We are distributing our proxy materials to shareholders via the U.S. Securities and Exchange Commission "Notice and Access" rules. We believe this approach allows us to provide shareholders with a timely and convenient way to receive proxy materials and vote, while lowering the costs of delivery and reducing the environmental impact of our Annual Meeting. We are mailing to our shareholders a Notice of Internet Availability of Proxy Materials (the "Notice of Internet Availability") beginning on or about March 16, 2018, rather than paper copies of the Proxy Statement, the proxy card and our 2017 Annual Report, which includes our annual report on Form 10-K for the fiscal year ended December 31, 2017. The Notice of Internet Availability contains instructions on how to access the proxy materials, vote and obtain, if desired, a paper copy of the proxy materials.

It is important that your shares be represented and voted at the Annual Meeting. Whether or not you expect to be present at the Annual Meeting, after receiving the Notice of Internet Availability, please vote as promptly as possible to ensure your representation and the presence of a quorum at the Annual Meeting. PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD APRIL 26, 2018

(the “Company”) of proxies to be voted at the Company’s 2018 Annual Meeting of Shareholders (the “Annual Meeting”) to be held on April 26, 2018, and at any postponement or adjournment of the Annual Meeting.

You are cordially invited to attend the Annual Meeting, which will begin at 9:30 a.m. local time. The Annual Meeting will be held at The Farmhouse at The Grand Colonial, 86 Route 173 West, Perryville (Hampton), New Jersey (908-735-7889). Shareholders will be admitted beginning at 9:15 a.m. local time. This proxy statement will first be available online on or about March 16, 2018, to shareholders.

PROXIES AND VOTING PROCEDURES

Who Can Vote?

You are entitled to vote at the Annual Meeting all shares of the Company’s Common Stock, no par value per share (the “Common Stock”), that you held as of the close of business on the record date. Each share of Common Stock is entitled to one vote with respect to each matter properly brought before the Annual Meeting.

On February 28, 2017, there were 10,497,869 shares of Common Stock outstanding.

In accordance with New Jersey law, a list of shareholders entitled to vote at the meeting will be available at the Annual Meeting.

Who Is a Record Holder?

You may own Common Stock either (1) directly in your name, in which case you are the record holder of such shares, or (2) indirectly through a broker, bank or other nominee, in which case such nominee is the record holder.

If your shares of Common Stock are registered directly in your name, the Company is sending the Notice of Internet Availability directly to you. If the record holder of your shares of Common Stock is a nominee, you will receive proxy materials from such record holder.

How Do I Vote?

Record Holders:

Online. Please follow the instructions included in the Notice of Internet Availability.

By Attending the Annual Meeting. If you attend the Annual Meeting, you can vote your shares of Common Stock in person.

Completed Proxy Card. If you requested paper copies of the proxy materials, you may complete, date, sign and return the proxy card that is mailed to you.

Stock Held by Brokers, Banks and Nominees:

If your Common Stock is held by a broker, bank or other nominee, you will receive instructions from them that you must follow in order to have your shares voted.

If you plan to attend the Annual Meeting and vote in person, you will need to contact the broker, bank or other nominee to obtain evidence of your ownership of Common Stock on March 9, 2018.

The method by which you vote will in no way limit your right to vote at the Annual Meeting if you later decide to attend in person.

How Many Votes Are Required?

A quorum is required to transact business at the Annual Meeting. The Company will have a quorum and be able to conduct the business of the Annual Meeting if the holders of a majority of the shares of Common Stock entitled to vote are present at the Annual Meeting, either in person or by proxy.

If a quorum is present, Directors will be elected by a plurality of votes cast at the Annual Meeting. Thus, a Director may be elected even if the Director receives less than a majority of the shares of Common Stock represented at the Annual Meeting. Approval of each of the other proposals requires the vote of a majority of those shares voting at the Annual Meeting.

How Are Votes Counted?

All shares that have been properly voted, and not revoked, will be voted at the Annual Meeting in accordance with the instructions given. If you sign and return your proxy card, but do not specify how you wish your shares to be voted, your shares represented by that proxy will be voted "FOR" each of the proposals listed in the notice of meeting and as recommended by the Board of Directors on any other business to be conducted at the Annual Meeting. The Board is not aware of any other business to be conducted at the Annual Meeting.

Proxies marked as abstaining, and any proxies returned by brokers as "non-votes" on behalf of shares held in street name because beneficial owners' discretion has been withheld as to one or more matters to be acted upon at the Annual Meeting, will be treated as present for purposes of determining whether a quorum is present at the Annual Meeting. However, any shares not voted as a result of a marked abstention or a broker non-vote will not be counted as votes for or against a particular matter. Accordingly, marked abstentions and broker non-votes will have no effect on the outcome of a vote.

How Does the Board Recommend that I Vote My Shares?

Unless you give other instructions on your proxy card, the persons named as proxies on the card will vote in accordance with the recommendations of the Board of Directors. The Board's recommendation is set forth together with the description of each item in this Proxy Statement. In summary, the Board recommends a vote:

FOR the election of nominees for Director to serve on the Board of Directors;
FOR ratification of RSM US LLP as the Company's independent external auditors; and
FOR approval of the Company's executive compensation.

How Can I Revoke My Proxy or Change My Vote?

You can revoke your proxy at any time before it is exercised by following the voting instructions included in the Notice of Internet Availability. The latest vote cast will control.

Who Will Pay the Expenses of Proxy Distribution?

The Company will pay the expenses of the preparation of proxy materials and the solicitation of proxies. Proxies may be solicited on behalf of the Company by Directors, officers or employees of the Company, who will receive no additional compensation for soliciting, in person or by telephone, e-mail, facsimile or other electronic means. In accordance with the regulations of the Securities and Exchange Commission (“SEC”) and the Financial Industry Regulatory Authority (“FINRA”), the Company will reimburse brokerage firms and other custodians, nominees and fiduciaries for their expenses incurred in sending proxies and proxy materials to beneficial owners of Common Stock.

PROPOSAL 1 - ELECTION OF DIRECTORS

In accordance with the Certificate of Incorporation and the Bylaws of the Company, the Board of Directors must consist of not less than one (1) and not more than sixteen (16) Directors. The Board of Directors of the Company currently has eleven (11) members. The Board of Directors is divided into three classes.

Three (3) Directors will be elected at this Annual Meeting to serve for three-year terms expiring at the Company's Annual Meeting in 2021 and until their successors are duly elected and qualified. All nominees are current members of the Company's Board of Directors.

The following tables set forth, as of the record date, the names of the nominees and the names of those Directors whose terms continue beyond the Annual Meeting, their ages, a brief description of their recent business experience, including present occupations and employment, certain Directorships held by each, the year in which each became a Director of the Company and the year in which their terms (or in the case of the nominees, their proposed terms) as Director of the Company expire.

The persons named as proxy will vote your proxy "FOR" the election of each of the nominees named below unless you indicate that your vote should be withheld. If elected, each nominee will continue in office until his/her successor has been duly elected and qualified, or until the earliest of death, resignation, retirement or removal. Each of the nominees has indicated to the Company that he or she will serve if elected. The Company does not anticipate that any of the nominees will be unable to stand for election, but if that happens, your proxy will be voted in favor of another person nominated by the Board.

The Board of Directors has nominated and recommends a vote "FOR" the election of Dr. Mark S. Brody, Raj Patel and Donald E. Souders, Jr.

GOVERNANCE OF THE COMPANY

Meetings of the Board of Directors and Committee Meetings

meetings of the Committees of the Board of Directors on which such Director served. The Company's policy is to require all Directors to attend Annual Meetings of Shareholders absent extenuating circumstances. All of the Company's Directors attended the Company's 2017 Annual Meeting of Shareholders.

The Board of Directors has the following five standing committees: Audit, Human Resources/Compensation, Executive Loan, Corporate Governance and Nominating and Risk Management. The following table represents the membership on each committee as of the date of this Proxy statement:

Name	Audit	Human Resources/Compensation	Executive Loan	Corporate Governance and Nominating	Risk Management

Diversity

Diversity in knowledge, skills and experience is considered by the Board of Directors when evaluating nominees. From time to time, the Corporate Governance and Nominating Committee may develop specific additional selection criteria for Board membership, taking into consideration current Board composition and ensuring that the appropriate knowledge, skills and experience are represented.

Board Leadership

Historically, the Company has separated the positions of CEO and Board Chairman, with the Board Chairman's position being filled by a non-employee member of the Board. The Board believes that this structure has been the most appropriate for the Company because it provides the Board with an additional diversity of views on managing the Company and provides the Board with greater independent leadership.

Director Independence

The Board of Directors has determined that each of the following Directors of the Company was "independent" within the meaning of the NASDAQ's listing standards during 2017: Dr. Mark S. Brody, Wayne Courtright, Dr. Mary E. Gross, Peter E. Maricondo, Raj Patel, Donald E. Souders, Jr., Aaron Tucker and Allen Tucker, constituting a majority of the Board. In addition, all current members of the Audit, HR/Compensation and Corporate Governance and Nominating Committees are "independent" for purposes of NASDAQ's listing standards, and members of the Audit and HR/Compensation committees meet the heightened independence standards applicable to those committees under SEC regulations. In reviewing the independence of these Directors, the Board considered that Messrs. Courtright, Maricondo, Patel, Souders, Allen and Aaron Tucker and Drs. Brody and Gross engaged in ordinary course banking transactions with the Bank, including loans, if any, that were made in accordance with Federal Reserve Regulation O.

No Director of the Company is also a Director of any other company registered pursuant to Sections 12 or 15(d) of the Securities Exchange Act of 1934 or any company registered as an investment company under the Investment Company Act of 1940.

Risk Oversight

Risk is an inherent part of the business of banking. Risks faced by the Bank include credit risk relating to its loans and interest rate risk related to its entire balance sheet. The Board of Directors oversees these risks through the adoption of policies and by delegating oversight to certain Board committees, including the Executive Loan and Risk Management Committees.

Audit Committee

The Company maintains an Audit Committee of the Board of Directors, which consisted of Chairman Peter E. Maricondo, and Directors Mark S. Brody, Wayne Courtright and Mary E. Gross during the fiscal year ended December 31, 2017. The Audit Committee met four (4) times in 2017, and also held three (3) telephonic meetings with the Company's external auditors. All Directors who serve on the Audit Committee are "independent" under the heightened NASDAQ listing standards and the SEC's rules applicable to audit committees. The Board has determined that each of Messrs. Maricondo and Courtright and Drs. Brody and Gross, are considered "Audit Committee financial experts" as defined in Item 401(h) of the SEC's Regulation S-K.

The Audit Committee is appointed by the Board of Directors to assist the Board in fulfilling its oversight responsibilities. The Board has adopted a written charter setting forth the functions of the Audit Committee. The functions of the Audit Committee are to: (i) monitor the integrity of the Company's financial reporting process and systems of internal controls; (ii) monitor the independence and performance of the Company's external audit and internal auditing functions and determine the engagement of the external and internal auditors; (iii) provide avenues of communication among the external and internal auditors and the Board of Directors; (iv) review and monitor compliance with the Company's Bank Secrecy Act ("BSA") policy, procedures and practices; and (v) review and monitor compliance with the Company's policies, procedures and practices. The Audit Committee reviews this charter annually in order to assure compliance with current SEC and NASDAQ rule-making and to assure that the Audit Committee's functions and procedures are appropriately defined and implemented. A copy of our Audit Committee charter is available on our website at www.unitybank.com.

The Audit Committee also reviews and evaluates the recommendations of the Company's independent certified public accountant, receives all reports of examination of the Company and the Bank by regulatory agencies, analyzes such regulatory reports and informs the Board of the results of their analysis of the regulatory reports. In addition, the Audit Committee receives reports directly from the Company's internal auditors and recommends any action to be taken in connection therewith.

Human Resources ("HR")/Compensation Committee

The HR/Compensation Committee consisted of Chairman Mark S. Brody and Directors Mary E. Gross, Peter E. Maricondo and Donald E. Souders, Jr. during the fiscal year ended December 31, 2017. The HR/Compensation Committee met three (3) times in 2017. As of the date hereof, Mark S. Brody, Mary E. Gross, Peter E. Maricondo and Donald E. Souders, Jr. are considered to be "independent" for purposes of NASDAQ Compensation Committee standards.

The HR/Compensation Committee is appointed by the Board of Directors to assist the Board in fulfilling its responsibilities with respect to human resources issues, policies relating to human resources and compensation of employees, including executive compensation. The HR/Compensation Committee performs functions that include monitoring human resources and compensation issues and practices, both internally and in the marketplace, conducting surveys and studies as to these issues, keeping abreast of current developments in the relevant fields, developing compensation ranges/grades, human resources policies and employment manual updates. Based on the results of its activities, the HR/Compensation Committee sets the compensation for our executive officers and for the members of our Board. The HR/Compensation Committee does not delegate its authority regarding compensation. Currently, no consultants are engaged or used by the HR/Compensation Committee for purposes of determining or recommending compensation levels.

The Board of Directors has adopted a written charter for the HR/Compensation Committee which is available on our website at www.unitybank.com.

HR/Compensation Committee Interlocks and Insider Participation

There are no HR/Compensation Committee “interlocks”, as defined in applicable SEC regulations. This means that no executive officer of the Company or the Bank served as a director or member of the Compensation Committee of another entity where one of their executive officers served as a member of our HR/Compensation Committee.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee consisted of Chairman Mary E. Gross and Directors, Peter E. Maricondo and Donald E. Souders, Jr., during the fiscal year ended December 31, 2017. The Corporate Governance and Nominating Committee met three (3) times in 2017. In accordance with the marketplace rules of the Nasdaq Global Market, the Corporate Governance and Nominating Committee is currently, and was during 2017, composed entirely of independent non-management members of the Board of Directors. The committee operates under a written charter approved by the Board. A copy of the charter is available on the Company’s website at www.unitybank.com.

The Corporate Governance and Nominating Committee's responsibilities include:

- Developing and recommending to the Board a set of corporate governance principles applicable to the Company, and fulfilling the duties of the Committee as specified in such governance principles;
- Assisting the Board in determining the size and composition of the Board of Directors and its Committees;
- Assisting the Board in identifying qualified individuals to be considered for nomination by the Board for election as directors at any meeting of shareholders, including considering proposals made by shareholders and others to nominate specific individuals to the Board of Directors;
- Overseeing the annual evaluation of the Board.

The Corporate Governance and Nominating Committee carefully considers all candidates for Director that are recommended by the Company's shareholders and will not evaluate such candidate recommendations any differently from the way it evaluates candidates recommended by the Corporate Governance and Nominating Committee. In its evaluation of each proposed candidate, the Corporate Governance and Nominating Committee considers many factors including, without limitation, the individual's experience, character, demonstrations of judgment and ability, and financial and other special expertise. The Corporate Governance and Nominating Committee is also authorized to obtain the assistance of an independent third party to complete the process of finding, evaluating and selecting suitable candidates for Director. Any shareholder, who wishes to recommend an individual as a nominee for election to the Board of Directors, should submit such recommendation in writing to the Corporate Secretary of the Company, together with information regarding the experience, education and general background of the individual and a statement as to why the shareholder believes such individual to be an appropriate candidate for Director of the Company. Such recommendation should be provided to the Company no later than the deadline for submission of shareholder proposals with respect to the annual meeting at which such candidate, if recommended by the Corporate Governance and Nominating Committee to the Board of Directors and approved by the Board of Directors, would be proposed for election.

Pre-Approval of Audit and Permissible Non-Audit Services

The Audit Committee generally pre-approves all audit and permissible non-audit services provided by the independent external auditors. These services may include audit services, audit-related services, tax services and other services. The Audit Committee has adopted a policy for the pre-approval of services provided by the independent external auditors. Under the policy, pre-approval is generally provided for up to one year, and any pre-approval is limited as to the particular service or category of services and is subject to a specific budget. For each proposed service, the independent auditor is required to provide detailed back-up documentation at the time of approval. The Audit Committee has approved an exception to this pre-approval policy, allowing Management to engage the Company's independent auditor to provide permissible non-audit services, provided that the total cost of such services, in the aggregate, does not exceed \$10,000 in any year. Management will then report the engagement to the Audit Committee at its next meeting. All audit and permissible non-audit services provided by RSM US LLP to the Company for the fiscal years ended 2017 and 2016 were approved by the Audit Committee.

Report of the Audit Committee

The Audit Committee meets at least four (4) times per year to consider the adequacy of the Company's financial controls and the objectivity of its financial reporting. The Audit Committee meets with RSM US LLP, the Company's independent registered public accounting firm and the Company's internal auditors, who have unrestricted access to the Audit Committee.

Management of the Company has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal controls. The independent registered public accounting firm audits internal controls and the financial statements prepared by Management, expresses an opinion as to whether those financial statements fairly represent the financial position, results of operations and cash flows of the Company in conformity with generally accepted accounting principles and discusses with the Audit Committee any issues they believe should be raised with the Committee.

In connection with this year's financial statements, the Audit Committee has reviewed and discussed the Company's audited financial statements with the Company's officers and RSM US LLP, the Company's independent registered public accounting firm. The Audit Committee has discussed with RSM US LLP the matters required to be discussed by PCAOB Auditing Standards No. 16, Communications with Audit Committees. The Audit Committee also received the written disclosures and letters from RSM US LLP that are required by PCAOB Ethics and Independence Rule 3526, Communication with Audit Committee Concerning Independence and have discussed such independence with representatives of RSM US LLP.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2017, for filing with the U.S. Securities and Exchange Commission.

Business Results

The Company continues to grow and improve its performance, although reported net income declined year over year due to the charge associated with the reevaluation of our deferred tax assets because of changes to federal tax rates under the Tax Cuts and Jobs Act. In 2017, we produced strong returns and operational performance. Our total shareholder return in 2017 was 27.3%, which outperformed both the KBW NASDAQ Bank Index and the NASDAQ Composite Index. The Company has outperformed each of these indices for the past three years.

- Credit quality continues to improve. Nonperforming loans fell to \$3.0 million.

- Increased our presence in the affluent Bergen County, New Jersey market by opening our second Bergen County branch in Ramsey, and relocated our Phillipsburg, New Jersey branch to a more cost effective location with better visibility.

Our Compensation Approach

Our long range mission is to produce value for our shareholders by providing outstanding service and responsiveness to the markets and customers we serve. These goals are reflected in the Company's compensation programs for its executive officers by:

- Ensuring that our NEO's maintain and hold a significant equity interest in the Company by making option and restricted stock grants a significant part of the total compensation mix, thereby further aligning management interests with those of the shareholders;
- Creating balanced incentives that do not encourage NEOs to expose the Company to inappropriate risks by providing excessive compensation that could lead to material loss;
- Providing a market competitive overall compensation package so that the Company may attract, retain and reward highly qualified, motivated and productive executives; and
- Rewarding individuals of greatest responsibility and achievement within a framework that is internally equitable.

Performance-Based Compensation

Pay-for-performance is a key objective of our executive compensation program. A significant portion of our compensation program focuses on performance-based pay that rewards our achievements on an annual basis and our ability to deliver long-term value to our stockholders. We have a balanced approach to total compensation that includes a mix of base/fixed pay and variable/performance-based pay.

Compensation Design Principles and Governance Best Practices

The design principles of our executive compensation programs are intended to protect and promote the interests of our stockholders. Below we summarize certain practices we have implemented to drive performance and those we have not implemented because we do not believe they would serve our stockholder's long-term interests.

What We Do:

- Pay for Performance - We provide a significant portion of pay based on performance
- Sound Risk Management - We discourage excessive risk taking and have designed our incentive plans with appropriate risk-mitigating features
- Claw back - We have adopted a claw back policy requiring the return of incentive compensation in the event of a financial restatement
- Stock Ownership Guidelines - We require our directors to own and hold significant shares in our Company
- Double-Trigger Change-in-Control (CIC) - CIC benefits pursuant to employment or change in control agreements are only paid upon a termination event following a CIC
- Pay in Arrears - Our Directors and Executives incentive compensation is paid in arrears. For example, incentive compensation earned for fiscal year 2017 was paid in 2018.

What We Don't Do:

- Tax Gross-Ups - We do not provide excise tax gross-ups on benefits or in change-in-control agreements
- Stock Option Repricing - Our equity plan does not permit repricing of stock options that are out-of-the-money

Executive Compensation Objectives and Policies

Our programs are designed to attract, retain and motivate leadership to support our growth and sustain our competitive advantage. Our compensation opportunities are aligned with the competitive market with actual cash compensation that is designed to vary dependent on performance. We utilize a balance of fixed and variable pay components and cash and equity to determine our pay. Our compensation program is designed to support our business strategies, align pay with our performance and reinforce sound compensation governance to mitigate excessive risk taking. The table below gives an overview of the compensation components used in our program and matches each with one or more of the objectives described above.

Setting Annual Compensation

Roles & Responsibilities

Compensation Committee

The Human Resources/Compensation Committee of the Board of Directors is responsible for discharging the Board's duties in executive compensation matters and for administering the Company's incentive and equity-based plans. This includes oversight of the total compensation programs for the Company's CEO and other executive officers, including all Named Executive Officers. The Committee is comprised solely of independent directors. The Committee receives input and data from the Finance and Human Resources functions. The Committee does not currently utilize an outside compensation consultant.

The Committee reviews all compensation components for the Company's Chief Executive Officer and other executive officers, including base salary, annual incentive, equity awards and other benefits and perquisites. The Committee reviews the Chief Executive Officer's performance annually and makes decisions regarding the Named Executive Officers' compensation, including base salary, incentives and equity grants based on this review. The Compensation

Committee reviews its decisions with the full Board of Directors.

The Committee has the sole authority and resources to obtain advice and assistance from internal or external legal, human resources, accounting or other advisors, or consultants as it deems desirable or appropriate.

17

Management

Although the Committee makes independent determinations on all matters related to compensation of the Named Executive Officers, certain members of management may be requested to attend or provide input to the Committee. Input may be sought from the Chief Executive Officer, Chief Financial Officer, or others to ensure the Committee has the information and perspective it needs to carry out its duties.

In particular, the Committee seeks input from the Chief Executive Officer on matters relating to strategic objectives, Company performance goals and input on his assessment of the Named Executive Officers, including the contribution and individual performance of each of his direct reports. The Chief Executive Officer and the Chief Financial Officer often assist the Committee on matters of design, administration and operation of the Company's compensation programs.

Although executives may provide insight, suggestions or recommendations regarding executive compensation, they are not present during the Committee's deliberations or vote. Only Committee members vote on decisions regarding executive compensation. The Committee regularly meets in executive session without management present. While the Chief Executive Officer makes recommendations on other Named Executive Officers, the Committee is ultimately responsible for approving compensation for all Named Executive Officers. The Chief Executive Officer's compensation is discussed in executive session without members of management, including the Chief Executive Officer, present.

2017 Executive Compensation Program and Pay Decisions:

Base Salary

The Committee determined that an increase in the base salary for each of the Named Executive Officers was appropriate based on a review of market data, performance assessments and in consideration of the Company's continued growth, strong performance and improved credit quality. The table below summarizes the salaries effective as of January 1, 2017 which reflected modest adjustments in line with our performance:

Executive	2016	2017	Increase
	Base Salary	Base Salary	
James A. Hughes	\$400,010	\$442,924	10.70 %
Alan J. Bedner	\$199,498	\$205,553	3.00 %
Janice Bolomey	\$173,056	\$190,193	9.90 %
John J. Kauchak	\$183,456	\$195,000	6.30 %

Annual Cash Incentive

An important element of our compensation program is our Executive Bonus Program which provides cash incentives. Awards under the Program are based on attaining pre-established corporate goals (50% of the total award), Committee review of individual performance, based on subjective goals (40% of the total award) and a discretionary component to be determined by the Committee (10% of the total award). Each participant has a total target incentive opportunity expressed as a percentage of base salary. The 2017 incentive targets are summarized below.

Executive	Target
	Aggregate Incentive Opportunity
James A. Hughes	50.00 %

Alan J. Bedner	37.50	%
Janice Bolomey	37.50	%
John J. Kauchak	37.50	%

The Committee establishes performance measures on an annual basis for the portion of the awards based on corporate goals that are tied specifically to the Company's financial performance (earnings per share vs. budget, return on average assets vs peer, non-performing assets to total asset ratio and total shareholder return). The weights and performance goals of these factors for 2017 are summarized in the following table:

Performance Measure	Weight	Threshold (1)	Target (100%)
Earnings per Share vs. Budget	15.00%	\$ 1.11	\$ 1.31
Return on Assets (ROA) vs. Peer	15.00%	80.00 %	100.00%
Nonperforming Assets to Total Assets Ratio	10.00%	Less than 1.10%	Less than 0.70%
Total Shareholder Return	10.00%	Greater than 6.0%	Greater than 10.0%

(1) Threshold performance results in a 25% award for the Earnings per Share factor and a 50% award for the remaining factors.

At the end of the year, the Committee determined a payout percentage based on an assessment of the Company's performance under each of the quantitative financial measures set forth above (determined formulaically) as well as an assessment of each executive's performance and contribution toward strategic goals. The corporate results were as follows:

Performance Measure	2017 Performance	Result	Payout Factor

In determining the performance on the individual portion of the annual incentive, the Committee considered its assessment of the Chief Executive Officer's performance and the Chief Executive Officer's evaluation of the Named Executive Officers' performance. In light of strong performance on operational, strategic, financial shareholder metrics, and in consideration of the significant individual and collective achievements of the executive team during 2017, the Committee approved individual payouts based upon factors such as regulatory compliance, board interaction, strategic goals and leadership.

Following is a summary of the incentive awards paid to executives:

Executive	2017 Target Annual Incentive Award	2017 Actual Annual Incentive Award	2017 Actual as % of Target
James A. Hughes	\$221,461	\$210,389	95 %
Alan J. Bedner	\$77,082	\$60,741	79 %
Janice Bolomey	\$71,322	\$70,181	98 %
John J. Kauchak	\$73,125	\$65,228	89 %

Equity-Based Awards

Equity awards were granted based on the Committee's assessment of business environment, affordability, and corporate and individual performance. The Committee believes that equity grants, subject to multi-year vesting requirements, are an important component of the total compensation mix and an important retention tool for senior management. Once granted, restricted stock vests ratably over a four-year period, while stock options vest ratably over a three-year period.

Below is a summary of the 2017 grants:

Executive	Option Awards		Restricted Stock	
	# Shares	Grant Value	# Share	Grant Value
James A. Hughes	—	\$—	8,000	\$134,000
Alan J. Bedner	10,000	\$46,952	5,000	\$83,750
Janice Bolomey	10,000	\$46,952	6,000	\$100,500
John J. Kauchak	10,000	\$46,952	5,000	\$83,750

Benefits and Other Compensation

Retirement Benefits and Perquisites

Executives participate in the Unity Bank 401(k) Retirement Plan which is offered to all Bank employees. Under the plan, the Bank matches 100% of employee contributions, up to 3.0% of an employee's compensation and 50.0% of employee contributions in an amount greater than 3.0% of compensation, up to 5.0% of compensation. This match is available for all employees.

The Company and the Bank entered into a Supplemental Executive Retirement Plan (the "SERP") with Mr. Hughes on June 4, 2015. The SERP will provide Mr. Hughes with certain supplemental non-qualified retirement benefits, and is described elsewhere in this proxy statement. The Committee believes the SERP is an important component of Mr. Hughes' long term compensation, and believes that the vesting provisions of the SERP help ensure that the Company will continue to receive the benefit of Mr. Hughes' service.

On October 22, 2015, the Company entered into an Executive Incentive Retirement Plan ("EIRP") with Messrs. Bender and Kauchak and Ms. Bolomey, which is described elsewhere in this proxy statement.

The Committee believes it is important to provide some retirement benefits to senior management, including Mr. Hughes, as the Company does not offer a traditional defined benefit pension plan, and the NEO's contributions to the Company's 401(k) plan are capped due to the level of their compensation.

Post-Termination Benefits for Company Executives

The Company is party to an employment agreement with Mr. Hughes and retention agreements with each of Messrs. Bedner and Kauchak and Ms. Bolomey. These agreements are described elsewhere in this Proxy Statement under the heading "Potential Payments Upon Termination or Change in Control".

Additional Information about Our Compensation Practices

As a matter of sound governance, we follow certain practices with respect to our compensation program. We regularly review and evaluate our compensation practices in light of regulatory developments, market standards and other considerations.

Policy on Incentive Compensation Clawback

The Company has adopted a clawback policy requiring the return of incentive compensation in the event of a financial restatement.

Stock Ownership Guidelines

The Compensation Committee has concluded that Board members should own a significant amount of the Company's stock. Specific guidelines are:

- Upon election as a director, the director must own Company stock valued at \$25,000.
- By the end of a director's third year of board service, he/she must own Company stock valued at \$50,000. Board members must continue to maintain this minimum level of stock ownership throughout their tenure as a director.
- This requirement may be satisfied through the exercise of stock options, participation in distributions undertaken by the Company, or open market purchases.

Risk Assessment Review

The Committee reviews the structure and components of our compensation arrangements, the material potential sources of risk in our business lines and compensation arrangements, and various policies and practices of the Company that mitigate this risk. Within this framework, the Committee discusses the parameters of acceptable and excessive risk-taking and the general business goals and concerns of the Company. In particular, the Committee focuses on the risks associated with the design of each plan, the mitigation factors that exist for each plan, additional factors that could be considered and an overall risk assessment with respect to the plans. All of our plans have links to corporate or business line results that allow for funding to be adjusted downward, awards are capped, and our governance procedures ensure awards are reviewed for appropriateness before they are distributed.

We have determined that risks arising from our employee compensation plans are not reasonably likely to have a material adverse effect on the Company. Further, it is both the Committee's and management's intent to continue to evolve our processes going forward by monitoring regulations and best practices for sound incentive compensation.

Accounting & Tax Treatment of Compensation

The accounting and tax treatment of compensation generally has not been a factor in determining the amounts of compensation for our executive officers. However, the Committee and management have considered the accounting and tax impact of various program designs to balance the potential cost to the Company with the benefit to the executive.

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for annual non-performance based compensation over \$1.0 million paid to their named executive officers. To maintain flexibility in compensating our executive officers in a manner designed to promote varying corporate goals, it is not a policy of the Compensation Committee that all executive compensation must be tax-deductible. The shareholder approved share-based compensation plans permit the award of stock options, stock appreciation rights and other equity awards that are fully deductible under Code Section 162(m).

Report of the Compensation Committee

The Human Resources/Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis, or CD&A, contained in this proxy statement with management. Based on the Committee's review of and discussion with management with respect to the CD&A, the Committee has recommended to the Board of Directors of the Company that the CD&A be included in this proxy statement and the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2017, for filing with the SEC.

The foregoing report is provided by the Human Resources/Compensation Committee of the Board of Directors:

Employment Agreement

The Company and the Bank entered into an Amended and Restated Employment Agreement with Mr. Hughes on May 21, 2015, revising the March 26, 2005, First Amendment to the Employment Agreement with Mr. Hughes with respect to his services as President of the Company and the Bank.

Under this Amended and Restated Employment Agreement, Mr. Hughes will receive an annual base salary, subject to annual review and, in the discretion of the HR/Compensation Committee of the Board of Directors of the Company (“Committee”), adjustments based on factors deemed appropriate by the Committee. Mr. Hughes may also receive such additional cash bonuses as the Committee may authorize in its discretion. Mr. Hughes is entitled to participate in such benefit programs as are made available to employees of the Company, and to participate in such stock option or stock bonus plans as the Committee may, in its discretion, determine. Mr. Hughes’ agreement contains provisions for the payment of severance and payments upon a change in control. See “Potential Payments upon Termination or Change in Control.”

Non-qualified Deferred Compensation - Supplemental Executive Retirement Plan

The Company and the Bank entered into a Supplemental Executive Retirement Plan (the "SERP") with Mr. Hughes on June 4, 2015. The SERP will provide Mr. Hughes with certain supplemental non-qualified retirement benefits.

Normal Retirement Benefit

Upon separation from service after age 66, Mr. Hughes will be entitled to an annual benefit in an amount equal to forty (40) percent of the average of his base salary for the thirty-six months immediately preceding his separation from service for reasons other than Cause. The retirement benefit shall be adjusted annually thereafter by two (2) percent. The maximum number of annual payments to Mr. Hughes shall be fifteen (15). In the event that Mr. Hughes’ separation from service from the Registrant were to occur prior to full vesting, Mr. Hughes would be entitled to and shall be paid the vested portion of the retirement benefit calculated as of the date of separation from service.

Notwithstanding the foregoing, upon a Change in Control, and provided that within 6 months following the Change in Control Mr. Hughes is involuntary terminated for reasons other than “cause” or Mr. Hughes resigns for “good reason”, as such is defined in the SERP, or Mr. Hughes voluntarily terminates his employment after being offered continued employment in a position that is not a “Comparable Position”, as such is also defined in the SERP, Mr. Hughes shall become 100% vested in the full retirement benefit.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

Employment Agreement

Mr. Hughes' employment may be terminated at any time for "cause" as defined in the Employment Agreement, or without "cause." In the event that Mr. Hughes is terminated without "cause" or resigns for "good cause" (as defined under the Employment Agreement and discussed below), he is entitled to receive a severance amount equal to 18 months of his then current base salary. Such amount shall be paid in equal installments in the same manner in which Mr. Hughes' compensation was paid through the date of termination. Mr. Hughes will also continue to receive hospital, health, medical, and life insurance and such other benefits to which he had been entitled at the date of termination for such 18-month period, unless and until Mr. Hughes obtains new employment during such period and such new employment provides for such benefits to be provided to Mr. Hughes. "Good Cause" under the Employment Agreement includes a material reduction in Mr. Hughes' duties and responsibilities or any reduction in his base salary.

In addition, if Mr. Hughes' employment with the Company or any successor terminates within 18 months after a "change in control" of the Company, as defined under the Employment Agreement (regardless of the reason for such termination), Mr. Hughes will be entitled to receive an amount equal to 18 months of his then current base salary plus any cash bonus received by Mr. Hughes during the preceding fiscal year. Such amount shall be paid in installments in the same manner in which Mr. Hughes' compensation was paid through the date of termination. The Company, or its successor, will be required to maintain Mr. Hughes' hospital, health, medical and life insurance coverage during the 18 month period following his termination, unless and until Mr. Hughes obtains new employment during such period and such new employment provides for such benefits to be provided to Mr. Hughes. All unvested stock options and stock awards previously granted to Mr. Hughes shall accelerate and immediately vest upon the occurrence of a change in control.

Mr. Hughes' employment agreement defines a change in control as including: any event requiring the filing of a Current report on Form 8-K to announce a change in control; any person acquiring 35% or more of the Company's voting power; if persons who serve on the Board at the beginning of the period fail to make up a majority of the Board at the end of the period; if the Company fails to satisfy the listing criteria for any exchange on which its shares are traded due to the number of shareholders or the number of round lot holders; or if the Board of the Company approves any transaction after which the shareholders of the Company fail to control 51% of the voting power of the resulting entity.

Furthermore, if Mr. Hughes' employment with the Company terminates within 18 months after the Company consummates a "Significant Acquisition," as defined under the Employment Agreement (regardless of the reason for such termination), Mr. Hughes will be entitled to receive an amount equal to 18 months of his then current base salary plus any cash bonus received by Mr. Hughes during the preceding fiscal year. Such amount shall be paid in installments in the same manner in which Mr. Hughes' compensation was paid through the date of termination. In the event Mr. Hughes becomes entitled to the foregoing amounts due to this termination within 18 months of a Significant Acquisition, all unvested stock options or stock awards previously granted to Mr. Hughes shall accelerate and immediately vest upon such termination.

"Significant Acquisition" under the Employment Agreement means an acquisition by the Company pursuant to which, as all or part of the consideration for such acquisition, the Company issues to the shareholders of the acquired entity such number of voting securities as shall equal 25% or more of the then outstanding voting securities of the Company.

Following a Change in Control Mr. Hughes is also subject to a non-compete covenant and a non-solicitation covenant with respect to officers and employees of the Registrant and the Bank, in each case for a period of 18 months following termination of Mr. Hughes' employment. Mr. Hughes would be entitled to 18 months of his then current base salary plus any cash bonus received by Mr. Hughes during the preceding fiscal year in exchange for agreeing to the non-compete and non-solicitation covenants.

Mr. Hughes' Employment Agreement has a term of three (3) years; however, for each day elapsed during the term, a day will be added at the end of the term so that the term will be extended on a rolling basis to be three (3) years at any point in time, unless either party shall have provided written notice to the other of its desire to cease such extensions. In addition, the term of Mr. Hughes' Employment Agreement shall terminate immediately upon the occurrence of any of the following: (i) the Company's entering into a Memorandum of Understanding with the FDIC or the New Jersey Department of Banking and Insurance; (ii) a cease-and-desist order being issued with respect to the Company by the FDIC or the New Jersey Department of Banking and Insurance; or (iii) the receipt by the Company of any notice under a federal or state law which (in any way) restricts the payment of any amounts or benefits which may become due under Mr. Hughes' Employment Agreement.

The following table summarizes the potential payments to Mr. Hughes if a triggering event occurred on December 31, 2017.

Retention Agreements

The Company also entered into Retention Agreements with Messrs. Bedner and Kauchak and Ms. Bolomey. Each of the Retention Agreements provides that the executive may be terminated at any time for “cause” as defined in the applicable Retention Agreement or without “cause.” In the event that the executive is terminated without “cause” or resigns for “good cause” (as defined under the applicable Retention Agreement and discussed below), the executive is entitled to receive a severance amount equal to 12 months of the executive’s then current base salary. Such amount shall be paid in a lump sum payment (within 30 days of the termination of the executive). In addition, the executive will continue to receive medical, life insurance and other benefits to which the executive had been entitled at the date of termination for 12 months, unless and until the executive obtains new employment during such period and such new employment provides for such benefits to be provided to the executive. “Good Cause” under the Retention Agreements includes a material reduction in the executive’s duties and responsibilities or any reduction in the executive’s base salary.

In addition, if the executive’s employment with the Company or any successor terminates within 18 months after a “change in control” of the Company, as defined under the Retention Agreements (regardless of the reason for such termination), the executive will be entitled to receive an amount equal to twice the executive’s annual base salary at the date of termination, plus the aggregate amount of any cash bonuses paid to the executive during the preceding fiscal year. Such amount shall be paid in one lump sum payment (within 30 days of the executive’s termination subsequent to a “change in control”). The Company or its successor will be required to maintain the executive’s hospital, health, medical and life insurance coverage for such 24-month period. All unvested stock options and stock option grants previously granted to the executive shall accelerate and immediately vest upon the occurrence of a change in control.

Furthermore, if the executive’s employment with the Company terminates within 18 months after the Company consummates a “Significant Acquisition,” as defined under the Retention Agreements (regardless of the reason for such termination), the executive will be entitled to receive an amount equal to twice the amount of the executive’s annual base salary at the date of termination, plus the aggregate amount of any cash bonus paid to the executive during the preceding fiscal year. Such amount shall be paid in one lump sum payment (within 30 days of the termination of the executive subsequent to a “Significant Acquisition.”) The Company is also required to maintain the executive’s hospital, health, medical and life insurance benefits coverage during such 24-month period, unless and until the executive obtains new employment during such period and such new employment provides for such benefits to be provided to the executive. In the event the executive becomes entitled to the foregoing amounts due to termination within 18 months of a Significant Acquisition, all unvested stock options and stock awards previously granted to the executive shall accelerate and immediately vest upon such termination. “Significant Acquisition” under the Retention Agreements means an acquisition by the Company pursuant to which, as all or part of the consideration for such acquisition, the

Company issues to the shareholders of the acquired entity such number of voting securities as shall equal 25% or more of the then outstanding voting securities of the Company. Each Retention Agreement has a term of three years; however, in the event that the term of the Retention Agreement would terminate at any time after the Company has engaged in substantive negotiations regarding a transaction that would lead to a change in control, the Retention Agreement shall continue to remain in full force and effect until the earlier to occur of (i) the effectuation of the transaction leading to the change in control, or (ii) the termination of the negotiations for the proposed transaction, which would have resulted in the change in control. In addition, the term of each Retention Agreement shall terminate immediately upon the occurrence of any of the following: (i) the Company's entering into a Memorandum of Understanding with the FDIC or the New Jersey Department of Banking and Insurance; (ii) a cease-and-desist order being issued with respect to the Company by the FDIC or the New Jersey Department of Banking and Insurance; or (iii) the receipt by the Company of any notice under a federal or state law which in any way restricts the payment of an award or benefits under the Retention Agreement.

INTEREST OF MANAGEMENT AND OTHERS IN CERTAIN TRANSACTIONS; REVIEW, APPROVAL OR RATIFICATION OF TRANSACTIONS WITH RELATED PERSONS

The Bank has made in the past and, assuming continued satisfaction of generally applicable credit standards, expects to continue to make loans to Directors, executive officers and their associates (i.e., corporations or organizations for which they serve as officers or Directors, or in which they have beneficial ownership interest of ten percent or more). These loans have all been made in the ordinary course of the Bank's business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons not related to the Bank and do not involve more than the normal risk of collectability or represent other unfavorable features.

Other than the ordinary course lending transactions described above, which must be approved by the Bank's Board under bank regulatory requirements, all related party transactions are reviewed and approved by our Audit Committee. This authority is provided to our Audit Committee under its written charter. In reviewing these transactions, our Audit Committee seeks to ensure that the transaction is no less favorable to the Company than a transaction with an unaffiliated third party. During 2017 and 2016, there were no transactions with related parties which would not have been required to be approved by our Audit Committee, and there were no related party transactions not approved by our Audit Committee.

This appointment will continue at the pleasure of the Audit Committee and is presented to the shareholders for ratification as a matter of good governance. PROPOSAL 3 - ADVISORY VOTE ON EXECUTIVE COMPENSATION

Under Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act, companies with securities registered with the Securities and Exchange Commission are required to provide shareholders the opportunity to vote on a non-binding advisory proposal, commonly known as Say-on-Pay, to approve the compensation of executives. The Company has determined to implement this requirement by providing shareholders a simple vote that indicates their position (by a yes or no vote) with respect to our executive compensation.

Our Board of Directors annually reviews and approves corporate and/or individual goals and objectives relevant to the compensation of our executive officers, evaluates performance in light of those goals and objectives, and determines compensation levels based on this evaluation. In determining any long-term incentive component of compensation, the Board will consider all such factors as it deems relevant, such as performance and relative shareholder return, the value of similar incentive awards at comparable companies and the awards granted in previous years. We also believe that both the Company and shareholders benefit from these compensation policies.

In 2015, the Company submitted to shareholders a non-binding proposal, known as a Say-on-Frequency, asking shareholders whether Unity should submit its Say-on-Pay proposal to shareholders every one (1), two (2) or three (3) years. The shareholders approved Unity's recommendation that the Say-on-Pay proposal should be submitted to shareholders every three years. However, per current SEC rules, publicly traded companies are required, no less frequently than every six (6) years, to provide for a separate shareholder Say-on-Frequency advisory vote in their proxy statements. Unity anticipates submitting a Say-on-Frequency proposal to shareholders at its 2021 Annual Meeting.

The Board recommends that shareholders approve, in an advisory vote, the following resolution:

"Resolved, that the shareholders approve the executive compensation of the Company, as described in this proxy statement, including the tabular disclosure regarding executive officers in this Proxy Statement."

Because your vote is advisory, it will not be binding upon the Board. However, the Board will take into account the outcome of the vote when considering future executive compensation arrangements.

Recommendation

THE BOARD OF DIRECTORS OF THE COMPANY RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" THE ADVISORY PROPOSAL SET FORTH ABOVE.

OTHER MATTERS

The Board of Directors is not aware of any matters other than those set forth in this proxy statement that will be presented for action at the Annual Meeting. However, if any other matter should properly come before the Annual Meeting, the persons authorized by the accompanying proxy will vote and act with respect thereto in what, according to their judgment, is in the interests of the Company and its shareholders.

INCORPORATION BY REFERENCE

To the extent that this proxy statement has been or will be specifically incorporated by reference into any other filing of the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934, the section of this proxy statement entitled "Report of the Audit Committee" (to the extent permitted by the rules of the SEC), shall not be deemed to be so incorporated, unless specifically otherwise provided in such filing.

COMPLIANCE WITH SECTION 16(a)
OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's executive officers and Directors and persons who own more than 10% of the Company's Common Stock (who are referred to as "Reporting Persons") to file reports of ownership and changes in ownership with the SEC. Reporting Persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely on the Company's review of the copies of such forms received or written representations from Reporting Persons, the Company believes that, with respect to the fiscal year ended December 31, 2017, the Reporting Persons timely complied with all applicable filing requirements.
