Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in fiscal year.

On January 28, 2016, the Board of Directors of SIFCO (the "Board"), pursuant to its authority under the Company's Amended and Restated Code of Regulations (the "Code"), approved a revised Amended and Restated Code of Regulations effective January 28, 2016 (the "Amended and Restated Code").

The Amended and Restated Code under Article III now provides, that in addition to the default position that the annual meeting of shareholders is to be held in the fourth calendar month following the close of the fiscal year of the Company, the Board may now also set a different date if it determines that it is in the best interests of the Company to do so or that it is otherwise impossible to hold the annual meeting in the fourth calendar month.

Article V was also amended to revise the mechanics in setting the record date. The Amended and Restated Code now provides that the Board may fix a record date that is a date not earlier than the date on which the record date is fixed and is not more than sixty days preceding the date of the annual meeting or dividend, or the receipt or exercise of other such rights. The Code previously provided for a default record date of twenty-eight days prior to a shareholder meeting unless another date was set by the Board by action taken at least thirty-five days before the date fixed for any meeting of the shareholders. The Code also previously provided that the record date could not be less than twelve days prior to the date fixed for a meeting of shareholders.

The foregoing summary of the Amended and Restated Code does not purport to be complete and is qualified in its entirety by reference to the full text of the Amended and Restated Code of Regulations, which is filed with this Report as Exhibit 3.1 and is incorporated herein by reference.
