To Our Shareholders:

You are cordially invited to attend a Special Meeting of Shareholders ParkerVision, Inc. to be held at 10:00 a.m. Eastern Time on October 30, 2018. For your convenience, you may attend the Special Meeting online at [www.virtualshareholdermeeting.com/PRKR2018SM](http://www.virtualshareholdermeeting.com/PRKR2018SM) or in person at 7915 Baymeadows Way, Jacksonville, Florida, 32256.

#### Proposed Increase in Authorized Common Shares

As a shareholder, you are being asked to approve an amendment to our amended and restated articles of incorporation to increase the number of authorized shares of common stock from 40,000,000 to 75,000,000 shares. Directors and officers of the Company will be present at the meeting to respond to any questions shareholders may have.

#### Reasons for the Proposed Share Increase

On September 10, 2018 and September 19, 2018, we consummated the sale of an aggregate of \$900,000 and \$425,000, respectively, in convertible 5-year promissory notes which are convertible, at the option of the holders, into shares of our common stock at a fixed conversion price of \$0.40 and \$0.57 per share, respectively (collectively, the “Notes”). Conversion of the Notes in full would result in the issuance of an aggregate of 2,995,614 shares of common stock, which exceeds the shares of our common stock available for issuance. We have currently reserved 1,100,000 shares of our common stock for conversion of the Notes. Under the securities purchase agreements with the holders of the Notes, our Board has agreed to use commercially reasonable efforts to amend our articles of incorporation to increase the number of authorized shares of common stock by at least that number of shares of common stock as equals the outstanding principal balance of the Notes divided by the conversion price. In addition, we may consummate the sale of additional convertible promissory notes (“Additional Notes”) in the near term. We expect that any Additional Notes will have substantially the same terms as the Notes we consummated in September, except for the conversion price, maturity date, and interest payment dates.

Approval of the proposed increase in authorized common shares will enable us to reserve a sufficient number of shares of common stock under the Notes and Additional Notes that we may sell, while retaining flexibility to respond to future business needs and opportunities as they arise. The vote required to approve the proposed amendment to our articles of incorporation is the affirmative vote of a majority of the votes cast at the Special Meeting.
