comply with applicable environmental laws; changes in key personnel; work stoppage or transportation risks; price and product competition; availability of labor and materials; fluctuations in and obsolescence of inventory; and other factors referred to in Merit's Annual Report on Form 10-K for the year ended December 31, 2017 and other materials filed with the Securities and Exchange Commission.
