Item 4. Purpose of Transaction.

The Reporting Persons originally purchased the Shares based on the Reporting Persons' belief that the Shares, when purchased, were undervalued and represented an attractive investment opportunity. Depending upon overall market conditions, other investment opportunities available to the Reporting Persons, and the availability of Shares at prices that would make the purchase or sale of Shares desirable, the Reporting Persons may endeavor to increase or decrease their position in the Issuer through, among other things, the purchase or sale of Shares on the open market or in private transactions or otherwise, on such terms and at such times as the Reporting Persons may deem advisable.

The Reporting Persons intend to engage in discussions with management and the Board of the Issuer regarding the nomination of directors at the 2011 Annual Meeting and the composition of the Issuer's Board generally.

On November 17, 2010, Value and Opportunity Advisors delivered a letter to the Board expressing its disappointment and concern regarding the long-term underperformance of the Issuer's business and stock price. In the letter, Value and Opportunity Advisors stated that a reconstituted Board, mutually agreeable to the Issuer and the Reporting Persons, is in the best interest of shareholders and necessary for determining the right strategic direction for the Issuer and the right path forward to improve shareholder value. The letter further urged the Board to consider the Reporting Persons' highly qualified Nominees, who have the necessary experience and desire to assist the Company in promptly determining the appropriate strategy to address the long-term underperformance of the Issuer's business and stock price. A copy of the letter is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

No Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon completion of any of the actions discussed herein. The Reporting Persons intend to review their investment in the Issuer on a continuing basis. Depending on various factors including, without limitation, the Issuer's financial position and investment strategy, the price levels of the Shares, conditions in the securities markets and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation, communications with management and the Board of the Issuer, engaging in discussions with third parties about the Issuer and the Reporting Persons' investment, making proposals to the Issuer concerning changes to the capitalization, ownership structure or operations of the Issuer, purchasing additional Shares, selling some or all of their Shares, engaging in short selling of or any hedging or similar transaction with respect to the Shares, or changing their intention with respect to any and all matters referred to in Item 4.
