PRESS RELEASE

FOR IMMEDIATE RELEASE

The National Security Group, Inc. Releases Earnings

Elba, Alabama (February 26, 2010)—The National Security Group, Inc. (NASDAQ: NSEC) today announced its financial results for the year and three month periods ended December 31, 2009. Total revenues for the year increased 8.8% to \$66,004,000 compared to \$60,690,000 for 2008. The primary factor contributing to the increase in revenue was a decline in ceded reinsurance cost due to the absence of catastrophe reinstatement premium payments. In 2008, premium revenues were reduced by \$1,335,000 due to additional cost of catastrophe reinstatement premium triggered by Hurricane Gustav. Total revenues were also positively impacted by improved investment returns and a reduction in impairment charges, which led to an increase in capital gains.

Net income for the year ended December 31, 2009 was \$4,224,000, or \$1.71 per share, compared to a net loss of (\$5,204,000), or (\$2.11) per share, for 2008. The most significant factor contributing to net income in 2009 was the lack of hurricane losses. Net of reinsurance, total 2008 pre-tax income was reduced by \$12,474,000 from catastrophe related losses and loss adjustment expenses. Net of tax, catastrophe related losses totaled \$8,233,000 and reduced net income by \$3.34 per share.

Fourth quarter 2009 net income increased 100.9% to \$2,000,000, or \$0.81 per share, compared to a net income of \$995,000, or \$0.40 per share, for the quarter ended December 31, 2008. Other than temporary impairment charges incurred in the fourth quarter of 2008 totaling \$1,196,000 (\$972,000 or \$0.39 per share net of tax) was the most significant factor contributing to lower quarterly earnings in 2008 versus 2009.

Stockholders equity for the year ended December 31, 2009 was \$41,638,000 compared to \$34,648,000 at December 31, 2008, an increase of \$6,990,000 or 20.2%. The change in stockholders equity is composed of dividends paid to shareholders of \$1,480,000; net income of \$4,224,000 and an increase in accumulated other comprehensive income due to recoveries in investment portfolio market values of \$4,246,000. Yearend book value per share, defined as stockholders equity divided by common shares outstanding of 2,466,600, was \$16.88 at December 31, 2009 compared to \$14.05 at December 31, 2008.

A summary of income statement information follows:

Edgar Filing: NATIONAL SECURITY GROUP INC - Form 8-K

	Three Months Ended December 31		Year Ended December 31	
	2009	2008	2009	2008
Premium Earned	\$ 14,644,000	\$ 14,003,000	\$ 59,594,000	\$ 56,264,000
