**AUSTINS GROUP RESPONDS TO COMPANY PRESS RELEASE**

**Group Continues With Written Consent Solicitation to Change Direction of Company**

CHARLOTTE, NC (SEPTEMBER 9, 2002) Charles W. Mantooth, G. Thomas Cliett, Titus W. Greene and Thomas M. Hontzas (collectively the "Austins Group"), as concerned stockholders of Austins Steaks & Saloon, Inc. (OTC Bulletin Board: STAK), are seeking to replace most of the current members of Austins' board of directors. Together, the Austins Group owns over 23% of Austins' common stock and is gravely concerned with the financial performance and stock price of Austins over the last several years.

The Austins Group is issuing this press release to correct and clarify what the group believes is a false and misleading press release issued by the company. The Austins Group believes that the company issued a false and misleading press release to confuse Austins stockholders in an effort to discourage stockholders from voting in favor of the Austins Group to change the direction of Austins by removing most of the existing Board of Directors.

The Austins Group did initially request that the company call a special meeting of the stockholders. However, the company informed the Austins Group that it **WOULD NOT CONSIDER** the request for a special meeting until after a proposed September 10, 2002 meeting between the Board of Directors and the Austins Group. At the time, the Austins Group had already initiated its effort to replace the Board with a written consent process. Without any assurances that the company would ultimately call a special meeting, the Austins Group decided to continue moving their contest forward by filing revised consent materials with the SEC.

After the Austins Group refiled with the SEC, inexplicably and contrary to prior statements by the company, the Austins Group was notified that a special meeting of stockholders had been called. After considering its progress in moving the solicitation process forward, as well as the company's credibility, the Austins Group decided to proceed with the original plan to seek only written consents from stockholders.

"The company's management seems to be confused about how to go about the process in a fair and good faith manner, so stockholders may well have doubts about current management's ability to operate the Company in a good faith manner" said a member of the Austins Group. "It appears that senior management is afraid that stockholders may finally hold them accountable for our company's current financial condition and stock price."

Stockholders of Austins should be aware that the Austins Group intends to vigorously seek the written consents of stockholders for its proposals to replace most of the existing Board of Directors of the company. Based on conversations with Austins stockholders so far, the Austins Group is more confident than ever that the company's stockholders desire a change that will reverse Austins' declining financial performance and stock price.

Stockholders should receive the Austins Group Written Consent Solicitation in the near future. **YOU ARE URGED TO CAREFULLY READ THAT DOCUMENT AND GIVE YOUR CONSENT TO EACH OF THE PROPOSALS CONTAINED THEREIN BY EXECUTING THE GOLD CONSENT CARD.** The existing Board of Directors may also send you solicitation materials from time to time. We strongly urge you to ignore the Board's efforts to stay the current course.
