Cautionary Statement Regarding Forward-Looking Statements

Certain statements contained in "Management's Discussion and Analysis of Results of Operations and Financial Condition" and elsewhere in this Annual Report on Form 10-K, that are not related to historical results, are forward-looking statements, such as anticipated liquidity and capital resources, completion of potential acquisitions and collectibility of mortgage notes receivable. The matters referred to in forward-looking statements are based on assumptions and expectations of future events which may not prove to be accurate and which could be affected by the risks and uncertainties involved in the Company's business many of which cannot be predicted with accuracy and some of which might not even be anticipated. Prospective investors are cautioned that any such statements are not guarantees of future performance and that actual results may differ materially from those projected and implied in the forward-looking statements. These risks and uncertainties include, but are not limited to, the burden of the Company's substantial debt obligations; the risk that the Company may not be able to refinance its debt obligations on reasonable terms, if at all; the highly competitive nature of the real estate leasing market; adverse changes in the real estate markets including, among other things, competition with other companies; general economic and business conditions, which will, among other things, affect demand for retail space or retail goods, availability and creditworthiness of prospective tenants and lease rents; financial condition and bankruptcy of tenants, including disaffirmance of leases by bankrupt tenants; the availability and terms of debt and equity financing; risks of real estate acquisition, expansion and renovation; construction and lease-up delays; the level and volatility of interest rates; governmental actions and initiatives; environmental/safety requirements; as well as certain other risks described in this Form 10-K. Subsequent written and oral forward-looking statements attributable to us or persons acting on our behalf are expressly qualified in their entirety by cautionary statements in this paragraph and elsewhere described in this Form 10-K and in other reports we filed with Securities and Exchange Commission.
