SCHEDULE 13G

ISSUER: United Auto Group, Inc.

CUSIP NO.: 909440109

PRELIMINARY NOTE:

On February 22, 2002, International Motor Cars Group I, L.L.C. ("IMCG I") and J.P. Morgan Partners (BHCA), L.P. ("JPMP"), Virginia Surety Company, Inc. ("AON"), Penske Corporation, and Penske Capital Partners, L.L.C. (the "Managing Member", and each of JPMP, AON and Penske Corporation, an "IMCG I Member"), being all the members of IMCG I, entered into a letter agreement (the "IMCG I Letter Agreement"). Under the terms of the IMCG I Letter Agreement each IMCG I Member may, in connection with its execution of a cash sale of shares of Series A preferred stock or common stock of United Auto Group, Inc. (the "Issuer") attributable to its membership interest in IMCG I, require that IMCG I distribute such shares to that IMCG I Member, subject to certain conditions (an "IMCG I Member Distribution"). Such conditions are as follows: (i) until February 22, 2003, no IMCG I Member may require IMCG I to distribute any of the shares of Common Stock obtained by IMCG I pursuant to its exercise of warrants of the Issuer on February 1, 2002, unless immediately after giving effect to such distribution, no other shares of Series A preferred stock, Series B preferred stock or common stock of the Issuer are attributable to such IMCG I Member's membership interest in IMCG I or, with respect to JPMP, IMCG II (as defined below) and (ii) other than distributions permitted by the IMCG I Letter Agreement or in connection with reallocation of shares to the Managing Member permitted under IMCG I's operating agreement, IMCG I will not sell or otherwise transfer to a third party any shares of the Issuer attributable to an IMCG I Member's membership interest, without the prior written consent of such IMCG I Member. Moreover, neither IMCG I nor any IMCG I Member can cause the conversion of any shares of Series A preferred stock attributable to its membership interest, except in connection with an IMCG I Member Distribution and upon

Edgar Filing: UNITED AUTO GROUP INC - Form SC 13G

receipt by IMCG I of notice of redemption by the Issuer. Notwithstanding the foregoing, the Managing Member shall have the right at any time to cause IMCG I to distribute to an IMCG I Member all or a portion of the shares of Series A preferred stock and/or common stock of the Issuer (or any proceeds of such shares) attributable to such IMCG I Member's membership interest.

On February 22, 2002, International Motor Cars Group II, L.L.C. ("IMCG II") and JPMP and the Managing Member (each of JPMP and the Managing Member, an "IMCG II Member"), being all the members of IMCG II, entered into a letter agreement (the "IMCG II Letter Agreement"). Under the terms of the IMCG II Letter Agreement each IMCG II Member may, in connection with its execution of a cash sale of shares of Series A preferred stock, Series B preferred stock or common stock of the Issuer attributable to its membership interest in IMCG II, require that IMCG II distribute such shares to that IMCG II Member, subject to certain conditions (an "IMCG II Member Distribution"). Such conditions are as follows: (i) until February 22, 2003, no IMCG II Member may require IMCG II to distribute any of the shares of Common Stock obtained by IMCG II pursuant to its exercise of warrants of the Issuer on February 1, 2002, unless immediately after giving effect to such distribution, no other shares of Series A preferred stock, Series B preferred stock or common stock of the Issuer are attributable to such IMCG II Member's membership interest in IMCG I or IMCG II and (ii) other than distributions permitted by the IMCG II Letter Agreement or in connection with reallocation of shares to the Managing Member permitted under IMCG II's operating agreement, IMCG II will not sell or otherwise transfer to a third party any shares of the Issuer attributable to an IMCG II Member's membership interest, without the prior written consent of such IMCG II Member. Moreover, neither IMCG II nor any IMCG II Member can cause the conversion of any shares of Series A preferred stock or Series B preferred stock of the Issuer attributable to its membership interest, except in connection with an IMCG II Member Distribution and upon receipt by IMCG II of notice of redemption by the Issuer. Notwithstanding the foregoing, the Managing Member shall have the right at any time to cause IMCG II to distribute to an IMCG II Member all or a portion of the shares of Series A preferred stock, Series B preferred stock and/or common stock of the Issuer (or any proceeds of such shares) attributable to such IMCG II Member's membership interest.

The number of shares reported as beneficially owned by JPMP in this Schedule 13G represent the shares of the Issuer attributable as of February 22, 2002 to JPMP's membership interests in IMCG I and IMCG II. However, pursuant to the respective operating agreements of each of IMCG I and IMCG II, the number of shares of the Issuer attributable to JPMP's membership interests in IMCG I and IMCG II shall be reduced at the time of each IMCG I or IMCG II Member Distribution to JPMP by the number of shares actually distributed to JPMP and by the number of shares representing the carried interest payable to the Managing Member pursuant to the respective operating agreements of each of IMCG I and IMCG II with respect to the shares so distributed to JPMP.
