ANNUAL MEETING OF STOCKHOLDERS
May 5, 2004

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Tri-County Financial Corporation ("Tri-County Financial" or the "Company") to be used at the Annual Meeting of Stockholders of the Company (the "Annual Meeting"), which will be held in the second floor Board Room at the main office of Community Bank of Tri-County (the "Bank"), 3035 Leonardtown Road, Waldorf, Maryland on Wednesday, May 5, 2004 at 10:00 a.m. The accompanying notice of meeting and this Proxy Statement are being first mailed to stockholders on or about April 5, 2004.

VOTING AND REVOCABILITY OF PROXIES

Stockholders who execute proxies retain the right to revoke them at any time. Unless so revoked, the shares represented by such proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies may be revoked by written notice delivered in person or mailed to the Secretary of the Company at the address shown above, by the filing of a later-dated proxy prior to a vote being taken on a particular proposal at the Annual Meeting or by attending the Annual Meeting and voting in person. The mere presence of a stockholder at the Annual Meeting will not in and of itself revoke such stockholder's proxy.

Proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein. Where no instructions are indicated, proxies will be voted for the nominees for director set forth below and in favor of each of the other proposals set forth in this Proxy Statement for consideration at the Annual Meeting. The proxy confers discretionary authority on the persons named therein to vote with respect to the election of any person as a director where the nominee is unable to serve or for good cause will not serve, and matters incident to the conduct of the Annual Meeting. If any other business is properly presented at the Annual Meeting, proxies will be voted by those named therein in accordance with the determination of a majority of the Board of Directors.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

PROPOSAL I - ELECTION OF DIRECTORS

Tri-County Financial's Board of Directors currently consists of seven members. The Company's Articles of Incorporation provide that directors are to be elected for terms of three years, approximately one-third of whom are to be elected annually.

The Board of Directors has nominated as directors Michael L. Middleton, C. Marie Brown and Louis P. Jenkins, Jr. to serve for an additional three-year term or until their successors are elected and qualified. The Board of Directors has also nominated James R. Shepherd to serve for an one-year term or until his successor is elected and qualified. Director Shepherd was appointed by the Board of Directors as a Director of the Company and the Bank in October 2003 to fill the vacancy created by the resignation of W. Edelen Gough, Jr., as a director of the Company and the Bank. It is intended that the persons named in the proxies solicited by the Board will vote for the election of the named nominees. The Company's Articles of Incorporation provide that stockholders may not cumulate their votes for the election of directors.

If any nominee is unable to serve, the shares represented by all valid proxies will be voted for the election of such substitute as the Board of Directors may recommend. At this time, the Board knows of no reason why any nominee might be unavailable to serve.

Under the Company's Bylaws, directors shall be elected by a majority of those votes cast by stockholders at the Annual Meeting. Votes which are not cast at the Annual Meeting, either because of abstentions or broker non-votes, are not considered in determining the number of votes which have been cast for or against the election of a nominee. Any proxies marked as abstentions or as broker non-votes will, however, be treated as shares present for purposes of determining whether a quorum is present.

The following table sets forth certain information for each nominee and

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors conducts its business through meetings of the Board and through activities of its committees. During fiscal year 2003, the Board of Directors held five meetings. No director of the Company attended fewer than 75% of the total meetings of the Board of Directors and committees on which such Board member served during the period he or she served on the Board, except for director A. Joseph Slater, Jr.

The Company's Audit Committee consists of Directors James R. Shepherd, A. Joseph Slater and Herbert N. Redmond, Jr. The Audit Committee meets with the Company's independent auditors in connection with their annual

audit and reviews the Company's accounting and financial reporting policies and practices. As the Common Stock of the Company trades on the OTC Bulletin Board, the Company is required by the Exchange Act to select the listing standards of either a national securities exchange or the listing standards of the National Association of Securities Dealers, Inc. (the "NASD"), pursuant to which the Board is required to determine and disclose whether the members of the Company's audit committee and nominating committees are "independent". The Company determined to use the listing standards of the NASD. All of the members of the Audit Committee are "independent" as defined in NASD Rule 4200(a)(15) and Section 10A(m)(3) and Rule 10A-3 of the Exchange Act. The Audit Committee met four times during 2003. The amended Audit Committee Charter is attached hereto as Annex A.

The Company's "Nominating Committee" is its Governance Committee and will generally be comprised of all of the directors of the Company who are "independent," as defined by NASD Rule 4200(a)(15), and who are not nominees for a given year's director election. The Governance Committee selects nominees for election as directors. For this year's annual meeting the directors serving on the Governance Committee are: Louis P. Jenkins, Jr., James R. Shepherd, H. Beaman Smith, who is not independent as he is an officer of the Company and the Bank and Michael L. Middleton, ex officio. The Board of Directors has adopted a charter for its nominating committee which is included as Annex B hereto, which will apply to director nominations commencing in 2005.

In its deliberations, the Governance Committee considers a candidate's knowledge of the banking business and involvement in community, business and civic affairs, and also considers whether the candidate would provide for adequate representation of the Company's market area. Any nominee for director made by the Governance Committee must be highly qualified with regard to some or all the attributes listed in the preceding sentence. In searching for qualified director candidates to fill vacancies in the Board, the Governance Committee solicits its then current directors for the names of potential qualified candidates. The Governance Committee may also ask its directors to pursue their own business contacts for the names of potentially qualified candidates. The Governance Committee would then consider the potential pool of director candidates, select the top candidate based on the candidates' qualifications and the Governance Committee's needs, and conduct a thorough investigation of the proposed candidate's background to ensure there is no past history that would cause the candidate not to be qualified to serve as a director of the Company. In the event a stockholder has submitted a proposed nominee, in accordance with the procedures in the Company's Articles of Incorporation, the Governance Committee would consider the proposed nominee, along with any other proposed nominees recommended by individual directors, in the same manner in which the Governance Committee would evaluate nominees for director recommended by the Board of Directors.

The Governance Committee will consider recommendations for directorships submitted by stockholders. Stockholders who wish the Governance Committee to consider their recommendations for nominees for the position of Director should submit their recommendations in writing to the Governance Committee in care of the Secretary, Tri-County Financial Corporation, 3035 Leonardtown Road, Waldorf, Maryland 20601. Each such written recommendation must set forth (i) the name of the recommended candidate, (ii) the number of shares of stock of the Company which are beneficially owned by the stockholder making the recommendation and the recommended candidate, and (iii) a detailed statement explaining why the stockholder believes the recommended candidate should be nominated for election as a director. In addition, the stockholder making such recommendation must promptly provide any other information reasonably requested by the Governance Committee. In order to be considered by the Governance Committee for nomination for election at an annual meeting of stockholders, the recommendation must be

Edgar Filing: TRI COUNTY FINANCIAL CORP /MD/ - Form DEF 14A

received by January 1 preceding that annual meeting. Recommendations by stockholders that are made in accordance with these procedures will receive the same consideration given to other candidates recommended by directors or executive management.

The Company does not have a separate compensation committee. Compensation matters are considered by the full Board of Directors.

BOARD POLICIES REGARDING COMMUNICATIONS WITH THE BOARD OF DIRECTORS AND ATTENDANCE AT ANNUAL MEETINGS

The Board of Directors maintains a process for stockholders to communicate with the Board of Directors. Stockholders wishing to communicate with the Board of Directors should send any communication to Secretary c/o Christy Lombardi, Tri-County Financial Corporation, 3035 Leonardtown Road, Waldorf, Maryland 20601. Any such communication must state the number of shares beneficially owned by the stockholder making the communication. The Secretary will forward such communication to the full Board of Directors or to any individual director or directors to whom the communication is addressed unless the communication is unduly hostile, threatening, illegal or similarly

5

inappropriate, in which case the Secretary has the authority to discard the communication or take appropriate legal action regarding the communication.

The Company does not have a policy regarding Board member attendance at annual meetings of stockholders. All of the Company's directors attended the Company's 2003 annual meeting of stockholders.

DIRECTORS' COMPENSATION

BOARD FEES. Directors of the Company receive fees of \$325 per meeting attended in person and \$225 per telephone meeting. Members of the Bank's Board of Directors currently receive fees of \$425 per meeting attended in person and \$225 per telephone meeting and an annual retainer of \$3,500. Members of the Bank's executive committee receive a fee of \$425 per meeting attended. Members of the Company's Audit Committee receive fees of \$325 per meeting attended in person and \$225 per telephone meeting. If more than one meeting of the Bank, the Company or any subcommittees is held on any given day, the aggregate fees cannot exceed \$900 per day.

STOCK OPTION PLAN FOR NON-EMPLOYEE DIRECTORS. The Company maintains a stock option plan for non-employee directors, adopted by the Board of Directors in December 1995. Under that plan, the Company granted to non-employee directors options to purchase an aggregate of 8,750 shares of the Common Stock during 1995. In October, 1998, the Board of Directors approved an amendment to the plan to reserve an additional 11,000 shares of Common Stock under the plan. Options to purchase all of these 11,000 shares of Common Stock were granted to directors during 1998. On September 25, 2001, the option plan was amended to increase the number of shares of Common Stock reserved thereunder by 9,600 and an option for 3,000 shares of Common Stock was granted to Mr. Smith, an option for 2,400 shares of Common Stock was granted to Mr. Redmond and an option for 600 shares of Common Stock was granted to Mr. Jenkins.

DIRECTOR RETIREMENT PLAN. The Bank's Board of Directors has adopted a retirement plan for members of the Board of Directors of the Bank (the "Directors' Plan"), effective January 1, 1995. Under the Directors' Plan, each non-employee director of the Bank will receive an annual retirement benefit for

Edgar Filing: TRI COUNTY FINANCIAL CORP /MD/ - Form DEF 14A

ten years following his termination of service on the Bank's Board in an amount equal to the product of his "Benefit Percentage," his "Vested Percentage," and \$3,500. A participant's "Benefit Percentage" is based on his overall years of service as a non-employee director of the Bank, and increases in increments of 33-1/3% from 0% for less than five years of service, to 33-1/3% for five to nine years of service, to 66-2/3% for 10 to 14 years of service, and to 100% for 15 or more years of service. A participant's "Vested Percentage" equals 33-1/3% if the participant was serving on the Board on January 1, 1995 (the "Effective Date"), increases to 66-2/3% if the participant completes one year of service after the Effective Date, and becomes 100% if the participant completes a second year of service after the Effective Date. However, in the event a participant retires from service on the Board due to "disability" (as determined by the Board of Directors of the Bank) or for any reason after attaining age 65, the participant's Vested Percentage will become 100% regardless of his years of service. A participant's vested percentage will also become 100% in the event of a "change in control" (as defined in the Directors' Plan). If a participant terminates service on the Board due to disability, the Bank will pay the participant each year for ten years an amount equal to the product of his Benefit Percentage and \$3,500. The Directors' Plan also provides death benefits to a participant's surviving spouse under certain conditions.

The Directors' Plan also establishes a deferred compensation program for members of the Board of Directors of the Bank. Under the Directors' Plan, directors of the Bank may elect to defer all or any portion of the fees and/or salary otherwise payable to him or her in cash for any calendar year in which the Directors' Plan is in effect. Deferred amounts will be credited to a bookkeeping account in the participant's name, which will also be credited annually with the greater of: (1) the investment return which would have resulted if such deferred amounts had been invested in savings accounts having a return equal to the highest interest rate which the Bank pays on certificates of deposit, which rate is adjusted on each January 1st; or (2) the consolidated return on equity of the Company for the calendar year as determined under generally accepted accounting principles. Participants may determine the time and form of benefit payments and may cease future deferrals any time. Changes in participant elections generally become effective only as of the following January 1st, except that (i) elections designating a beneficiary or ceasing future contributions will be given immediate effect, and (ii) participants may change elections as to the timing or form of distributions only with respect to subsequently deferred compensation.

- (1) Represents bonuses paid pursuant to the Bank's Executive Incentive Compensation Plan (the "Incentive Plan"). For each year in which the Incentive Plan is in effect, the Bank establishes a bonus pool equal to 10% of net income after taxes (but before deduction of bonuses payable under the Incentive Plan) multiplied by the "Multiplier," as determined in accordance with the Incentive Plan. For fiscal 2003, the Multiplier was the average of (i) the percentage obtained when the Company's return on equity ("ROE") is divided by the median ROE of a peer group comprised of commercial banks in the fifth Federal Reserve district, plus (ii) the percentage obtained when the median percentage of noncurrent to gross loans of the peer group is divided by the percentage of the Bank's noncurrent to gross loans; provided that the Multiplier shall not exceed 1.0. The bonus pool is allocated among officers in proportion to the ratio a designated percentage of their base salary (the "Allocation Base") bears to the total Allocation Bases of all participating officers. In addition, stock options whose value as measured by the Black-Scholes method is equal to 50% of cash compensation will be awarded. Measures of performance may be adjusted at the discretion of the Board of Directors. For fiscal 2004 and thereafter, the Incentive Plan was amended on December 23, 2003, in two respects. First, a third component was added to the Multiplier formula, with the result that all three components will be averaged to determine the Multiplier. The new component is the percentage obtained when the percentage increase in the Company's earnings-per-share from the previous year ("EPS Increase") is divided by the targeted EPS Increase for the year established by the Board. In no event will this third component exceed 150%, and it will be deemed to be 0% if the percentage, as so computed, is less than 50%. The second aspect of the amendment relates to the manner in which the number of each participant's stock option shares will be determined. The number of stock option shares will be determined such that the value of the participant's stock option, as measured by the Company for purposes of compliance with the reporting requirements of FASB Statement No. 123, is equal to 50% of the bonus to which the participant is entitled under the Incentive Plan.

EMPLOYMENT AGREEMENTS. The Bank maintains an employment agreement with Michael L. Middleton which was last amended and restated effective September 6, 2003. The employment agreement currently provides for an annual salary of \$188,000. The agreement provides for Mr. Middleton's employment for a period of five years, subject to annual one-year extensions. The agreement provides for termination for cause or upon certain events specified in the agreement. The agreement is also terminable by the Bank without cause, in which case Mr. Middleton would be entitled to compensation as in effect on the date of termination up to the expiration date of the agreement payable in a lump sum or in periodic payments (at the option of Mr. Middleton), plus full life, health, disability and other benefits as in effect on the date of termination up to the expiration date of the agreement. If following a change in control of the Company or the Bank, as defined in the agreement (i) Mr. Middleton voluntarily terminates his employment for any reason within the 30 day period beginning on the date of a change of control, (ii) Mr. Middleton voluntarily terminates employment within 90 days of an event that occurs during the period which begins on the date six months before a change of control and ends on the later of the second anniversary of the change of control or the expiration of the employment agreement, and which event constitutes good reason, as defined in the employment agreement, or (iii) the Bank terminates Mr. Middleton's employment for any reason other than for just cause, as defined in the agreement, then Mr. Middleton shall be entitled to receive an amount equal to 2.99 times the average annual compensation payable by the Bank and includable in Mr. Middleton's gross income for the most recent five taxable years. In addition, Mr. Middleton would be entitled to be reimbursed for excise taxes imposed on any "excess parachute payments," as defined in Section 280G of the Internal Revenue Code of 1986, made under the employment agreement and under any other

8

plans, programs or agreements (such as the Salary Continuation Agreement described below), as well as any additional excise and income taxes imposed as a result of such reimbursement. A change of control refers to certain enumerated events, including the acquisition of ownership of 25% or more of the Bank's or Company's Common Stock by any person or group. The agreement provides, among other things, for annual review of compensation, for participation in an equitable manner in any stock option plan or incentive plan to the extent authorized by the Bank's Board of Directors for its key management employees and for participation in pension, group life insurance, medical coverage and in other employee benefits applicable to executive personnel.

The Bank maintains similar employment agreements with C. Marie Brown, Executive Vice President and Chief Operating Officer, Gregory C. Cockerham, Executive Vice President and Chief Lending Officer, and William J. Pasenelli, Executive Vice President and Chief Financial Officer, respectively, except that those agreements do not include any provision for an excess parachute payment tax reimbursement. Ms. Brown's agreement provides for a current annual salary of \$135,000, Mr. Cockerham's agreement provides for a current annual salary of \$125,000 and Mr. Pasenelli's provides for a current annual salary of \$120,000. Each agreement has a three-year term with provision for extension for an additional year annually if determined by the Board. Each agreement provides for a change in control payment equal to 2.00 times the officer's five-year average annual compensation in circumstances similar to those in which Mr. Middleton would receive a change in control payment. The aggregate payments that would be made to Mr. Middleton, Ms. Brown, Mr. Cockerham and Mr. Pasenelli assuming the termination of their employment under the foregoing circumstances at December 31, 2003 would have been approximately \$776,707, \$333,675, \$304,877 and \$246,308, respectively.

SALARY CONTINUATION AGREEMENTS. The Bank and Mr. Middleton entered into a Salary Continuation Agreement effective as of September 6, 2003. The Bank is

presently funding it's obligations to Mr. Middleton pursuant to the Salary Continuation Agreement through a life insurance policy on his life which the Bank owns and with respect to which it is the sole death beneficiary. Pursuant to his Salary Continuation Agreement, if Mr. Middleton terminates employment with the Bank on or after his 62nd birthday, or within 24 months subsequent to a change in control (as defined in his Employment Agreement), or terminates employment on account of disability, he will be entitled to receive a pension from the Bank in the amount of \$10,671 per month for 180 months commencing on the his 65th birthday (or his termination of employment, if later). If Mr. Middleton's employment is terminated for reasons other than disability prior to his 62nd birthday, the monthly amount payable to him for 180 months commencing on his 65th birthday will be \$10,671 multiplied by a fraction, the numerator of which is the number of years of service completed by Mr. Middleton at the time of his termination of employment, and the denominator of which is the number of years of service he would have completed had he remained employed with the Bank until his 62nd birthday. Mr. Middleton may elect that his pension shall commence immediately following termination of employment prior to his 65th birthday, provided that he make such election at least 13 months prior to his termination of employment. If Mr. Middleton makes such election, his pension will be reduced on the basis of an interest factor equal to the five-year Treasury Constant Maturity Rate (but not greater than 6% annually). If Mr. Middleton dies while an employee of the Bank, or after termination of employment, but before the date on which his pension would have become payable, his designated beneficiary shall receive a survivor's pension of \$10,671 per month for 180 months commencing as of the first day of the month following the date of death. If Mr. Middleton dies after payment of his pension has commenced, his designated beneficiary shall receive the balance of the 180 monthly payments. Mr. Middleton shall forfeit his entitlement to all benefits under the Salary Continuation Agreement if his employment with the Bank is terminated for cause as specified in his Employment Agreement described above. In addition, Mr. Middleton would be entitled to be reimbursed for excise taxes imposed on any "excess parachute payments," as defined in Section 280G of the Internal Revenue Code of 1986, made under the Salary Continuation Agreement and under any other plans, programs or agreements (such as the Employment Agreement described above), as well as any additional excise and income taxes imposed as a result of such reimbursement.

The Bank entered into similar Salary Continuation Agreements with C. Marie Brown, Gregory C. Cockerham, and William J. Pasenelli as of September 6, 2003. Their Salary Continuation Agreements are identical to Mr. Middleton's Salary Continuation Agreement, except (i) the full monthly benefit for C. Marie Brown, Gregory C. Cockerham and William J. Pasenelli is \$3,627, \$6,020 and \$6,176, respectively; (ii) the full monthly benefit is payable if termination of employment occurs on or after age 65, on account of disability, or within 12 months subsequent to a change in control; and (iii) they do not include any provision for an excess parachute payment tax reimbursement.

9

The Company has entered into Guaranty Agreements with each of Mr. Middleton, Ms. Brown, Mr. Cockerham and Mr. Pasenelli pursuant to which it has agreed to be jointly and severally liable for amounts payable under their employment agreements.

TRANSACTIONS WITH THE COMPANY AND THE BANK

These loans are made in the ordinary course of business and upon substantially the same terms, including collateral, interest rate and

Edgar Filing: TRI COUNTY FINANCIAL CORP /MD/ - Form DEF 14A

origination fees, as those prevailing at the time for comparable transactions, and do not involve more than the normal risk of collectibility or present any unfavorable features.
