**Item 1.01 Entry into a Material Definitive Agreement.**

On November 5, 2004, at the closing of its acquisition of SiVerion, Inc. ( SiVerion ) described in Item 2.01 below, LogicVision, Inc. ( LogicVision ) entered into a Registration Rights Agreement with the former stockholders of SiVerion listed therein (the Registration Rights Agreement ) granting certain registration rights. Under the Registration Rights Agreement, LogicVision agreed that, subject to certain exceptions, it will use its reasonable efforts to file, and cause to become effective on or prior to May 5, 2005, a registration statement with the Securities and Exchange Commission covering the resale of the 1,999,991 shares of common stock, \$0.0001 par value, of LogicVision ( LogicVision Common Stock ) issued to the former stockholders of SiVerion pursuant to the Merger (as defined in Item 2.01 below).

The foregoing description of the Registration Rights Agreement is qualified in its entirety to the full text of the Registration Rights Agreement, a copy of which is attached hereto as an exhibit and which is incorporated herein by reference.

**Item 2.01 Completion of Acquisition or Disposition of Assets.**

On November 5, 2004, Signal Acquisition Corporation ( Merger Subsidiary ), a Delaware corporation and wholly owned subsidiary of LogicVision, was merged with and into SiVerion, a Delaware corporation, pursuant to the terms of the Agreement and Plan of Merger, dated October 13, 2004, by and among LogicVision, Merger Subsidiary and SiVerion (the Merger Agreement ). The merger of Merger Subsidiary with and into SiVerion (the Merger ) became effective on November 5, 2004 (the Effective Time ).

As of the Effective Time, (i) Merger Subsidiary ceased to exist; (ii) SiVerion became a wholly owned subsidiary of LogicVision; (iii) each share of common stock of SiVerion (the SiVerion Common Stock ) outstanding immediately prior to the Effective Time was converted into the right to receive \$0.025639 in cash and 0.036751 of a share of LogicVision Common Stock (together, the Common Consideration ); (iv) each share of Series A-1 and Series A-2 Preferred stock (the SiVerion Preferred Stock and, together with the SiVerion Common Stock, the SiVerion Capital Stock ) issued in May 2002 and outstanding immediately prior to the Effective Time was converted into the right to receive the Common Consideration, \$0.133497 in cash and 0.191357 of a share of LogicVision Common Stock; (v) each share of SiVerion Preferred Stock issued in January 2003 and outstanding immediately prior to the Effective Time was converted into the right to receive the Common Consideration, \$0.127571 in cash and 0.182862 of a share of LogicVision Common Stock; and (vi) each share of SiVerion Preferred Stock issued in February 2003 and outstanding immediately prior to the Effective Time was converted into the right to receive the Common Consideration, \$0.127130 in cash and 0.182231 of a share of LogicVision Common Stock. The consideration described in (iii) - (vi) above is referred to in this Current Report as the Closing Merger Consideration.

The former stockholders of SiVerion are receiving, in the aggregate, approximately \$1.4 million in cash and 1,999,991 shares of LogicVision Common Stock as Closing Merger Consideration, and certain debt holders of SiVerion received, in the aggregate, approximately \$0.6 million in cash upon the closing, bringing the cash portion of the purchase price payable upon closing to \$2 million. As security for the rights of LogicVision to indemnification under the Merger Agreement for certain liabilities, \$0.6 million of the \$1.4 million in cash has been placed into escrow until November 5, 2006. The \$2 million cash portion of the purchase price was provided from borrowings under LogicVision's loan agreement with a bank.

In addition to the Closing Merger Consideration, an aggregate of up to \$2 million (the Additional Cash Consideration ) may be payable with respect to the SiVerion Capital Stock (on an as-converted basis immediately prior to the Effective Time) if, and only if, the average closing price of the LogicVision Common Stock for the ten trading days immediately prior to November 5, 2006 is less than \$3.00 per share. The Additional Cash

Consideration, if any, will be calculated by multiplying 2 million by the difference between \$3.00 and the average closing price, but in no event will the Additional Cash Consideration be greater than \$2 million.

Also on November 5, 2004, the subsequent merger of SiVerion with and into LogicVision (the Second Step Merger ) became effective pursuant to the terms of the Merger Agreement, and SiVerion ceased to exist.

The Merger and the Second Step Merger are intended to constitute one integrated transaction for federal income tax purposes and to qualify as a reorganization within the meaning of section 368 of the Internal Revenue Code.
