This Proxy Statement and the enclosed GOLD proxy card are being furnished by Saba Capital Management, L.P. and certain of its affiliates (as identified on Annex I, collectively, “Saba,” “we”, or “us”), and the nominees named in Proposal 1 (the “Nominees” and, together with Saba, the “Participants”), in connection with the solicitation of proxies from the shareholders of Delaware Enhanced Global Dividend and Income Fund, a closed-end Delaware registered investment company (“DEX” or the “Fund”).

## Edgar Filing: Delaware Enhanced Global Dividend & Income Fund - Form PREC14A

As a result of what we believe to be the continued poor investment performance of DEX, its common shares trade at a significant discount to the Fund's net asset value, or "NAV." We believe that this discount, along with what we consider to be perpetual underperformance relative to the market, is attributable to a lack of effective management on the part of the Board of Trustees (the "Board") of DEX. Thus, we believe the Board should consider closing this discount by considering a self-tender of the outstanding common shares of the Fund. We also believe the Board needs fresh ideas and an independent perspective to address DEX's discount, and that the Nominees' election to the Board will send a strong message that DEX's shareholders are not satisfied with the Fund's management and their treatment of shareholders. We are convinced NOW is the time to take action to close the Fund's discount and we urge shareholders to elect our slate of nominees, who, if elected, would serve the best interests of all shareholders.

We are therefore seeking your support at the upcoming 2018 [joint] annual meeting of shareholders (the "Annual Meeting"), to be held on [ \_ ], 2018 at [ \_ ] [ \_ ].M. [ \_ ] Time at the [offices of \_ ], located at [ \_ ], with respect to the following (each, a "Proposal" and, collectively, the "Proposals"):

### Proposal

### Our Recommendation

To elect Saba's slate of eight trustee nominees, Jason Beckett; Jeremy Benkiewicz; Fengyun (Grace) Cao; Stephen J. Flanagan; Paul Kazarian; Thomas H. McGlade; Nitin Sapru and  
1. Pierre Weinstein (the "Nominees"), to serve as trustees on the Board until the 2019 [joint] annual meeting of shareholders and until their respective successors are duly elected and qualified, in opposition to DEX's trustee nominees.

**FOR ALL EIGHT** of  
the Nominees

To request that the Board consider authorizing a self-tender offer for all outstanding shares  
2. of the Fund at or close to net asset value. If more than 50% of the Fund's outstanding shares are submitted for tender, the tender offer should be cancelled and the Board should take the steps necessary to liquidate or convert the Fund into an open-end mutual fund.

**FOR**

To transact any other business that properly comes before the Annual Meeting and any adjournments of the Annual Meeting.

Based on the [Fund's preliminary proxy statement for the Annual Meeting, filed with the Securities and Exchange Commission ("SEC") on [ \_ ], 2018 (the "Fund's Preliminary Proxy Statement")] as well as other public information, the Board is currently comprised of nine trustees. The members of the Board are elected to serve as directors until the next annual meeting of shareholders called for the purpose of electing Trustees and/or until their successors have been elected and qualify for office, and it is our expectation that there will be nine trustees elected at the Annual Meeting.

Through this Proxy Statement and enclosed **GOLD** proxy card, we are soliciting proxies to elect the Nominees to serve as Trustees whose terms will expire at the 2019 annual meeting of shareholders. The names, backgrounds and qualifications of the Fund's nominees, and other information about them, can be found in the Fund's Preliminary Proxy Statement. There is no assurance that any of the Fund's nominees will serve as trustees if any or all of our Nominees are elected.

The Fund has set the record date for determining shareholders entitled to notice of and to vote at the Annual Meeting (the "Record Date") as [ \_ ], 2018. Shareholders of record at the close of business on the Record Date will be entitled to vote at the Annual Meeting. At the close of business on [ \_ ], 2018, there were 15,829,048 common shares of beneficial interest, without a par value ("Common Shares") outstanding according to the Fund's quarterly schedule of investment holdings for the period ended February 28, 2018, filed with the SEC on Form N-Q on April 26, 2018 (the "Quarterly Report"). As of May 22, 2018, the Participants beneficially owned 2,031,918 Common Shares in the aggregate, as further described in Annex I.

We urge you to sign, date and return the **GOLD** proxy card "**FOR ALL**" eight Nominees to the Board and "**FOR**" Proposal 2.

This Proxy Statement and **GOLD** proxy card are first being mailed or given to the Fund's shareholders on or about [ \_ ], 2018.

**This proxy solicitation is being made by Saba and the Nominees, and not on behalf of the Board or management of the Fund or any other third party.** We are not aware of any other matters to be brought before the Annual Meeting other than as described herein. Should other matters be brought before the Annual Meeting, the persons named as proxies in the enclosed **GOLD** proxy card will vote on such matters in their discretion.

**If you have already voted using the Fund's [ \_ ] proxy card, you have every right to change your vote by completing and mailing the enclosed **GOLD** proxy card in the enclosed pre-paid envelope or by voting via Internet or by telephone by following the instructions on the **GOLD** proxy card.** Importantly, only the latest validly executed proxy that you submit will be counted. In addition, any proxy may be revoked at any time prior to its

exercise at the Annual Meeting by following the instructions under “Can I change my vote or revoke my proxy?” in the Questions and Answers section.

**For instructions on how to vote and other information about the proxy materials, see the Questions and Answers section starting on page 11.**

**We urge you to promptly sign, date and return your GOLD proxy card.**

**If you have any questions or require any assistance with voting your shares, please contact our proxy solicitor, InvestorCom, toll free at (877) 972-0090 or collect at (203) 972-9300.**

## REASONS FOR THIS PROXY SOLICITATION

As the largest shareholder of Common Shares of DEX, with ownership of approximately 12.83% of the Common Shares, Saba has nominated a slate of eight highly-qualified Nominees (Proposal 1) and put forth a proposal requesting that the Board consider a self-tender (Proposal 2 to this Proxy) in order to achieve one goal: **increasing shareholder value for all shareholders through closing the discount to net asset value** (the difference between the current price of the Fund and the actual value of the securities held by the Fund). **A reduction in the discount means that the shares of DEX will trade at a higher price.**

As your fellow shareholder, we are seeking to enhance the value of your investment. We believe our actions so far have resulted in increased returns for shareholders of the Fund through a narrowing of discount to NAV.<sup>1</sup>

## Fund Performance

You don't need to look further than the Fund's March 31, 2018 Fact Sheet to see how significantly and consistently DEX has underperformed its stated benchmark.

### 1 Year

TickerFund (at market)	S&P 500	Underperformance to S&P 500
DEX 11.52%	13.98%	-2.46%

### 3 Year

TickerFund (at market)	S&P 500	Underperformance to S&P 500
DEX 26.18%	35.91%	-9.74%

### 5 Year

TickerFund (at market)	S&P 500	Underperformance to S&P 500
DEX 38.14%	86.67%	-48.54%

### Inception to Date (ITD)

TickerFund (at market)	S&P 500	Underperformance to S&P 500
DEX 61.95%	122.83%	-60.88%

As shareholders, we should compare our investments to measurable benchmarks such as the S&P 500, which provides easily-achievable returns through the availability of ETFs. We urge shareholders not to compare the Fund to other underperforming, high fee, poorly managed closed-end funds.

## Discount to NAV and Expense Ratio

DEX has had among the highest fees and the largest discounts in the closed-end fund industry.<sup>2</sup>

3-Year Avg Discount/Premium <sup>3</sup>	Total Expense Ratio
DEX 12.60%	2.38%

If Saba's proposal for tender and nominations fails, we believe it is likely that DEX will return to its historical discount to NAV which could lead to a substantial loss for all investors.

<sup>1</sup> At the time of Saba's Section 13F filing, dated February 15, 2017, the Fund's discount to NAV was 11.14%. As of the date of this filing, the Fund's discount to NAV is approximately [5.16]%. See "Delaware Enhanced Gbl Div & Income," Morningstar, *available at* <http://www.morningstar.com/cefs/xnys/dex/quote.html> ("Morningstar").

<sup>2</sup> See Closed-End Funds Center, Fund Selector, *available at* [www.CEFA.com](http://www.CEFA.com).

<sup>3</sup> See Morningstar.

## DEX Investments’ “Plan”

With knowledge of our shareholder campaign coming, we believe the board of DEX announced a plan to increase the distribution of the Fund to create the perception amongst shareholders that DEX is generating substantial investment income.

The most recent Section 19(a) notice under the Investment Company Act of 1940 (the “1940 Act”) showed that the Fund’s **distribution is not coming from investment income but is rather coming from the Fund paying out capital gains to shareholders.**<sup>4</sup> This means that DEX is not generating the income it is paying out to shareholders and that it is creating a tax bill for all shareholders that may come due when we receive our Form 1099s for 2018. The figures from the Fund’s April 27, 2018 distribution as presented in its most recent Section 19(a) notice are copied below:

### April 27, 2018 Distribution

	Per Share (\$)		%
Net Investment Income	.0338		31.1%
Net Realized Long-Term Capital Gain	.0748		68.9%
Total (per common share)	.1086		100.0%

## Conclusion

We believe that DEX shareholders have suffered the Fund’s persistent discount and underperformance to its benchmark long enough. Now is the time to make a change that we believe will enhance the value of your investment. We urge you to support our proposals by voting the **GOLD** proxy card today, which we believe will allow all shareholders to realize the NAV for your investment. This additional return will immediately offset some of the lagging performance we **ALL** have endured as a result of being an investor in DEX over the past years.

DEX’s Common Shares currently trade at a value significantly less than what the securities held by the Fund are worth. We recommend voting **“FOR ALL”** eight of the highly-qualified Nominees (Proposal 1). Additionally, voting **“FOR”** Proposal 2 for the Board to consider a self-tender could lead to a **higher share price return.**

## **PROPOSAL 1: ELECTION OF TRUSTEES**

According to the [Fund's Preliminary Proxy Statement and other] public information, the Board currently consists of nine trustees, all of whose term as trustee is expiring at the Annual Meeting. We are soliciting proxies to elect the Nominees—Jason Beckett, Jeremy Benkiewicz, Fengyun (Grace) Cao, Stephen J. Flanagan, Paul Kazarian, Thomas H. McGlade, Nitin Sapru and Pierre Weinstein—to serve as trustees with terms expiring at the 2019 annual meeting of shareholders. The Nominees, if all are elected, would constitute eight of nine members of the Board.

Pursuant to the Fund's Amended and Restated Agreement and Declaration of Trust (the "Declaration of Trust") nine trustees are to be elected by the holders of the outstanding Common Shares voting together as a single class. This year, all of the Fund's nominees are to be elected by the holders of the outstanding Common Shares voting together as a single class.

The Participants intend to vote all of their Common Shares in favor of the eight Nominees.

Each of the Nominees, if elected, will serve a one-year term until the 2019 annual meeting of shareholders and until his or her successor has been duly elected and qualified. There is no assurance that any incumbent trustee will serve as a trustee if one or more of the Nominees is elected to the Board. None of the Nominees currently hold, nor at any time has held, any position with the Fund. None of the Nominees oversees any portfolios in the Fund's Fund Complex (as defined in the 1940 Act).

As of the date hereof, the dollar range of the equity securities of the Fund beneficially owned by the Nominees and the aggregate range of equity securities in all funds to be overseen by the Nominees, is as follows:

Name of Nominee	Dollar Range of Equity Securities in the Company	Aggregate Dollar Range of Equity Securities in All Companies to be Overseen by the Nominee in a Family of Investment Companies
Jason Beckett	None	None
Jeremy Benkiewicz	None	None
Fengyun (Grace) Cao	None	None
Stephen J. Flanagan	None	None
Paul Kazarian	None	None
Thomas H. McGlade	None	None
Nitin Sapru	None	None
Pierre Weinstein	None	None

We urge shareholders to vote **FOR ALL** eight of the Nominees on the **GOLD** proxy card.

None of the organizations or corporations referenced above is a parent, subsidiary, or other affiliate of the Fund. We believe that, if elected, each of the Nominees will be considered an independent trustee of the Fund under (i) the NYSE’s Listing Standards (the “Listing Standards”), and (ii) paragraph (a)(1) of Item 407 of Regulation S-K. In addition, we believe that the Nominees are not and will not be “interested persons” of the Fund within the meaning of section 2(a)(19) of the 1940 Act.

Each of the Nominees has entered into a nominee agreement pursuant to which Saba has agreed to pay the costs of soliciting proxies in connection with the Annual Meeting and to defend and indemnify such Nominees against, and with respect to, any losses that may be incurred by them in connection with their nomination as candidates for election to the Board and the solicitation of proxies in support of their election. The Nominees will not receive any compensation from Saba for their services as trustees of the Fund if elected. If elected, the Nominees will be entitled to such compensation from the Fund as is consistent with the Fund’s practices for services of non-employee trustees.

Each of the Nominees has agreed to being nominated as a Nominee in this Proxy Statement and has confirmed his willingness to serve on the Board if elected. We do not expect that any of the Nominees will be unable to stand for election, but, in the event that a Nominee is unable to or for good cause will not serve, the Common Shares represented by the **GOLD** proxy card will be voted for a substitute candidate selected by us. If we determine to add or substitute nominees, whether because the Fund expands the size of the Board subsequent to the date of this Proxy Statement or for any other reason, we will file an amended proxy statement and proxy card that, as applicable, identifies the additional or substitute nominees, discloses that such nominees have consented to being named in the revised proxy statement and to serve if elected, and includes biographical and other information about such nominees required by the rules of the SEC.

***Vote Required.***

According to the Declaration of Trust, trustees must be elected by not less than a plurality of the votes cast of the holders of the shares entitled to vote thereon, meaning that the nine trustee nominees who receive the highest number of shares voted "FOR" their election by the common shareholders will be elected to the Board. A shareholder cannot abstain in the election of trustees and broker non-votes will not be counted.

**We urge you to sign and return our GOLD proxy card.** If you have already voted using the Fund's [ \_ ] proxy card, you have every right to change your vote by completing and mailing the enclosed **GOLD** proxy card in the enclosed pre-paid envelope or by voting via Internet or by telephone by following the instructions on the **GOLD** proxy card. Only the latest validly executed proxy that you submit will be counted; any proxy may be revoked at any time prior to its exercise at the Annual Meeting by following the instructions under "Can I change my vote or revoke my proxy?" If you have any questions or require any assistance with voting your shares, please contact our proxy solicitor, InvestorCom, toll free at (877) 972-0090 or collect at (203) 972-9300.

**We Recommend a Vote FOR ALL EIGHT of the Nominees for election at the Annual Meeting on the GOLD proxy card.**

**PROPOSAL 2: REQUEST THAT THE BOARD CONSIDER A SELF-TENDER FOR ALL OUTSTANDING COMMON SHARES**

A fund's NAV is the total value of a fund's assets minus its liabilities. When compared to an index, it provides investors and company boards with a way to examine whether an adviser is meeting or exceeding benchmark returns.

When funds underperform, investors require: (1) a thoughtful and thorough explanation of management's recent decisions, and (2) the board's plan going forward. The Fund's excessive discount level indicates that the market has lost faith in the Fund's adviser's ability to significantly add to shareholder value. Compounding the problem, the Board has done little to address the adviser's poor performance. Similar to many other recent corporate actions in the closed end fund space, shareholders should have the opportunity to realize a price for their shares close to NAV. Toward that end, Saba believes the Board should consider authorizing a self-tender offer for all outstanding shares of the Fund at or close to NAV.

If a majority of the Fund's outstanding shares are tendered, this would demonstrate that there is insufficient shareholder support for continuing the Fund as a closed-end fund. In that case, the tender offer should be cancelled and the Fund should be liquidated or converted into an open-end mutual fund. The Fund and Board are likely to come up with a litany of arguments against Proposal 2 but the simple fact of the matter is that the Board has not been able to effectively manage the Fund's discount, nor have they taken action to address its adviser's perpetual underperformance.

Accordingly, shareholders are being asked to vote on the following resolution:

BE IT RESOLVED, that the shareholders of Delaware Enhanced Global Dividend & Income Fund (the "Fund"), requests that the Board of Trustees (the "Board") consider authorizing a self-tender offer for all outstanding shares of the Fund at or close to net asset value ("NAV"). If more than 50% of the Fund's outstanding shares are submitted for tender, the tender offer should be cancelled and the Board should take the steps necessary to liquidate or convert the Fund into an open-end mutual fund.

***Vote Required.***

According to the Declaration of Trust, the approval of Proposal 2 requires the affirmative vote of a majority of the outstanding voting securities of the Fund. Under the Declaration of Trust and Subsection 2(a)(42) of the 1940 Act, a "vote of a majority of the outstanding voting securities" means: the vote, at the Annual Meeting, (i) of sixty-seven percent (67%) or more of the voting securities present in person or represented by proxy at such meeting, if the holders of more than fifty percent (50%) of the outstanding voting securities of the Fund are present or represented by proxy; or (ii) of more than fifty percent (50%) of the outstanding voting securities of the Fund, whichever is the less.

Abstentions will be treated as shares that are present and entitled to vote and therefore will count as votes against Proposal 2. Broker non-votes, if any, will be treated as votes present at the Annual Meeting, but will not be treated as votes cast. Accordingly, broker non-votes will not have any effect on the outcome of Proposal 1 and will have the same effect as votes “against” Proposal 2.

**We Recommend a Vote FOR Proposal 2 on the GOLD proxy card.**

## QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

### *Who is entitled to vote?*

Shareholders of record at the close of business on [ \_ ], 2018, are entitled to be present and to vote at the Annual Meeting or any adjournment of the Annual Meeting. Each Common Share of record is entitled to one vote, and each fractional Common Share is entitled to a proportional fractional vote, on each nominee presented at the Meeting on which such shareholder is entitled to vote. All of the nominees will be voted on by holders of the outstanding Common Shares voting together as a single class. Shareholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such Common Shares after the Record Date (unless they also transfer their voting rights).

### *How do I vote my shares?*

**Common Shares held in record name.** If your Common Shares are registered in your own name, please vote today by signing, dating and returning the enclosed **GOLD** proxy card in the postage-paid envelope provided. Execution and delivery of a proxy by a record holder of Common Shares will be presumed to be a proxy with respect to all shares held by such record holder unless the proxy specifies otherwise.

**Common Shares beneficially owned or held in “street” name.** If you hold your Common Shares in “street” name with a broker, bank, dealer, trust company, or other nominee, only that nominee can exercise the right to vote with respect to the Common Shares that you beneficially own through such nominee and only upon receipt of your specific instructions. Accordingly, it is critical that you promptly give instructions to your broker, bank, dealer, trust company, or other nominee to vote in favor of the election of the Nominees. Please follow the instructions to vote provided on the enclosed **GOLD** proxy card. If your broker, bank, dealer, trust company, or other nominee provides for proxy instructions to be delivered to them by telephone or Internet, instructions will be included on the enclosed **GOLD** proxy card. We urge you to confirm in writing your instructions to the person responsible for your account and provide a copy of those instructions by emailing them to [Saba@investor-com.com](mailto:Saba@investor-com.com) or mailing them to Saba Capital Management, L.P., c/o InvestorCom, 65 Locust Ave #302, New Canaan, CT 06840, so that we will be aware of all instructions given and can attempt to ensure that such instructions are followed.

**Note:** Common Shares represented by properly executed **GOLD** proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, “FOR ALL” eight of the Nominees listed in Proposal 1 and “FOR” Proposal 2.

### *How should I vote on the Proposals?*

We recommend that you vote your shares on the **GOLD** proxy card as follows:

**“FOR ALL”** eight Nominees standing for election to the Board named in this Proxy Statement (Proposal 1); and

**“FOR”** the request that the Board consider a self-tender for all outstanding shares of the Fund at or close to net asset value (Proposal 2);

*What vote is needed to approve each proposals?*

**Proposal 1 – Election of Trustees.** According to the Declaration of Trust, the affirmative vote of a plurality of the votes cast in person or represented by proxy and entitled to vote on the election of trustees at the Annual Meeting is required for the election of each trustee nominee (meaning that the nine trustee nominees who receive the highest number of shares voted “FOR” their election by the common or preferred shareholders will be elected to the Board). Broker non-votes will be treated as votes present at the Annual Meeting, but will not be treated as votes cast. Broker non-votes, therefore, will have no effect on Proposal 1.

**THE ONLY WAY TO SUPPORT ALL EIGHT OF THE NOMINEES IS TO SUBMIT YOUR VOTING INSTRUCTIONS “FOR ALL” THE NOMINEES ON THE GOLD PROXY CARD. PLEASE DO NOT SIGN OR RETURN A [ \_ ] PROXY CARD FROM THE TRUST, EVEN IF YOU INSTRUCT TO “ABSTAIN” ON THEIR TRUSTEE NOMINEES. DOING SO WILL REVOKE ANY PREVIOUS VOTING INSTRUCTIONS YOU PROVIDED ON THE GOLD PROXY CARD.**

**Proposal 2.** According to the Declaration of Trust, the approval of Proposal 2 requires the affirmative vote of a majority of the Common Shares present in person or represented by proxy and entitled to vote. A shareholder cannot abstain in the election of trustees and broker non-votes will not be counted. Abstentions and broker non-votes will be included for purposes of determining whether a quorum is present. Abstentions and broker non-votes will be treated as votes present at a Shareholders' meeting, but will not be treated as votes cast. Abstentions and broker non-votes, therefore, will have the same effect as a vote "against" on Proposal 2.

***Can I change my vote or revoke my proxy?***

If you are the shareholder of record, you may change your proxy instructions or revoke your proxy at any time before your proxy is voted at the Annual Meeting. Proxies may be revoked by any of the following actions:

signing, dating and returning the enclosed **GOLD** proxy card (the latest dated proxy is the only one that counts);

delivering a written revocation or a later dated proxy for the Annual Meeting to Saba Capital Management, LP, c/o InvestorCom, 65 Locust Ave #302, New Canaan, CT 06840 or to the secretary of the Fund; or

attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not, by itself, revoke a proxy).

If your shares are held in a brokerage account by a broker, bank, or other nominee, you should follow the instructions provided by your broker, bank, or other nominee. If you attend the Annual Meeting and you beneficially own Common Shares but are not the record owner, your mere attendance at the Annual Meeting WILL NOT be sufficient to revoke your prior given proxy card. You must have written authority from the record owner to vote your shares held in its name at the meeting. Contact InvestorCom toll free at (877) 972-0090 or collect at (203) 972-9300 for assistance or if you have any questions.

**IF YOU HAVE ALREADY VOTED USING THE TRUST'S [ \_ ] PROXY CARD, WE URGE YOU TO REVOKE IT BY FOLLOWING THE INSTRUCTIONS ABOVE.** Although a revocation is effective if delivered to the Fund, we request that either the original or a copy of any revocation be mailed to Saba Capital Management, LP, c/o InvestorCom, 65 Locust Ave #302, New Canaan, CT 06840, so that we will be aware of all revocations.

***Who is making this Proxy Solicitation and who is paying for it?***

The solicitation of proxies pursuant to this proxy solicitation is being made by Saba and the Nominees. Proxies may be solicited by mail, facsimile, telephone, telegraph, Internet, in person or by advertisements. Saba will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. Saba has requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the Common Shares they hold of record. Saba will reimburse these record holders for their reasonable out-of-pocket expenses in so doing. It is anticipated that certain regular employees of Saba will also participate in the solicitation of proxies in support of the Nominees. Such employees will receive no additional compensation if they assist in the solicitation of proxies.

Saba has retained InvestorCom to provide solicitation and advisory services in connection with this solicitation. InvestorCom will be paid a fee not to less than \$[ \_ ] based upon the campaign services provided. In addition, Saba will advance costs and reimburse InvestorCom for reasonable out-of-pocket expenses and will indemnify InvestorCom against certain liabilities and expenses, including certain liabilities under the federal securities laws. InvestorCom will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. It is anticipated that InvestorCom will employ up to [ \_ ] persons to solicit the Fund's shareholders as part of this solicitation. InvestorCom does not believe that any of its owners, managers, officers, employees, affiliates or controlling persons, if any, is a "participant" in this proxy solicitation.

Costs of this proxy solicitation are currently estimated to be approximately \$[ \_ ]. We estimate that through the date hereof, Saba's expenses in connection with the proxy solicitation are approximately \$[ \_ ]. If successful, Saba may seek reimbursement of these costs from the Fund. In the event that Saba decides to seek reimbursement of its expenses, Saba does not intend to submit the matter to a vote of the Fund's shareholders. The Board, which will consist of all eight of the Nominees, if all are elected, and one = incumbent trustee of the Fund, would be required to evaluate the requested reimbursement consistent with their fiduciary duties to the Fund and its shareholders. Costs related to the solicitation of proxies include expenditures for attorneys, public relations and other advisors, solicitors, printing, advertising, postage, transportation, litigation, and other costs incidental to the solicitation.

***Where can I find additional information concerning DEX?***

Pursuant to Rule 14a-5(c) promulgated under the Exchange Act, we have omitted from this Proxy Statement certain disclosure required by applicable law to be included in the Fund's Proxy Statement in connection with the Annual Meeting. Such disclosure includes information regarding securities of the Fund beneficially owned by the Fund's trustees, nominees and management; the Fund's investment manager and administrator; the Audit Committee of the Board; certain shareholders' beneficial ownership of more than 5% of the Fund's voting securities; information concerning executive compensation; and information concerning the procedures for submitting shareholder proposals and trustee nominations intended for consideration at the 2019 annual meeting of shareholders and for consideration for inclusion in the proxy materials for that meeting. If the Fund does not distribute the Fund's Proxy Statement to shareholders at least ten days prior to the Annual Meeting, we will distribute to the shareholders a supplement to this Proxy Statement containing such disclosures at least ten days prior to the Annual Meeting. We take no responsibility for the accuracy or completeness of information contained in the Fund's Proxy Statement. Except as otherwise noted herein, the information in this Proxy Statement concerning the Fund has been taken from or is based upon documents and records on file with the SEC and other publicly available information.

The entities and individuals listed in this paragraph may each be deemed a “Participant” and, collectively, the “Participants.”

As of the close of business on May [ \_ ], 2018, the Participants may be deemed to “beneficially own” (within the meaning of Rule 13d-3 or Rule 16a-1 under the Exchange Act for the purposes of this Annex I), in the aggregate, common shares, no par value of the Fund (the “Common Shares”), representing approximately 12.83% of the Fund’s outstanding Common Shares. The percentages used herein are based upon 15,829,048 Common Shares outstanding as reported in the [Quarterly Report]. Saba Capital may be deemed to beneficially own 2,031,918 Common Shares

As of the date of this Notice, none of the Nominees beneficially owns any Common Shares, nor do any of the Nominees beneficially own any other securities of the Fund.

The principal business of Mr. Weinstein is investment management and serving as the Managing Member of Saba Management and other affiliated entities. The principal business of Saba Capital is to serve as investment manager to various funds that directly hold the Common Shares reported in the aggregate herein (the “Saba Entities”). The principal business of the Saba Entities is to invest in securities.

The principal business address of each of Mr. Weinstein, Saba Capital is 405 Lexington Avenue, 58th Floor, New York, New York 10174.

Each of the Nominees is a citizen of the United States. Information on the principal occupation and business address of each of the Nominees is set forth in PROPOSAL 1: ELECTION OF TRUSTEES on page 5.

Unless otherwise noted as shares held in record name by the Saba Entities, the Common Shares held by the Saba Entities are held in commingled margin accounts, which may extend margin credit to such parties from time to time, subject to applicable federal margin regulations, stock exchange rules and credit policies. In such instances, the

positions held in the margin account are pledged as collateral security for the repayment of debit balances in the account. The margin accounts bear interest at a rate based upon the broker's call rate from time to time in effect. Because other securities are held in the margin accounts, it is not possible to determine the amounts, if any, of margin used to purchase the Common Shares reported herein since margin may have been attributed to such other securities and since margin used is not disclosed on an individual per-security basis.
