Item 2.01 Completion of Acquisition or Disposition of Assets.

On July 1, 2015, Integra LifeSciences Holdings Corporation (“Integra” or the “Company”) completed the previously announced separation (the “Separation”) of SeaSpine Holdings Corporation (“SeaSpine”) from the Company. SeaSpine was formed to operate the Company’s business of developing, marketing and selling spinal fusion hardware and orthobiologics. The Separation was completed via a tax-free dividend involving the distribution on July 1, 2015 (the “Distribution Date”) of all of the outstanding shares of SeaSpine common stock to holders of record of the Company’s common stock as of 5:00 p.m., Eastern Time, on June 19, 2015 (the “Record Date”). On the Distribution Date, the Company distributed to its stockholders as of the Record Date one share of SeaSpine common stock for every three shares of the Company’s common stock held by such holders (the “Distribution”). As a result of the Distribution, SeaSpine is now an independent public company trading under the symbol “SPNE” on the NASDAQ Global Select Market.

Following the Distribution, the Company does not own any shares of SeaSpine common stock and the Company will no longer consolidate SeaSpine in its financial results. The Company’s unaudited pro forma financial information giving effect to the Distribution and related transactions is attached as Exhibit 99.1.

Item 8.01 Other Events.

On July 1, 2015, the Company issued a press release announcing the completion of the Separation. The full text of Integra’s press release is attached as Exhibit 99.2 to this Form 8-K and is incorporated herein by reference.
