Item 5. Other Events.

On May 21, 2002, Flotek Industries, Inc. (the "Company") announced a plan to effect a redistribution of shares issued in connection with the merger of the Company and Chemical & Equipment Specialties, Inc. ("CESI") on October 31, 2001 (the "Merger"). To effect the Merger, the Company issued a total of 2,994,478 shares of common stock to the CESI shareholders, resulting in the CESI shareholders as a group owning 61.7% of the 4,850,696 outstanding common shares of the combined company. As a result of the accounting issues discussed below, certain former shareholders of CESI have agreed to surrender 180,000 of the common shares which were received by them pursuant to the Merger. To accomplish the redistribution of shares for the benefit of the Flotek shareholders prior to the Merger, the Company intends to declare a stock dividend totaling 9.679% of its outstanding shares of common stock. Former CESI shareholders representing shareholdings of 94% of the former CESI shareholders have agreed to disclaim beneficial ownership of this stock dividend and assign these shares back to the Company. After the stock dividend and reassignment is completed, the ownership of the non-CESI shareholders as a group will increase from 38.3% to at least 41.8% of the combined company. The total number of outstanding common shares of the Company will either remain unchanged as a result of this redistribution, or will increase by less than 1/2 of 1%, depending on the final number of former CESI shareholders who agree to disclaim ownership of the stock dividend. The record date for the stock dividend has not been established.

This redistribution of the shares received in the Merger resulted from an adjustment to the results of operations of Neal's Technology, Inc., a subsidiary of CESI, in the financial statements of CESI for the six month period ended June 30, 2001, to reflect an improper application of the percentage of completion accounting method. Since CESI was a private company prior to the Merger, these incorrect financial statements were not included in any reports filed with the Securities and Exchange Commission ("SEC"). All consolidated or pro forma combined financial statements of Flotek Industries, Inc. which have been filed with the SEC have appropriately applied the percentage of completion method of accounting and thus do not require any adjustment.

Item 7. Financial Statements and Exhibits.

(a) Exhibits.
