The information in this prospectus supplement concerning the selling securityholders supplements the statements set forth under the caption "Selling Securityholders" in the prospectus. Capitalized items used and not defined in this prospectus supplement shall have the meanings given to them in the prospectus. The information set forth under the caption "Selling Securityholders" in the prospectus is supplemented as follows:

SELLING SECURITYHOLDERS

We originally sold the notes on October 2, 2000 to Goldman, Sachs & Co., SG Cowen Securities Corporation and Salomon Smith Barney Inc. The initial purchasers of the notes have advised us that the notes were resold in transactions exempt from the registration requirements of the Securities Act to "qualified institutional buyers", as defined in Rule 144A of the Securities Act. These subsequent purchasers, or their transferees, pledgees, donees or successors, may from time to time offer and sell any or all of the notes and/or shares of the common stock issuable upon conversion of the notes pursuant to this prospectus.

The notes and the shares of common stock issuable upon conversion of the notes have been registered in accordance with the registration rights agreement. Pursuant to the registration rights agreement, we are required to file a registration statement with regard to the notes and the shares of our common stock issuable upon conversion of the notes and to keep the registration statement effective until the earlier of:

- (1) the sale of all the securities registered under the registration rights agreement;
- (2) the expiration of the holding period applicable to these securities under Rule 144(k) under the Securities Act with respect to persons who are not our affiliates; and
- (3) two years from the date the registration statement is declared effective.

The selling securityholders may choose to sell notes and/or the shares of common stock issuable upon conversion of the notes from time to time. See "Plan of Distribution".

The following table sets forth:

- (1) the name of each selling securityholder who has provided us with notice as of the date of this prospectus supplement pursuant to the

Edgar Filing: ANALOG DEVICES INC - Form 424B3

registration rights agreement of their intent to sell or otherwise dispose of notes and/or shares of common stock issuable upon conversion of the notes pursuant to the registration statement,

(2) the principal amount of notes and the number of shares of our common stock issuable upon conversion of the notes which they may sell from time to time pursuant to the registration statement, and

(3) the amount of outstanding notes and our common stock beneficially owned by the selling securityholder prior to the offering, assuming no conversion of the notes.

To our knowledge, no selling securityholder nor any of its affiliates has held any position or office with, been employed by or otherwise has had any material relationship with us or our affiliates during the three years prior to the date of this prospectus.

A selling securityholder may offer all or some portion of the notes and shares of the common stock issuable upon conversion of the notes. Accordingly, no estimate can be given as to the amount or percentage of notes or our common stock that will be held by the selling securityholders upon termination of sales pursuant to this prospectus. In addition, the selling securityholders identified below may have sold, transferred or disposed of all or a portion of their notes since the date on which they provided the information regarding their holdings in transactions exempt from the registration requirements of the Securities Act.

The information contained under the column heading "Shares That May be Sold" assumes conversion of the full amount of the notes held by the holder at the initial rate of 7.7056 shares of common stock per each \$1,000 principal amount of notes.
