Edgar Filing: HOWTEK INC - Form SC 13D

entitles the Reporting Person to convert outstanding advances into shares of the Company's Common Stock at any time based on the outstanding closing market price of the Company's Common Stock at the time each advance is made. The Company is seeking stockholder approval at its Annual Meeting of Stockholders to be held on June 28, 2002 to amend the terms of the Loan Agreement to provide that advances made by the Reporting Person can be converted into Common Stock at the lesser of the market price of the Common Stock at the time of the advance or at the time of conversion and in return the Reporting Person has agreed to extend the maturity date of the Loan Agreement.

In connection with the proposed Merger, the Company has entered into a stockholders' agreement with the Reporting Person, the Company's Chief Executive Officer and certain stockholders of ISSI. The stockholders' agreement will become effective upon, and only in the event of, the consummation of the Merger. The parties to the stockholders' agreement have agreed to limit the number of shares of the Company's Common Stock each may sell on a quarterly basis over the course of two years from the consummation of the Merger. Moreover, in connection with the Merger, the Reporting Person agreed that if the Company and ISSI were unable to agree upon a

financing plan for the combined company then under certain circumstances either he or his designees would purchase up to 1,600,000 shares of ISSI common stock prior to the Merger which, if issued and based upon the proposed conversion ratio, would convert into approximately 2,000,000 shares of the Company's Common Stock upon consummation of the Merger.

Except as described in this Item 6 and in Item 5 above, there are no contracts, arrangements, understandings or relationships with the Reporting Person or any other person with respect to the securities of the Company including but not limited to transfer or voting of any other securities, finders' fees, joint ventures, loan or option arrangements, puts or calls, guaranties of profits, divisions of profits or loss or the giving or withholding of proxies.
