FOR IMMEDIATE RELEASE

THE LEATHER FACTORY REPORTS 1ST QUARTER 2003 RESULTS

FORT WORTH, TEXAS - The Leather Factory, Inc. (AMEX: TLF) today reported results for the first quarter of 2003. Net income for the quarter ended March 31, 2003 was \$774,518 or \$0.07 per share (diluted), compared to a net loss of \$(3,249,526) or \$(0.30) per share (diluted) for the quarter ended March 31, 2002. Net income for the first quarter of 2002 before the cumulative effect of the change in accounting principle was \$759,305 or \$0.07 per share (diluted). (See the attached Consolidated Statements of Operations.) The accounting change resulted from the write-down of goodwill in accordance with SFAS No. 142.

Net sales for the quarter ended March 31, 2003 were \$10,560,085, up 3.5% over net sales of \$10,203,951 in the first quarter of last year. Leather Factory operations accounted for the increase while Tandy Leather and Roberts, Cushman sales were virtually flat. Comparable store sales in the first quarter of 2003 (29 Leather Factory and 2 Tandy Leather stores) increased \$509,000 or 6% over the first quarter of 2002. Also, sales were fueled by the addition of 18 new stores (1 Leather Factory and 17 Tandy Leather) during the last 12 months.

Wray Thompson, Chairman and Chief Executive Officer, commented, "We're pleased with the sales gains from our comparable stores. Despite an overall weak retail environment, a 6% gain in that category is solid. The severe winter storms in February hurt us some as several of our new Tandy Leather stores are located in the Northeast. Overall however, the Tandy Leather stores are producing good results as they tend to operate very efficiently and produce profits quickly."
