Item 1. Security and Issuer

This statement relates to the common stock ("Common Stock") of Transgenomic Inc., a Delaware corporation ("Company"), whose principal executive offices are located at 12325 Emmet Street, Omaha, NE 68164. The approximate aggregate percentage of shares of Common Stock reported beneficially owned by each person herein is based on 25,338,839 shares outstanding, which is the total number of shares of Common Stock outstanding as of September 9, 2003, based on information from the Company to the Reporting Persons, as defined below. Unless otherwise indicated, the holdings reported herein are as of the close of business on September 30, 2003.

Item 2. Identity and Background

(a) This statement is filed by Kopp Investment Advisors, LLC. ("KIA") with respect to shares owned by clients and held in discretionary accounts managed by KIA; Kopp Holding Company, LLC ("KHCLLC") solely as the parent corporation of KIA and indirect beneficial owner of the shares; beneficially owned by KIA; Kopp Emerging Growth Fund ("KEGF") with respect to shares owned directly by KEGF; Kopp Holding Company (KHC) on its own behalf and a controlling person of KHCLLC; and by LeRoy C. Kopp individually with respect to shares of Common Stock that may be deemed beneficially owned directly by him and indirectly by him by virtue of his ownership of all of the stock of KHC. The foregoing persons are sometimes referred to as "Reporting Persons". Certain information concerning the directors and executive officers of the corporate Reporting Persons is set forth on Schedule A attached hereto and incorporated herein by reference. Any disclosures with respect to persons other than the Reporting Persons are made on information and belief after making inquiry to the appropriate party.

(b) The business address of each of the Reporting Persons and directors and executive officers is 7701 France Avenue South, Suite 500, Edina, MN 55435.

(c) The principal business of KIA is that of an investment advisor managing discretionary accounts owned by numerous third-party clients, including KEGF, a registered investment company incorporated under Minnesota law. KHCLLC is a holding company engaged, through subsidiaries, in the investment industry. The principal occupation of Mr. Kopp is serving as the president of KHCLLC, KHC and KIA.

(d) None of the persons referred to in paragraph (a) above has, during the last five years, been convicted in a criminal proceeding (excluding traffic violations and/or similar misdemeanors).

(e) None of the persons referred to in paragraph (a) above has, during the last five years, been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree, or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) KIA and KHCLLC are Minnesota limited liability companies. KHC is a Minnesota corporation. KEGF is a series of Kopp Funds, Inc., a Minnesota corporation. Mr. Kopp and all other directors and executive officers of the Reporting Persons are citizens of the United States.

Item 3. Source and Amount of Funds or Other Consideration

The net investment cost (including commissions, if any) of the shares of Common Stock directly or indirectly beneficially owned by Mr. Kopp, which includes shares beneficially owned by the other Reporting Persons, at September 30, 2003, was \$31,921,629.19. The shares beneficially owned by KIA were purchased with the investment capital of the owners of the discretionary accounts. The shares beneficially owned by KEGF were purchased with the working capital of the mutual fund. The shares beneficially owned directly by Mr. Kopp and KHC were purchased with his investment capital or the funds of a 501(c)(3) corporation. See Item 5 below.

Item 4. Purpose of Transaction

The Reporting Persons acquired the shares of Common Stock for investment purposes, and the Reporting Persons intend to evaluate the performance of such securities as an investment in the ordinary course of business. The Reporting Persons pursue an investment objective of long term capital appreciation. In pursuing this investment objective, the Reporting Persons analyze the management, operations and markets of companies in which they invest, including the Company, on a continual basis through analysis of research and discussions with industry and market observers and with representatives of such companies.

Each Reporting Person that owns shares of Common Stock assesses the Company's business, financial condition, and results of operations as well as economic conditions and securities markets in general and those for the Company's shares in particular. Depending on such assessments, one or more of such Reporting Persons may acquire additional shares or may sell or otherwise dispose of all or some of the shares of Common Stock. Such actions will depend on a variety of factors, including current and anticipated trading prices for the Common Stock, alternative investment opportunities, and general economic, financial market, and industry conditions.

Except as described in this Item 4, none of the Reporting Persons nor any other person named in Schedule A has any plans or proposals that relate to, or would result in, any matter required to be disclosed in response to paragraphs (a) through (j), inclusive, of Item 4 of Schedule 13D. The shares of Common Stock were not acquired for the purpose, nor with the effect, of changing or influencing the control of the Company. Neither any of the Reporting Persons nor any client or shareholder thereof is a member of a "group" for any purpose.

Item 5. Interest in Securities of the Issuer

(a) Generally by virtue of limited powers of attorney and/or investment advisory agreements, KIA is the beneficial owner of 5,787,518 shares, or approximately 23%, of the Common Stock. KIA manages and votes shares owned by KEGF. By virtue of the relationships described in Item 2 of this statement, KHC and Mr. Kopp have indirect beneficial ownership of the shares beneficially owned by KIA and KHCLLC.

In addition, Mr. Kopp's direct beneficial ownership may comprise Common Stock held by KHC; held in the Kopp Family Foundation ("KFF"), for which he serves as a director; held in the LeRoy C. Kopp Individual Retirement Account ("IRA"); held directly by him or his wife's IRA. KHC is the direct owner of 130,000 shares. The KFF is the direct owner of 20,000 shares. The IRAs own 119,800 shares of the Common Stock. Mr. Kopp owns directly 117,000 shares. In the aggregate, including the shares beneficially owned by KIA, under Section 13 of the Securities Act of 1934, Mr. Kopp may be deemed beneficially to own a total of 6,142,318 shares, or 24.2%, of the Common Stock.

(b) KIA has power to vote 4,956,100 shares of the Common Stock. Pursuant to the limited powers of attorney granted to KIA by its clients, which generally are terminable immediately upon notice, KIA in effect shares with the majority of its thousands of clients the power to dispose of the Common Stock owned individually by them. KIA has sole power to dispose of 2,530,000 shares. In effect Mr. Kopp has sole power to dispose of and to vote the Common Stock beneficially owned directly by him and KHC.

(c) The identity of the Reporting Person, type of transaction, date, number of shares, and price per share (excluding commission) for all transactions in the Common Stock by the Reporting Persons within the past 60 days are set forth on Schedule B attached hereto and incorporated by reference herein. Substantially all trades by the Reporting Persons are done in the over-the-counter market.

(d) With the exception of the clients of KIA and the employees of KHCLLC, no person other than each respective record owner of shares of Common Stock is known to have the right to receive or the power to direct the receipt of dividends from or the proceeds of the sale of such shares of Common Stock.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Except as otherwise expressly disclosed herein, there are no contracts, arrangements, understandings, or relationships (legal or otherwise) among the persons named in Item 2 hereof or between such persons and any other person with respect to the Common Stock. The filing of this Schedule shall NOT be construed as an admission that a Reporting Person or any other person is a beneficial owner of any shares of Common Stock for any purpose, including for purposes of Sections 13, 14 or 16 of the Securities Exchange Act of 1934, as amended from time to time. KIA does not act as an agent of any client to enter into any agreement to act as a group with others for the purpose of acquiring, holding or disposing of the securities of an issuer or to gain corporate control or to influence corporate affairs of an issuer. KIA and affiliates and associates are not affiliated with the issuer.
