Stock Ownership Policy for Officers and Directors

Our board of directors has adopted a stock ownership policy for senior officers and outside directors in order to encourage them to focus on creating long-term shareholder value. The policy sets stock ownership targets for officers as a multiple of base salary. For example, the target for the chief executive officer is five times his annual base salary. The target for outside directors is the greater of five times their annual retainer fees or \$250,000 (exclusive of fees for committee service or attendance fees). The targets are to be achieved by directors and executive officers over a five-year accumulation period. The stock ownership policy also requires the chief executive officer, the chief operating officer, the chief financial officer and the board of directors:

- o to retain the after-tax value of Regency shares acquired on the exercise of stock options or on the vesting of stock awards for one year after exercise or vesting, and
- o to retain 60% of that value so long as they remain an officer or director.

Compliance with the policy is measured by using the higher of the trading price of the shares on the date of acquisition or the 30-day average before the measurement date. Any options, restricted stock or stock rights awards granted to a participant while he or she is not in compliance with these guidelines will vest over five rather than four years or such longer period as the compensation committee determines, in its discretion.

ELECTION OF DIRECTORS

At the 2004 annual meeting, shareholders approved a proposal eliminating classification of our board of directors. Consequently, all eleven members of the board are standing for reelection at the 2005 meeting. All directors will serve until the 2006 annual meeting and until their successors are elected and qualified. The board of directors has nominated the directors named below. All nominees are presently directors and were elected by

Edgar Filing: REGENCY CENTERS CORP - Form DEF 14A

shareholders, except for Mr. Bruce M. Johnson, who was elected by the board in July, 2004. Directors will be elected by a plurality of votes cast by shares entitled to vote at the meeting.

Nominee	Year First Elected to the Board
Martin E. Stein, Jr.	1993
Mary Lou Fiala	1997
Bruce M. Johnson	2004
Raymond L. Bank	1997
C. Ronald Blankenship	2001
A. R. Carpenter	1993
J. Dix Druce, Jr.	1993
Douglas S. Luke	1993
John C. Schweitzer	1999
Thomas G. Wattles	2001
Terry N. Worrell	1999

Regency's board of directors has determined that Messrs. Raymond L. Bank, C. Ronald Blankenship, A. R. Carpenter, J. Dix Druce, Douglas S. Luke, John C. Schweitzer, Thomas G. Wattles and Terry N. Worrell, being a majority of our directors, are independent as defined by Sections 303.1(B)(2)(a) and (3) of the New York Stock Exchange listing standards. In determining independence, the following commercial or charitable relationships will not be considered to be material relationships that would impair a director's independence:

- (i) if a Regency director or his or her immediate family member is an executive officer of another company that does business with Regency and the annual payments by Regency to the other company are less than 1% of the annual consolidated revenues of the other company;
- (ii) if a Regency director or his or her immediate family member is an executive officer of another company which is indebted to Regency, or to which Regency is indebted, and the total amount of either company's indebtedness to the other is less than 1% of the total consolidated assets of the other company; and
- (iii) if a Regency director serves as an officer, director or trustee of a charitable organization, and Regency's discretionary charitable contributions to the organization are less than 1% of that organization's total annual charitable receipts (Regency's automatic matching of employee charitable contributions will not be included in the amount of Regency's contributions for this purpose).

The board will annually review all commercial and charitable relationships of directors and determine whether directors meet these categorical independence tests.

During 2004, the spouse of Mr. Douglas S. Luke provided services to Regency in connection with preparation of the non-financial statement portions of our annual report to shareholders. The board considered the terms of Mrs. Luke's engagement and determined that it was not material because of the nominal fees involved, and that Mr. Luke therefore qualifies as independent. See "Certain Transactions" for additional information concerning Mrs. Luke's engagement.

Edgar Filing: REGENCY CENTERS CORP - Form DEF 14A

During 2004, Regency's contributions to any tax exempt organization in which any of Regency's independent directors serves as an executive officer did not exceed \$1 million or 2% of the tax exempt organization's consolidated gross revenue.

The board of directors has adopted a code of business conduct and ethics for our directors, officers and employees. The text of this code of conduct is posted on our website at www.regencycenters.com. Copies of the code of conduct may also be obtained by contacting Roger Frank, Vice President-Internal Audit, at (904) 598-7000.

The accompanying proxy will be voted, if authority to do so is not withheld, for the election as directors of each of the board's nominees. Each nominee is presently available for election. If any nominee should become unavailable, which is not now anticipated, the persons voting the accompanying proxy may, in their discretion, vote for a substitute.

The board of directors of Regency recommends a vote "for" the election of each of its nominees. Proxies solicited by the board will be so voted unless shareholders specify in their proxies a contrary choice.

8

Board of Directors and Standing Committees

The board held four regular meetings during 2004. All

Edgar Filing: REGENCY CENTERS CORP - Form DEF 14A

directors attended at least 75% of all meetings of the board and board committees on which they served during 2004.

Regency's independent directors meet quarterly in conjunction with the regular board meetings. The independent directors have elected John C. Schweitzer as lead director. As lead director, Mr. Schweitzer presides at the independent directors' meetings. See "Shareholder Proposals and Communications with the Board of Directors" for information on how to communicate with Mr. Schweitzer or any of the other independent directors.

The board of directors has established five standing committees: an executive committee, an audit committee, a compensation committee, a nominating and corporate governance committee and an investment committee, which are described below. Members of these committees are elected annually at the regular board meeting held in conjunction with the annual shareholders' meeting. The charter of each committee is available on our website at www.regencycenters.com or by contacting Roger Frank, Vice President - Internal Audit at (904) 598-7000.

Executive Committee. The executive committee presently is composed of Martin E. Stein, Jr. (Chairman) or Mary Lou Fiala if Mr. Stein is unavailable and any two other directors who qualify as "independent" directors, as defined by the New York Stock Exchange, who are available to meet when committee action is required. The executive committee did not meet during 2004. The executive committee is authorized by the resolutions establishing the committee to handle ministerial matters requiring board approval. The executive committee may not perform functions reserved under Florida law or the rules of the New York Stock Exchange for the full board of directors and, in addition, may not declare dividends.

Audit Committee. The audit committee, which has been established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act, presently is composed of J. Dix Druce, Jr. (Chairman), Raymond L. Bank, and A. R. Carpenter, all of whom are considered independent under the rules of the New York Stock Exchange. The audit committee met ten times during 2004. The principal responsibilities of and functions to be performed by the audit committee are established in the audit committee charter. The audit committee charter was adopted by the board of directors and is reviewed annually by the audit committee. A copy of the audit committee charter is attached as Appendix A and is also available on our website at www.regencycenters.com. See "Audit Committee Report" for a description of the audit committee's responsibilities.

The board of directors has determined that Messrs. Carpenter, Druce and Raymond L. Bank are independent as defined by Sections 303.1(B)(2)(a) and (3) of the New York Stock Exchange listing standards. Our board of directors also has determined that Messrs. Carpenter and Druce are audit committee financial experts as defined in Regulation S-K 401(h) and that Messrs. Carpenter, Bank and Druce all meet the financial literacy requirements of the New York Stock Exchange.

Nominating and Corporate Governance Committee. The nominating and corporate governance committee, which is presently composed of A. R. Carpenter (Chairman), Raymond L. Bank and John C. Schweitzer, met twice during

2004. All members of the nominating and corporate governance committee are independent as defined in the listing standards for the New York Stock Exchange. The purpose of the nominating and corporate governance committee is:

Edgar Filing: REGENCY CENTERS CORP - Form DEF 14A

A copy of the nominating and corporate governance committee charter is available on our website at www.regencycenters.com.

Shareholders wishing to submit names for consideration should submit the following to the Corporate Secretary, at Regency's address set forth on page 1 of this proxy statement:

- o Biographical information about the candidate and a statement about his or her qualifications;
- o Any other information required to be disclosed about the candidate under the Securities and Exchange Commission's proxy rules (including the candidate's written consent to being named in the proxy statement and to serve as a director, if nominated and elected);
- o The names and addresses of the shareholder(s) recommending the candidate for consideration and the number of shares of Regency common stock beneficially owned by each.

Shareholders should submit recommendations in the time frame described under the caption "Shareholder Proposals and Communications with the Board of Directors" below.

The committee will apply the same criteria to all candidates it considers, including any candidates submitted by shareholders. These criteria include independence, personal integrity, leadership skills, strategic thinking, willingness to make a time commitment, and breadth of knowledge about matters affecting Regency and its industry. In addition, the committee will look for skills and experience that will complement the board's existing make-up.

The committee evaluates each incumbent director to determine whether he or she should be nominated to stand for re-election, based on the types of criteria outlined above as well as the director's contributions to the board during their current term. Since the committee's appointment in 2002, all nominees have been incumbent directors except Mr. Bruce M. Johnson, our chief financial officer, who was elected to the board in July 2004. When vacancies develop, the committee will solicit input regarding potential new candidates

from a variety of sources, including existing directors and senior management. If the committee deems it appropriate, it may engage a third-party search firm. The committee will evaluate potential candidates based on their biographical information and qualifications and also may arrange personal interviews of qualified candidates by one or more committee members, other board members and senior management.

Compensation Committee. The compensation committee presently is composed of John C. Schweitzer (Chairman), C. Ronald Blankenship, A. R. Carpenter and Douglas S. Luke. The compensation committee held two meetings related to reviewing 2004 annual performance, to discuss leadership development and succession planning, and to review and approve modifications to Regency's current executive compensation plans. This committee has the responsibility of approving the compensation arrangements for senior management of Regency, including annual bonus and long-term compensation. It also recommends to the board of directors adoption of any compensation plans in which officers and directors of Regency are eligible to participate, and makes grants of employee stock options and other stock awards under Regency's Long-Term Omnibus Plan.

Investment Committee. The investment committee presently is composed of Thomas G. Wattles (Chairman), C. Ronald Blankenship, Martin E. Stein, Jr. and Terry N. Worrell. This committee was formed to review and approve Regency's capital allocation strategy, to approve investments and dispositions exceeding certain thresholds and to review Regency's investment and disposition programs and the performance of in-process developments. The investment committee met seven times during 2004.

AUDIT COMMITTEE REPORT

The management of Regency Centers Corporation (Regency) is responsible for the company's internal controls and financial reporting process; the purpose of the audit committee is to assist the board of directors in its general oversight of Regency's financial reporting, internal controls and audit functions. The audit committee operates under a written charter adopted by the board of directors. The three directors who serve on the audit committee have no financial or personal ties to Regency (other than director compensation and equity ownership as described in this proxy statement) and are all "financially literate" and "independent" for purposes of the New York Stock Exchange listing standards. That is, the board of directors has determined that none of the audit committee members have a relationship with Regency that may interfere with the member's independence from Regency and its management.

The audit committee met with management ten times during the year to consider and discuss the adequacy of Regency's internal controls and the objectivity of its financial reporting; in addition, the audit committee was on call as needed by management and the independent auditors to meet with or discuss any issues arising during the course of the year. The audit committee discussed these matters with Regency's independent auditors and with the appropriate financial personnel and internal auditors. The audit committee also discussed with Regency's senior management and independent auditors the process used for certifications by Regency's chief executive officer and chief financial

11

officer which is required by the SEC for certain of Regency's filings with the SEC. The audit committee met privately with both the independent auditors and the internal auditors, each of whom has unrestricted access to the audit committee.

The audit committee has reviewed and discussed the

Edgar Filing: REGENCY CENTERS CORP - Form DEF 14A

consolidated financial statements with management and the independent auditors. Management is responsible for the preparation, presentation and integrity of Regency's financial statements; accounting and financial reporting principles; establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rule 13a-15(e)); establishing and maintaining internal control over financial reporting (as defined in Exchange Act Rule 13a-15(f)); evaluating the effectiveness of disclosure controls and procedures; evaluating the effectiveness of internal control over financial reporting; and evaluating any change in internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, internal control over financial reporting. The independent auditors are responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States of America, as well as expressing an opinion on (i) management's assessment of the effectiveness of internal control over financial reporting and (ii) the effectiveness of internal control over financial reporting.

During the course of 2004, management completed the documentation, testing and evaluation of Regency's system of internal control over financial reporting in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act of 2002, in the Public Company Accounting Oversight Board's "Auditing Standard No. 2", and in other related regulations. The audit committee was kept apprised of the progress of the evaluation and provided oversight and advice to management during the process. In connection with this oversight, the audit committee received periodic updates provided by management and the independent auditors at each regularly scheduled audit committee meeting. At the conclusion of the process, management provided the audit committee with and the audit committee reviewed a report on the effectiveness of Regency's internal control over financial reporting. The audit committee also reviewed the report of management contained in Regency's Annual Report on Form 10-K for the year ended December 31, 2004 filed with the SEC, as well as KPMG LLP's Report of Independent Registered Public Accounting Firm included in Regency's Annual Report on Form 10-K related to its audit of (i) the consolidated financial statements and financial statement schedule, (ii) management's assessment of the effectiveness of internal control over financial reporting, and (iii) the effectiveness of internal control over financial reporting.

The audit committee supervises the relationship between Regency and its independent auditors, including making decisions about their appointment or removal, reviewing the scope of their audit services, approving non-audit services, and confirming their independence. The Audit committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standard No. 61, "Communication with Audit Committees," and Public Company Accounting Oversight Board Auditing Standard No. 2, "An Audit of Internal Control Over Financial Reporting Performed in Conjunction with an Audit of Financial Statements." In addition, the audit committee has received from the independent auditors the written disclosure required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and discussed with them their independence from Regency and its management. The audit committee has considered whether the provision of permitted non-audit services by the independent auditor to Regency is compatible with the auditor's independence.

Based on these reviews and discussions, the audit committee recommended to the Board of Directors and the Board of Directors approved that the audited financial statements be included in Regency's Annual Report on Form

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The compensation committee of the Board of Directors is responsible for evaluating and establishing executive compensation and other benefit plans for Regency that attract, motivate, and retain a top notch management team and align the interests of executives with shareholders. Part of this responsibility includes evaluating CEO performance and determining CEO compensation. Additionally the committee oversees company policies and practices that advance organizational development, including those designed to achieve the most productive engagement of the company's workforce. The committee is composed entirely of independent directors, as defined by the New York Stock Exchange.

What is Regency's philosophy of executive compensation?

Regency's executive compensation program is incentive-based, and has been designed to attract, motivate, and retain executives who are capable of achieving the company's key strategic goals. The committee aligns the interest of management with shareholders by awarding executives cash bonuses and stock awards for achieving specified key objectives. Regency's compensation philosophy is to set base salaries in a range that is near the competitive median. Total direct compensation opportunities, including the cash bonuses and the long-term incentives are targeted to a range near the 60th - 75th percentiles for high levels of performance. The company will pay higher incentives for exceptional performance.

The committee evaluates and establishes the company's executive compensation program based upon current market information, including comparative executive compensation studies. During 2004, the committee engaged Deloitte Consulting to advise on its compensation matters.

What are the annual cash compensation components?

Base Salary. The compensation committee reviews base salaries annually. In determining appropriate base salaries, the committee considers external competitiveness in relation to Regency's performance and capital structure, the roles and responsibilities of the executives, their contribution to the company's business, an analysis of job requirements and the executives' prior experience and accomplishments.

Annual Performance Bonus. To provide incentives to achieve key corporate objectives, the committee makes cash bonus awards based on corporate and individual performance. Each year the committee establishes a compensation plan that establishes target cash bonuses based on achievement of specific financial and operating objectives for the company and those activities managed by the executive. For the named executive officers, the plan is based on increases in funds from operations ("FFO") per share. FFO is the most widely accepted measure of performance for REITs.

13

The compensation committee may also give significant consideration to the achievement of other key financial and strategic goals, including:

Edgar Filing: REGENCY CENTERS CORP - Form DEF 14A

- o Total shareholder return relative to Regency's peer group;
- o Return on equity;
- o Maintenance of unsecured debt ratings;
- o Growth in same property net operating income;
- o Value achieved from development completions;
- o Dollar amount of new development starts; and o Growth in joint ventures and third party income.

Regency's philosophy is that the consistent achievement of these objectives should, over time, result in total shareholder returns that are meaningfully above the average for shopping-center REITs.

What is Regency's philosophy for long-term incentive compensation?

The committee strongly believes that providing executives with an opportunity to increase their ownership of common stock aligns their interests with stockholders. The company has stock ownership and retention guidelines for senior executive officers as well as the Board of Directors, which are described elsewhere in the proxy statement.

Regency grants stock rights awards to executive officers based upon their contribution to the company's performance and achievement of specific objectives. Each year the committee establishes a compensation plan that establishes target award levels based on the achievement of specific performance objectives.

For the named executive officers in 2004, 40% of the stock rights grant was based upon FFO per share growth in 2004. The balance of the opportunity, 60%, is tied to future compounded growth in FFO per share. The period for which all grants can be earned and vested is four years. For other senior executive officers, stock rights grants as well as cash bonuses were based on both FFO per share growth and other performance objectives including same property NOI growth, development starts and the value realized from in-process developments. The portion of the 2004 stock rights grants tied to future FFO per share growth is 33% for other senior executive officers. The remaining portion of the stock rights grants for 2004 performance will vest at the rate of 25% per year over four years.

The shares will not be issued until earning and vesting requirements are satisfied. Shares issued upon vesting will be accounted for based on the fair market value of the underlying stock on the date of grant. The number of shares issued upon vesting will be increased as though dividends that would have been paid on these shares, had they been outstanding from the date of the stock rights award, were reinvested annually in Regency common stock.

14

How did Regency perform in 2004?

Based upon the growth in FFO per share of 8.1% in relation to the specific performance objective that was set by the committee, Regency achieved a high level of performance. Other key accomplishments include the following:

Edgar Filing: REGENCY CENTERS CORP - Form DEF 14A

- o 46.2% total shareholder return as compared to our shopping center peer group of 36.7%;
- o an increase in return on equity to 13.7% (including construction in progress), up from 13% for 2003;
- o improved Regency's unsecured debt ratings;
- o a 2.75% growth in same property net operating income, coupled with a 96.1% occupancy rate at December 31, 2004 and a 10.1% rental rate growth;
- o sold developments and outparcels totaling \$236 million, recognizing \$36.4 million in profits net of taxes;
- o completed \$264.2 million in developments with a stabilized NOI yield of 9.6%;
- o \$269.6 million of new development starts;
- o execution of Regency's self-funding capital strategy through property, development and outparcel sales, totaling \$526.7 million.

In accordance with the established performance criteria for the incentive compensation plan, the committee awarded to top management a multiple of 1.5 times the target cash bonus awards and 1.5 times the target long-term incentive award opportunity.

How is the CEO compensated?

As a result of Regency's FFO per share growth and in accordance with the company's incentive compensation plan for the CEO in 2004, Mr. Stein received a cash bonus of \$780,000 and a stock rights award for 15,187 shares. The stock rights award will vest at the rate of 25% per year over four years. Additionally, Mr. Stein received a stock rights award for 22,780 shares that will be earned and vested subject to future FFO per share growth over a four-year period. If the FFO per share growth objectives are not met, the shares will be forfeited. The number of shares issued upon vesting of the stock rights awards will be increased as though dividends that would have been paid on these shares, had they been outstanding from the date of the stock rights award, were reinvested annually in Regency common stock. Mr. Stein continues to serve under a severance and change-in-control agreement. For 2005, Mr. Stein's base compensation was increased to \$550,000.

How is the company addressing Internal Revenue Code limits?

The compensation committee is aware of the limitations imposed by Section 162(m) of the Internal Revenue Code on the deductibility of compensation paid to senior executives named in the compensation table to the

extent it exceeds \$1 million per executive. The law exempts compensation paid under plans that relate compensation to performance. Although Regency's plans are designed to relate compensation to performance, certain elements of the plans do not meet the tax law's requirements, e.g., because they allow the compensation committee to exercise discretion in setting compensation. The compensation committee is of the opinion that it is better to retain discretion

Edgar Filing: REGENCY CENTERS CORP - Form DEF 14A

in determining executive compensation. However, the compensation committee will continue to monitor the requirements of the Internal Revenue Code to determine what actions, if any, should be taken with respect to Section 162(m).

- (2) Consists of the fair market value of stock rights awards in each of the years of grant, based on the trading price of our common stock at the time of grant. The total number and value of stock rights held by the named executives at December 31, 2004 are as follows:

	Stock Rights	Aggregate Value
	-----	-----
Mr. Stein	140,317	\$ 7,773,543
Mrs. Fiala	95,378	\$ 5,283,961
Mr. Johnson	50,545	\$ 2,800,171

In January 2005, we granted stock rights awards for an aggregate of 80,373 shares to the named executive officers based on performance in 2004. Forty percent of these awards vest 25% per year beginning on the first anniversary of the date of grant and the remaining sixty percent vest over four years based upon the FFO per share growth rate each year.

In January 2004, we granted stock rights awards for an aggregate of 94,820 shares to the named executive officers based on performance in 2003. One half of these awards vest 25% per year beginning on the first anniversary of the date of grant and the remaining half cliff vest after eight years, but contain provisions that allow annual accelerated vesting based upon FFO per share growth and total shareholder return in relation to Regency's peers.

In December 2002, we granted stock rights awards for an aggregate of 104,908 shares to the named executive officers. One-third of these awards vest 25% per year beginning on the first anniversary of the date of grant. The remaining two-thirds cliff vest after eight years, but contain provisions that allow annual accelerated vesting based upon FFO per share growth and total shareholder return in relation to Regency's peers. In addition, during 2002 Messrs. Stein and Johnson received stock rights awards for 11,761 shares and 4,988 shares, respectively, which vest one-third per year beginning January 1, 2003 to provide them with the same level of benefit that they would have received for specified forgiveness amounts on stock purchase loans that they repaid in September 2002.

Stock rights awards earn dividend equivalent units at the same rate as dividends paid on the common stock. The executive is entitled to these dividend equivalents under the same vesting schedule as the related restricted stock rights. Executives do not have voting rights on shares subject to stock rights awards until vested.

- (3) All option grants are replenishment options as a result of option exercises during 2004. The exercise prices of stock option grants are equal to fair market value of Regency's common stock on date of grant.

- (1) All option grants are replenishment options as a result of option exercises during 2004. Under the replenishment feature, if the optionee paid the exercise price through the delivery of previously-owned shares of Regency's common stock that the optionee had owned for at least six months and the fair market value of the shares acquired on exercise was at least 20% greater than the option exercise price, the optionee received an additional option to purchase the same number of shares of common stock as the optionee delivered in payment for such exercise. Replenishment options expire on the same date as the original options but have an exercise price equal to the fair market value of the shares surrendered. In December 2004 Regency offered option holders the opportunity to exchange replenishment rights under outstanding options for new options or stock rights awards. As part of this program, in January 2005, each of the named executive officers exchanged all replenishment rights for new options without replenishment rights.

All options earn dividend equivalents units (DEUs) that vest at the same rate as the underlying option. DEU's are credited to the participant's account annually based upon the current dividend rate of Regency common stock less the average dividend rate of the S&P 500. The following table

19

reflects the number and value of shares distributed to the named executive officers for vested DEUs during 2004:

	Vested DEU Shares -----	Taxable DEU Value -----
Mr. Stein	15,010	\$665,694
Ms. Fiala	8,601	\$381,454
Mr. Johnson	5,216	\$231,330

- (2) The estimated present value at grant date of each option granted during 2004 has been calculated using the Black-Scholes option pricing model. The valuation is based upon the following assumptions for options granted during each quarter in 2004:

	March 31, 2004 ----	June 30, 2004 ----	September 30, 2004 ----	December 31, 2004 ----
Estimated time until exercise	2.5 years	2.5 years	2.3 years	2.1 years
Risk-free interest rate	1.8%	2.8%	2.5%	2.9%
Volatility rate	14%	18%	18%	19%
Dividend yield	5.0%	5.3%	4.6%	4.0%

Edgar Filing: REGENCY CENTERS CORP - Form DEF 14A

The approach used in developing the assumptions upon which the Black-Scholes valuation was calculated is consistent with the requirements of Statement of Financial Accounting Standards No. 123, "Accounting for Stock-Based Compensation." The actual value of the options may be significantly different, and the value actually realized, if any, will depend upon the excess of the market value of the common stock over the option exercise price at the time of exercise.

The following table sets forth information concerning the value of unexercised options as of December 31, 2004 held by the executive officers named in the summary compensation table above.

AND OPTION YEAR-END VALUES TABLE

Martin E. Stein, Jr.	778,625	\$ 8,240,975	413,223 (E) / 7,813 (U)	\$ 2,3 \$ 2
Mary Lou Fiala	213,942	\$ 3,113,540	156,091 (E) / 5,433 (U)	\$ 1,3 \$ 1

Severance and Change in Control Agreements. Regency has severance and change-of-control agreements with each of the executive officers named in the summary compensation table. In the event of termination, Mr. Stein and Mrs. Fiala would receive one and a half times their annual compensation and benefits. Mr. Johnson would receive one times his annual compensation and benefits. In the event of a change in control and termination within two years after the change in control, Mr. Stein and Mrs. Fiala would receive three times their annual compensation and benefits and accelerated vesting of unvested long-term incentive compensation. Mr. Johnson would receive two times his annual

20

compensation and benefits along with the same accelerated vesting provisions. As part of the agreements, the named executives are subject to certain restrictive covenants and consulting arrangements. The agreements expire on December 31, 2007 and automatically renew for successive additional five-year terms unless either party gives written notice of non-renewal.

Compensation of Directors. In 2004, Regency paid an annual fee of \$28,000 to each of its non-employee directors, plus \$1,500 for each board meeting attended. Committee chairpersons receive \$3,000 annually. Chairpersons

Edgar Filing: REGENCY CENTERS CORP - Form DEF 14A

of the board committees receive \$1,500 for each committee meeting attended and all other board committee members receive \$1,000 for each board committee meeting attended. Directors' fees are currently paid in cash or shares of common stock.

Non-employee directors also received stock rights awards of 2,000 shares each immediately following the 2004 annual meeting. The stock rights entitle the director to receive dividend equivalent units at the same rate as dividends paid on the common stock. The stock rights and dividend equivalent units vest 25% on each of the first four anniversary dates of the grant.

CERTAIN TRANSACTIONS

The audit committee of the board of directors is responsible for evaluating the appropriateness of all related-party transactions. Disinterested directors must approve related party transactions involving directors or executive officers.

During 2004, insurance services for our properties were provided by Palmer & Cay, for which we paid premiums of approximately \$2,645,488 and administrative fees of \$120,000. Prior to April 2004, Mr. Martin E. Stein Jr.'s brother was a shareholder in and employed by Palmer & Cay. He continues to act as a consultant to Palmer & Cay.

During 2004, the spouse of Mr. Douglas S. Luke provided services to Regency in connection with preparation of its annual report to shareholders for which she was paid \$35,174.

INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The board of directors has selected the firm of KPMG LLP to serve as the independent registered public accountants for Regency for the current fiscal year ending December 31, 2005. That firm has served as the auditors for Regency since 1993. Representatives of KPMG LLP are expected to be present at the annual meeting of shareholders and will be accorded the opportunity to make a statement, if they so desire, and to respond to appropriate questions.

All decisions regarding selection of independent accounting firms and approval of accounting services and fees are made by our audit committee in accordance with the provisions of the Sarbanes-Oxley Act of 2002. There are no exceptions to the policy of securing pre-approval of the audit committee for any service provided by our independent accounting firm.

21

The following table provides information relating to the fees billed to Regency by KPMG LLP for the years ended December 31, 2004 and 2003:

	2004	2003
	----	----
Audit Fees ¹	\$ 1,241,000	\$ 877,986
Audit Related Fees ^{2, 3}	\$ 108,461	\$ 123,002
Tax Fees ^{3, 4}	\$ 36,300	\$ 42,150
All Other Fees	\$ 0	\$ 0

Edgar Filing: REGENCY CENTERS CORP - Form DEF 14A

-
- 1 Audit fees include all fees and out-of-pocket expenses for services in connection with (i) the annual audits and review of quarterly financial statements for Regency and its operating partnership, Regency Centers, L.P., (ii) audits related to management's assessment of internal control over financial reporting and (iii) KPMG LLP's opinion as to effectiveness of internal control over financial reporting.
 - 2 Consists primarily of assistance in documenting internal control policies and procedures over financial reporting and audits of employee benefit plans.
 - 3 The audit committee discussed these services with KPMG LLP and determined that their provision would not impair KPMG LLP's independence.
 - 4 Consists of fees for tax consultation and tax compliance services.

OTHER MATTERS

The board of directors does not know of any other matters to come before the meeting. However, if any other matters properly come before the meeting, it is the intention of the persons designated as proxies to vote in accordance with their best judgment on such matters. If any other matter should come before the meeting, action on such matter will be approved if the number of votes cast in favor of the matter exceeds the number opposed.

SHAREHOLDER PROPOSALS AND COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Regulations of the Securities and Exchange Commission require proxy statements to disclose the date by which shareholder proposals must be received by the company in order to be included in the company's proxy materials for the next annual meeting. In accordance with these regulations, shareholders are hereby notified that if, pursuant to Rule 14a-8, they wish a proposal to be included in Regency's proxy statement and form of proxy relating to the 2006 annual meeting, a written copy of their proposal must be received at Regency's principal executive offices no later than December 1, 2005. Proposals must comply with the proxy rules relating to shareholder proposals in order to be included in Regency's proxy materials. Notice to Regency of a shareholder proposal submitted otherwise than pursuant to Rule 14a-8 will be considered untimely if received by Regency after December 1, 2005. To ensure prompt receipt by Regency, proposals should be sent certified mail, return receipt requested.

Shareholders who wish to communicate with the board of directors or with a particular director may send a letter to the Corporate Secretary at Regency's address set forth on page 1 of this proxy statement. The

22

mailing envelope should contain a clear notation indicating that the enclosed letter is a "Shareholder-Board Communication" or "Shareholder-Director Communication." All such letters should identify the author as a shareholder and clearly state whether the intended recipients are all members of the board or just certain specified individual directors. The Secretary will make copies of all such letters and circulate them to the appropriate director or directors. Shareholders may also communicate with the board of directors or with a particular director by contacting Regency's AlertLine at 1-877-861-6669.

Regency does not have a formal policy requiring directors to attend annual meetings. However, because the annual meeting generally is held on the same day as a regular board meeting, Regency anticipates that directors would attend the annual meeting unless, for some reason, they are unable to

Edgar Filing: REGENCY CENTERS CORP - Form DEF 14A

attend the board meeting on the same date. Nine of ten of Regency's directors at the time attended the 2004 annual meeting.

ANNUAL REPORT

A copy of Regency's annual report for the year ended December 31, 2004 accompanies this proxy statement. Additional copies may be obtained by writing to Diane Ortolano, at Regency's principal executive offices, at the address set forth below.

A copy of Regency's annual report on Form 10-K will be provided, without charge, upon written request addressed to Ms. Ortolano at Regency's principal executive offices at 121 West Forsyth Street, Suite 200, Jacksonville, Florida 32202. Regency's annual report to shareholders and Form 10-K are also available on our website at www.regencycenters.com.

EXPENSES OF SOLICITATION

The cost of soliciting proxies will be borne by Regency. We may reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their expenses for sending proxy material to principals and obtaining their proxies.

Please specify your choices, date, sign and return the enclosed proxy in the enclosed envelope, postage for which has been provided. Your prompt response will be appreciated. If submitting your proxy via the internet please carefully follow the instructions on your proxy card.
