**Section 3 – Securities and Trading Markets****Item 3.02 Unregistered Sales of Equity Securities.**

On May 31, 2007, certain holders of CryoLife, Inc. (the “Company”) 6% Convertible Preferred Stock ( “Preferred Stock”) gave notice of conversion of 20,000 shares of Preferred Stock into 124,378 shares of the Company’s common stock. The 20,000 shares of Preferred Stock were retired upon completion of the conversion. Each share of the Company’s Preferred Stock is convertible into 6.2189 shares of the Company’s common stock. The terms of the Preferred Stock also provide that if a conversion occurs before April 1, 2008, the Company will make a payment equal to the full amount of dividends that would have accrued and become payable up through and including April 1, 2008 (the “Make-Whole Dividend”). Because the Preferred Stock accrues dividends at a rate of 6% per annum on the \$50 per share liquidation preference of the Preferred Stock, and four quarterly payments remain until April 1, 2008, the Make-Whole Dividend is equal to \$3.00 per share of Preferred Stock. The Company was entitled to pay the Make-Whole Dividend in shares of Company common stock, which were valued at \$13.50 per share. Accordingly, the Company issued 4,444 shares of common stock as a Make-Whole Dividend in connection with the conversion of the 20,000 shares of Preferred Stock.

Upon the conversion of the 20,000 shares of Preferred Stock, in excess of one percent of the outstanding shares of the Company’s common stock have been issued pursuant to conversions of Preferred Stock since the date of the Company’s last Form 10-Q. This conversion and the other conversions of the Preferred Stock that have occurred since the Company’s last Form 10-Q are set forth below:

| Date of Conversion | Preferred Stock Converted | Common Stock Issued Upon Conversion | Make-Whole Dividend Issued in Common Stock | Price per Share used to Determine Make-Whole Dividend Payment |
|--------------------|---------------------------|-------------------------------------|--|---|
| 5/10/2007          | 24,900 shares             | 154,850 shares                      | 8,285 shares                               | \$9.02  |
| 5/16/2007          | 2,000 shares              | 12,437 shares                       | 493 shares                                 | \$12.16   |
| 5/31/2007          | 20,000 shares             | 124,378 shares                      | 4,444 shares                               | \$13.50   |
| Total              | 46,900 shares             | 291,665 shares                      | 13,222 shares                              |   |

The Preferred Stock submitted for conversion was immediately retired.

All shares of common stock were issued pursuant to the exemption contained in Section 3(a)(9) of the Securities Act of 1933, as amended, in that they were exchanged by the Company with its existing security holders exclusively where no commission or other remuneration was paid or given directly or indirectly for soliciting the exchange.
