## Edgar Filing: NEW GERMANY FUND INC - Form N-Q

Securities exempt from registration under Rule 144A of the Securities Act of 1933. These securities may be resold in transactions exempt from registration, normally to qualified institutional buyers.

For purposes of its industry concentration policy, the Fund classifies issuers of portfolio securities at the industry sub-group level. Certain of the categories in the above Schedule of Investments consist of multiple industry sub-groups or industries.

Securities are listed in the country of domicile. For purposes of the Fund's investment objective policy to invest in German companies, non-Germany domiciled securities may qualify as German companies as defined in the Fund's Statement of Investment Objectives, Policies and Investment Restrictions.

### Fair Value Measurements

Various inputs are used in determining the value of the Fund's investments. These inputs are summarized in three broad levels. Level 1 includes quoted prices in active markets for identical securities. Level 2 includes other significant observable inputs (including quoted prices for similar securities, interest rates, prepayment speeds and credit risk). Level 3 includes significant unobservable inputs (including the Fund's own assumptions in determining the fair value of investments). The level assigned to the securities valuations may not be an indication of the risk associated with investing in those securities.

The following is a summary of the inputs used as of September 30, 2018 in valuing the Fund's investments.

Assets	Level 1	Level 2	Level 3	Total
