**PROXY STATEMENT FOR THE ANNUAL MEETING OF SHAREHOLDERS
August 7, 2008**

The Board of Directors of Vaughan Foods, Inc. ("Vaughan") is providing the enclosed proxy materials to you in connection with its solicitation of proxies to be voted at the 2008 Annual Meeting of Shareholders (the "Annual Meeting") and any adjournment, postponement or continuation of the Annual Meeting. The Annual Meeting will be held at our principal executive offices located at 216 NE 12th Street, Moore, Oklahoma 73160 on August 7, 2008 at 2:00 PM central time. When Vaughan asks for your proxy, it must provide you with a proxy statement that contains certain information specified by law.

Internet Availability of Proxy Materials

Under rules recently adopted by the Securities and Exchange Commission, we are now furnishing proxy materials on the Internet in addition to mailing paper copies of the materials to each stockholder of record. Instructions on how to access and review the proxy materials on the Internet can be found below and on the Notice of Internet Availability of Proxy Materials (the "Notice") sent to stockholders who hold their shares in street name. The Notice will also include instructions for stockholders who hold their shares in street name on how to access the proxy card to vote over the Internet.

The following proxy materials are available at <http://www.cstproxy.com/vaughanfoods/2008>:

- the Company's 2008 Proxy Statement (including all attachments thereto);
- the Proxy Card;
- the Company's Annual Report for the year ended December 31, 2007 (which is not deemed to be part of the official proxy soliciting materials); and
- any amendments to the foregoing materials that are required to be furnished to shareholders.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Why did you send me this proxy statement?

Vaughan sent you this proxy statement and the enclosed proxy card because you are a Vaughan stockholder and Vaughan's Board of Directors is soliciting your proxy to vote your shares at the Annual Meeting. This proxy statement includes information about the issues to be voted upon at the meeting.

This proxy statement is being mailed on or about June 27, 2008 to all shareholders of record at the close of business on June 19, 2008. On this record date, there were 4,623,077 shares of Vaughan common stock outstanding and entitled to vote. Each share of common stock is entitled to one vote.

The expense of this solicitation, including the cost of preparing, assembling and mailing the Notice of Annual Meeting, Proxy and Proxy Statement, will be borne by Vaughan. In addition to the solicitation of proxies by use of the mails, some of the officers and employees of Vaughan, without extra remuneration, may solicit proxies personally, by telephone or otherwise. In addition, arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to forward proxies and proxy materials to their principals, and Vaughan will reimburse them for their expenses in forwarding these materials.

Who is entitled to vote at the meeting?

Only shareholders of record at the close of business on the Record Date are entitled to receive notice of and to vote at the annual meeting. If you were a shareholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the meeting, or any postponement or adjournment of the meeting.

How many votes do I have?

Each share of Vaughan common stock that you owned on the record date entitles you to one vote.

How many votes must be present to hold the meeting?

Edgar Filing: Vaughan Foods, Inc. - Form DEF 14A

Under our bylaws and the Oklahoma General Corporation Act, Section 18-1061, the holders of a majority of Vaughan's common stock issued and outstanding on the Record Date and entitled to vote at the meeting must be present at the meeting in person or by proxy in order to fulfill the quorum requirement necessary to hold the meeting. This means at least 2,311,539 common shares must be present in person or by proxy. We urge you to vote by proxy even if you plan to attend the meeting so that we will know as soon as possible that a quorum has been achieved. If a quorum is not present, in person or by proxy, the shareholders entitled to vote at the meeting, either present or represented by proxy, may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present or represented. However, if the date of any adjourned meeting is more than thirty days after the date for which the meeting was originally noticed, Vaughan must give written notice of the place, date and hour of the adjourned meeting in accordance with its bylaws.

How do I vote?

You can vote by completing, signing, dating and mailing the enclosed proxy card in the envelope provided. When a proxy is returned properly, the shares represented by the proxy will be voted in accordance with your instructions. You are urged to specify your choice by marking the appropriate boxes on the enclosed proxy card. If a proxy card is dated, signed and returned without specifying choices, the shares will be voted as recommended by the proxies listed on the proxy card.

You may also come to the Annual Meeting and cast your vote there. If your shares are held in the name of your broker, bank or other nominee and you wish to vote at the Annual Meeting, you must bring an account statement or letter from the

nominee indicating that you were the beneficial owner of the shares on June 19, 2008, the record date for voting, and that you have a right to vote your shares.

How do I vote if my shares are held in street name?

If your shares are held in street name, you should follow the voting instructions provided by your broker. If you hold your shares in street name and wish to vote at the meeting, you must obtain a legal proxy from your broker and bring that proxy to the meeting.

Regardless of how your shares are registered, if you complete and properly sign the accompanying proxy card and return it to the address indicated, it will be voted as you direct.

What are the voting recommendations of the Board of Directors?

The Board of Directors recommends that you vote in the following manner:

1. FOR each of the persons nominated by the Board of Directors to serve as directors.
2. FOR ratification of the selection of Cole & Reed, P.C. as the independent registered public accounting firm for the fiscal year ended December 31, 2008.
3. FOR approval of the Equity Incentive Plan.

Unless you give contrary instructions on your proxy card, the persons named as proxies will vote your shares in accordance with the recommendations of the Board of Directors.

Will any other matters be voted on?

We do not know of any other matters that will be brought before the shareholders for a vote at the annual meeting. If any other matter is properly brought before the meeting, your signed proxy card would authorize Herb Grimes and Gene P. Jones, or either of them, to vote on such matters in their discretion.

May I revoke my vote after I have sent in my proxy?

You may revoke your proxy after it has been submitted by notifying the Corporate Secretary in writing at Vaughan's principal executive offices at the address on the cover of this proxy statement. If you attend the meeting and wish to vote in person, you may request that your previously submitted vote not be used any time before it is voted.

How will my proxy be counted towards a quorum?

Proxies marked as abstaining (including proxies containing broker non-votes) on any matter to be acted upon by shareholders will be treated as present at the meeting for purposes of determining a quorum. Shares which are present, or represented by a proxy, will be counted for quorum purposes regardless of whether or not the holder of the shares or proxy votes on a matter. Broker non-votes will also be counted in determining a quorum.

What vote is required to pass the proposals under Oklahoma state law and our governing documents?

Election of Directors (Proposal 1) - The director nominees receiving the highest number of votes cast in favor of their election (up to number to be elected) will be elected.

Other Proposals (including Proposal 2) - For any other proposal, the affirmative vote of a majority of the shares present in person or by proxy and having voting power thereon is required to approve the proposal, unless a proposal other than Proposals 2 or 3 is properly presented at the Annual Meeting which requires a different vote pursuant to applicable law or Vaughan's Articles of Incorporation or By-Laws.

What is the effect of an "abstention" or "withhold" vote on the proposals to be voted on at the meeting?

Pursuant to our governing documents and the Oklahoma General Corporation Act, Section 18-1061, a share voted abstain with respect to any proposal is considered as present and having voting power with respect to that proposal, but is not considered a vote cast with respect to that proposal. Because proposals other than the election of directors require the affirmative vote of the holders of a majority of the voting securities present in person or represented by proxy and having voting power on each proposal in order to pass, an abstention will have the effect of a vote against those proposals. A withhold vote with respect to any director nominee will be counted for purposes of determining whether there is a quorum but will have no legal effect for purposes of electing the nominee since a withhold vote is not considered a vote cast.

What is the effect of a broker non-vote on the proposals to be voted on at the meeting under our governing documents and the Oklahoma General Corporation Act?

A broker non-vote occurs if your shares are not registered in your name and you do not provide the record holder of your shares (usually a bank, broker, or other nominee) with voting instructions on a matter and the record holder is not permitted to vote on the matter without instructions from you under New York Stock Exchange rules that generally apply to such record holders (notwithstanding the fact that shares of our common stock are traded on The Nasdaq Capital Market). A broker may not give a proxy to vote without instructions from beneficial owners when the matter to be voted upon is one of certain itemized matters (typically termed non-routine matters), one of which involves implementing or materially revising an equity compensation plan. A broker non-vote is not considered a vote cast or having voting power with respect to a non-routine matter.

As a result, brokers who do not receive instructions as to how to

Edgar Filing: Vaughan Foods, Inc. - Form DEF 14A

vote on Item 3 may not give a proxy to vote on Item 3. Any resulting "broker non-votes" will not be considered entitled to vote with respect to Item 3, thereby having the effect of reducing the number of "For" votes required to approve Item 3. However, brokers who do not receive instructions as to how to vote on Items 1 and 2 may generally vote on these matters in their discretion.

PROPOSAL NO. 1**ELECTION OF DIRECTORS**

Five (5) directors are to be elected at the Annual Meeting, each until his or her successor is elected and qualified, or until his or her earlier resignation or removal. All of the nominees to the Board have been approved, recommended and nominated for election or re-election to the Board by Vaughan's Nominating and Corporate Governance Committee and by the Board or Directors.

Listed below are the the names and ages of each nominee for the Board of Directors, and the period, if any, during which each has served as a director of Vaughan. Information as to the stock ownership of each nominee is set forth under "Security Ownership of Certain Beneficial Owners and Management." Management has no reason to believe that any of the five nominees for election named below will be unable to serve. If any of the five nominees should become unable to accept election, the persons named on the proxy card as proxies may vote for other person(s) selected by the Board or the named proxies.

Corporate Governance

Director Independence

The Board has determined, in accordance with Nasdaq's listing standards, that: (i) Robert S. Dillon, Richard A. Kassar and Laura J. Pensiero (the "Independent Directors") are independent and represent a majority of its members; (ii) Robert S. Dillon, Richard A. Kassar and Laura J. Pensiero, as the sole members of the Audit Committee, are independent for such purposes; and (iii) Robert S. Dillon, Richard A. Kassar and Laura J. Pensiero, as the sole members of the Compensation Committee, are independent for such purposes.

In determining director independence, our Board applies the independence standards set by Nasdaq. In its application of such standards the Board takes into consideration all transactions with Independent Directors and the impact of such transactions, if any, on any of the Independent Directors' ability to continue to serve on our Board. To that end, for the fiscal year ended 2007, our Board considered the fees paid to the Independent Directors disclosed in Executive Compensation and Director Compensation and determined that those transactions were within the limits of the independence standards set by Nasdaq and did not impact their ability to continue to serve as Independent Directors.

Code of Ethics

We have adopted a code of ethics (as defined in Item 406 of Regulation S-K) that applies to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. We have posted the text of our code of ethics on our website, www.vaughanfoods.com.

Audit Committee

We have a separately-designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934 by and among the Board of Directors for the purpose of overseeing our accounting and financial reporting processes and audits of our financial statements. The Audit Committee is comprised of Ms. Laura Pensiero, Mr. Robert Dillon and Mr. Richard Kassar. The Board has determined that Mr. Richard Kassar qualifies as an "audit committee financial expert," as that term is defined in Item 407(d)(5) of Regulation S-K, and that he is "independent" as independence for audit committee members is defined in the NASDAQ listing standards.

Communicating with Directors

Stockholders or other interested parties wishing to communicate with the Board, the non-management directors or any individual director may do so by contacting the Chairman of the Board by mail, addressed to Chairman of the Board, Vaughan Foods, Inc., 216 NE 12th Street, Moore, Oklahoma 73160.

All communications to the Board will remain unopened and be promptly forwarded to Chairman of the Board, who shall in turn forward them promptly to the appropriate director(s). Such items as are unrelated to a director's duties and responsibilities as a Board member may be excluded by the Chairman of the Board, including without limitation, solicitations and advertisements; junk mail; product-related communications; job referral materials such as resumes; surveys; and material that is determined to be illegal or otherwise inappropriate. The director(s) to whom such information is addressed is informed that the information has been removed, and that it will be made available to such director(s) upon request.

Committees of the Board

Committees of the Board of Directors

Vaughan's Board established audit, compensation and nominating/corporate governance committees in June, 2007. The Compensation Committee reviews and recommends to the Board the compensation and benefits of all the officers of Vaughan, reviews general policy matters relating to compensation and benefits of employees of Vaughan, and administers the issuance of stock options to Vaughan's officers, employees, directors and consultants. All compensation arrangements between Vaughan and its directors, officers and affiliates are reviewed by the Compensation Committee, all of whose members are independent directors. The Audit Committee meets with management and Vaughan's independent auditors to determine the adequacy of internal controls and other financial reporting matters.

Attendance at Committee and Board of Directors Meetings

During the year ended December 31, 2007, the Board held 2 meetings. All directors attended more than 75% of the number of meetings of the Board and its committees on which they served. It is Vaughan's policy that directors are invited and encouraged to attend the Annual Meeting.

Audit Committee

The Audit Committee consists of Richard A. Kassar, Chairman, Robert S. Dillon and Laura J. Pensiero. The Audit Committee has held 4 meetings since its inception in June, 2007. No member of the audit committee attended fewer than 75% of those meetings.

The primary role of the Audit Committee, as more fully described in its Charter, which is available on Vaughan's website, www.vaughanfoods.com, is to assist the Board of Directors in its oversight of Vaughan Foods' corporate accounting and financial reporting process and to interact directly with and evaluate the performance of Vaughan Foods' independent registered public accounting firm.

In the performance of its oversight function, the Audit Committee has reviewed Vaughan Foods' audited financial statements for the year ended December 31, 2007 and has met with both management and Vaughan Foods' independent registered public accounting firm, Cole & Reed, P.C., to review and discuss those financial statements. The Audit Committee has discussed with Cole & Reed, P.C. those matters related to the conduct of the audit that are required to be communicated by the independent auditing firm to the Audit Committee, including, as set forth in Statements of Auditing Standards No. 61, as amended (as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T), Cole & Reed, P.C.'s judgments as to the quality, not just the acceptability, of Vaughan Foods' accounting principles.

The Audit Committee discussed with Vaughan Foods' independent auditors the overall scope and plans for their respective audits. The Audit Committee met separately with the independent auditors, without management present, to discuss the results of their audits, their evaluations of Vaughan Foods' internal controls and the overall quality of Vaughan Foods' financial reporting.

Edgar Filing: Vaughan Foods, Inc. - Form DEF 14A

The Audit Committee has received from Cole & Reed, P.C. the required written disclosures and letter regarding its independence from Vaughan Foods, as set forth by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees)(as adopted by the PCAOB in Rule 3600T), and has discussed with Cole & Reed, P.C. its independence. The Audit Committee has also reviewed and considered whether the provision of other non-audit services by Cole & Reed, P.C. is compatible with maintaining the auditors' independence. Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, that the audited financial statements of Vaughan Foods for the year ended December 31, 2007 be included in Vaughan Foods' Annual Report on Form 10-K, which was filed with the Securities and Exchange Commission on March 21, 2007, and as amended on Form 10K/A, as filed on April 29, 2008.

It is not the duty of the Audit Committee to conduct audits, to independently verify management's representations or to determine that Vaughan Foods' financial statements are complete and accurate, prepared in accordance with United States generally accepted accounting principles or fairly present the financial condition, results of operations and cash flows of Vaughan Foods; that is the responsibility of management and the Company's independent registered public accounting firm. In giving its recommendation to the Board of Directors, the Audit Committee has expressly relied on (i) management's representation that such financial statements have been prepared in conformity with United States generally accepted accounting principles and (ii) the report of the Company's independent registered public accounting firm, with respect to such financial statements.

The Audit Committee

Richard A. Kassar, Chairman
Robert S. Dillon
Laura J. Pensiero

Compensation Committee

The Compensation Committee consists of Robert S. Dillon, Chairman, Richard A. Kassar and Laura J. Pensiero. The Compensation Committee has held 4 meetings since its inception in June, 2007. No member of the Compensation Committee attended fewer than 75% of those meetings.

The Compensation Committee has a charter that is available on Vaughan's web site www.vaughanfoods.com. It is composed of [non-employee directors] under SEC Rule 16b-3 and [independent] directors as determined by the Board of Directors pursuant to the applicable NASDAQ Listing Standards.

The compensation committee's primary functions are to administer our stock option and stock plans, approve grants of securities under those plans, review forms of compensation to be provided to our officers and employees, and make recommendations to our board of directors regarding all forms of compensation to be provided to our directors. The entire board of directors also may perform these functions with respect to our stock option and stock plans.

The compensation committee performs its objectives of attracting and retaining qualified, effective managers and directors by reviewing the performance objectives and actual performance of our officers and by individually assessing the contributions of our directors.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee consists of Laura J. Pensiero, Chairman, Richard A. Kassar and Robert S. Dillon.

The Nominating and Corporate Governance Committee has a charter that is available on Vaughan's web site, www.vaughanfoods.com. It is responsible for recommending to the Board the criteria and qualifications required of Board members, as well as potential candidates for replacement or addition to the Board, including those recommended by stockholders. The Committee has the authority to employ search firms to identify Director candidates and approve fees related to search efforts. The Committee reviews and makes recommendations to the Board as to the size, needs and effectiveness of the Board, and oversees the Board's periodic self evaluations of performance. The Committee meets at least two times per year.

Edgar Filing: Vaughan Foods, Inc. - Form DEF 14A

The Nominating and Corporate Governance Committee will consider director candidates recommended by security holders. Stockholder recommendations to the Nominating and Corporate Governance Committee may be submitted as defined in the process of Communicating with Directors.

The Nominating and Corporate Governance Committee has not set specific, minimum qualifications that must be met by a director candidate. In evaluating candidates for recommendation to the Board of Directors, the Committee will consider the following factors, in addition to any other factors that it deems appropriate:

- Whether the candidate is of the highest ethical character and shares our company's values;
- Whether the candidate's reputation, both personal and professional, is consistent with our image and reputation;
- Whether the candidate's characteristics, experiences, perspectives and skills would benefit the Board of Directors given the current composition of the Board of Directors;
- Whether the candidate is "independent" as defined by the NASDAQ listing standards and other applicable laws, rules or regulations regarding independence;
- Whether the candidate qualifies as someone who is "financially sophisticated" or as an "audit committee financial expert" as described in the NASDAQ listing standards or any other applicable laws, rules or regulations;
- Whether the candidate is free from material conflicts of interest that would interfere with the candidate's ability to perform the duties of a director or violate any applicable NASDAQ listing standards or other applicable laws, rules or regulations;
- Whether the candidate's service as an executive officer of another company or on the boards of directors of other public companies would interfere with the candidate's ability to devote sufficient time to discharge his or her duties as a director;
- If the candidate is an incumbent director, the director's overall service during the director's term, including the number of meetings attended, the level of participation and the overall quality of performance of the director.

The Nominating and Corporate Governance Committee assesses and reviews these guidelines with the Board of Directors and modifies them as appropriate. The Board of Directors also considers these guidelines in carrying out its responsibility for filling vacancies and selecting nominees for election as directors at Annual Meetings of Stockholders. All director candidates, including candidates appropriately recommended by stockholders, are evaluated in accordance with the process described above.

Transactions with Related Persons

Set forth below are details of transactions during the year ended December 31, 2007, or currently proposed transactions, in which Vaughan Foods, Inc. was or is to be a participant, in which the amount involved in the transaction exceeded or exceeds the lesser of \$120,000 or one percent of the average of our total assets at the year end for the last two completed fiscal years, and in which any director, executive officer, principal shareholder holding at least 5% of our common shares, or any family member thereof, had or will have any material interest, direct or indirect.

Immediately prior to the closing of our initial public offering, pursuant to amended agreements dated April, 2007, we acquired from Mark Vaughan our current Chief Operating Officer and Vernon J. Brandt, Jr., a former member of management, for nominal consideration, 60% of the limited partnership interest in Allison's Gourmet Kitchens, a limited partnership, and also acquired from Herbert Grimes our current Chairman and Chief Executive Officer and Stan Gustas our former Vice President of Finance who is now deceased, the remaining 40% of the limited partnership interests and the general partnership interest in Allison's Gourmet Kitchens for a total price of \$2,500,000. Mr. Grimes, through an affiliate, owns 87.5% of such minority interests and will be paid in total, \$2,187,500. The estate of Mr. Gustas owns the remaining 12.5% and will be paid in total, \$312,500. Of these amounts, we paid a total of \$1,500,000 from the net proceeds of our initial public offering, \$1,312,500 to Mr. Grimes and \$187,500 to the estate of Mr. Gustas. Interest of 10% per annum on the remaining \$1,000,000 is accruing, and we will pay the total remaining \$1,000,000, \$875,000 to Mr. Grimes and \$125,000 to the estate of Mr. Gustas plus all accrued interest upon the earlier of June 30, 2008 or the closing of an equity financing in which we raise at least \$4,000,000 in gross proceeds.

The terms of the acquisition of the limited partnership interests in Allison's were approved by our board of directors. At the time it was approved, we lacked sufficient independent directors for majority approval by independent directors. The terms of acquisition of the limited liability partnership interests in Allison's are at least as favorable to Vaughan as could have been obtained through arms length negotiations with unaffiliated third parties.

Mark Vaughan our current Chief Operating Officer and Vernon J. Brandt, Jr. a former member of management, each have a 50% ownership in Cimarron Holdings, L.L.C., which previously owned an airplane that was used by management of Vaughan to visit customers and suppliers for business purposes. Vaughan had not guaranteed the obligations of Cimarron, but was making the debt service payments for Cimarron, and all of the costs of maintenance and operation of the airplane. The airplane was sold on December 3, 2007.

Review, Approval or Ratification of Transactions with Related Persons

In order to formalize the process by which the Company reviews any transaction with a related person, the Board of Directors, at its March 13, 2008 meeting, adopted a policy addressing the Company's procedures with respect to the review, approval, and ratification of "related person transactions" that are required to be disclosed pursuant to Item 404 (a) of Regulation S-K. Under the policy, the Company's Chief Financial Officer initially determines if a transaction or relationship constitutes a transaction that requires compliance with the policy. The policy provides that any transaction, arrangement or relationship, or series of similar transactions, with any Director, executive officer, 5% beneficial owner, or any of the immediate family members (collectively, "related persons") in which the Company has or will have a direct or indirect material interest and which exceeds the lesser of one percent of the average of our total assets at year end for the last two completed fiscal years, or \$120,000 in the aggregate shall be subject to review, approval or ratification by the Audit Committee. In its review of related person transactions, the Audit Committee will review the material facts and circumstances of any material transaction.

PROPOSAL NO. 2**RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS**

The Audit Committee of the Board of Directors has selected Cole & Reed, P.C. as the Company's independent auditors for the fiscal year ending December 31, 2008, and the Board of Directors has directed that management submit the appointment of independent auditors for ratification by the stockholders at the annual meeting. Cole & Reed, P.C. served as Vaughan Foods' independent auditor in for the years ended 2007, 2006, 2005 and 2004 and is an independent registered public accounting firm. A representative of Cole & Reed, P.C., who is expected to be present at the annual meeting, will have an opportunity to make a statement at the annual meeting and will be available to respond to appropriate questions.

Neither the Company's Bylaws nor other governing documents or law require stockholder ratification of the appointment of Cole & Reed, P.C. as the Company's independent auditor. However, the Audit Committee of the Board of Directors recommended, and the Board of Directors is, submitting the appointment of Cole & Reed, P.C. to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain that firm. Even if the appointment is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditor at any time if they determine that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the annual meeting will be required to ratify the appointment of Cole & Reed, P.C. Abstentions will have the same effect as negative votes.

AUDITORS' FEES

With respect to the year ended December 31, 2007 the aggregate fees billed by Cole & Reed, P.C. are as follows:

	2007	2006
Audit Fees	\$ 318,250	\$ 216,100
Audit Related Fees	7,500	-
Tax Fees	-	-
All Other Fees	-	-

- (1) Audit fees reflect aggregate fees billed by Cole & Reed, P.C. for the audit of the Company's financial statements, the review of the Company's interim financial statements, and for the review of documents filed with or submitted to the Securities and Exchange Commission.
- (2) Audit related fees reflect aggregate fees billed by Cole & Reed, P.C. for services related to employee benefit plan audits.

The Audit Committee determined that the non-audit services provided by Cole & Reed, P.C. during the year ended December 31, 2007 were compatible with maintaining the independence of Cole & Reed, P.C.

POLICIES AND PROCEDURES RELATING TO APPROVAL OF SERVICES BY AUDITORS

Consistent with SEC rules regarding auditor independence, the Audit Committee has responsibility for appointing, as well as setting the compensation and overseeing the work of, the independent auditors. In recognition of this responsibility, the Audit Committee has adopted policies and procedures contained in its Audit Committee Charter, for the approval in advance, or [pre-approval,] of audit and non-audit services rendered by our independent auditors, Cole & Reed, P.C. Subsequent to the formation of the Audit Committee in 2007, all services provided by Cole & Reed, P.C. as described above, were approved by the Audit Committee prior to rendering of services by Cole & Reed, P.C.

Edgar Filing: Vaughan Foods, Inc. - Form DEF 14A

Pursuant to the Audit Committee Charter, the Audit Committee will oversee the external audit coverage. The Company's independent auditors are ultimately accountable to the Committee, which has the direct authority and

Obtain confirmation and assurance as to the independent auditors' independence, including ensuring that they submit on a periodic basis (not less than annually) to the Committee a formal written statement delineating all relationships between the independent auditors and the Company. PROPOSAL NO. 3

APPROVAL OF EQUITY INCENTIVE PLAN

Equity Incentive Plan

In August 2006, before our initial public offering, our stockholders approved and ratified a Vaughan Foods, Inc. Equity Incentive Plan, or the "Plan," the purpose of which is to attract and retain the personnel necessary for our success. No grants have been made pursuant to the plan. The Equity Incentive Plan gives our board of directors the ability to provide incentives through grants of incentive and non-qualified stock options to our employees, consultants and directors.

A total of 1,000,000 shares of our common stock are reserved for issuance under the plan. If an award expires or terminates unexercised or is forfeited to us, the shares underlying the option award become available for further awards under the plan. As of the date of this prospectus, no awards have been made under the Plan.

The purpose of the Plan is to provide incentives to employees, directors and consultants whose performance will contribute to our long-term success and growth, to strengthen Vaughan's ability to attract and retain employees, directors and consultants of high competence, to increase the identity of interests of such people with those of its stockholders and to help build loyalty to Vaughan through recognition and the opportunity for stock ownership. The Compensation Committee of the Board will administer the Plan and, except as otherwise provided in the Plan, will have complete authority and discretion to determine the terms of awards.

The following description of the Plan is a summary and is qualified in its entirety by reference to the Plan, which is attached as Appendix A to this Proxy Statement.

Eligibility. Under the Plan, incentive stock options may be granted only to employees and non-qualified stock options may be granted to employees, directors and consultants.

Term and Amendment of the Plan. Unless terminated earlier, the Plan will expire in 2016. Our board may also amend the Plan, provided that no amendment will be effective without approval of our stockholders if shareholder approval is required to satisfy any applicable statutory or regulatory requirements.

Terms of Options. The Plan permits the granting of both incentive stock options and nonqualified stock options. Under the terms of the plan, the option price of both incentive stock options and non-qualified stock options must be at least equal to 100% of the fair market value of the shares on the date of grant. The maximum term of each option is ten years. For any participant who owns shares possessing more than 10% of the voting rights of Vaughan's outstanding shares of Common Stock, the exercise price of any incentive stock option must be at least equal to 110% of the fair market value of the shares subject to such option on the date of grant and the term of the option may not be longer than five years. Options become exercisable at such time or times as the Compensation Committee may determine at the time it grants options.

Federal Income Tax Consequences

Non-qualified Stock Options. The grant of non-qualified stock options will have no immediate tax consequences to the Company or the grantee. The exercise of a non-qualified stock option will require an employee to include in his gross income the amount by which the fair market value of the acquired shares on the exercise date (or the date on which any substantial risk of forfeiture lapses) exceeds the option price. Upon a subsequent sale or taxable exchange of the shares acquired upon exercise of a non-qualified stock option, an employee will recognize long or short-term capital gain or loss equal to the difference between the amount realized on the sale and the tax basis of such shares. Vaughan will be entitled (provided applicable withholding requirements are met) to a deduction for Federal income tax purposes at the same time and in the same amount as the employee is in receipt of income in connection with the exercise of a non-qualified stock option.

Incentive Stock Options. The grant of an incentive stock option will have no immediate tax consequences to Vaughan or its employee. If the employee exercises an incentive stock option and does not dispose of the acquired

shares within two years after the grant of the incentive stock option nor within one year after the date of the transfer of such shares to him (a "disqualifying disposition"), he will realize no compensation income and any gain or loss that he realizes on a subsequent disposition of such shares will be treated as a long-term capital gain or loss. For purposes of calculating the employee's alternative minimum taxable income, however, the option will be taxed as if it were a non-qualified stock option.

There are no outstanding equity awards at fiscal year-end related to the Equity Incentive Plan.

OTHER BUSINESS

As of the date of this Proxy Statement, we know of no other business that will be presented for consideration at the 2008 Annual Meeting other than the items referred to above. If any other matter is properly brought before the 2008 Annual Meeting for action by stockholders, the persons designated as proxies will vote all shares in accordance with the recommendation of the Board or, in the absence of such a recommendation, in accordance with their best judgment.

Requirements, Including Deadlines, for Submission of Proxy Proposals, Nomination of Directors and Other Business of Stockholders for the 2009 Annual Meeting

Upon timely receipt of any such proposal, we will determine whether or not to include such proposal in the proxy statement and proxy in accordance with applicable regulations governing the solicitation of proxies.

Further, the proxy solicited by the Board of Directors for the next annual meeting will confer discretionary authority, pursuant to SEC Rule 14a-4(c)(1), to vote on any shareholder proposal or director nomination presented at that meeting, unless the Company receives advance written notice of the proposal by May 13, 2009, which is 45 days before the anniversary of the date of these proxy materials.

We reserve the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

To further such purposes, the Committee may grant options to purchase shares of the Company's common stock. The provisions of the Plan are intended to satisfy the requirements of Section 16(b) of the Securities Exchange Act of 1934 and of Section 162(m) of the Internal Revenue Code of 1986, as amended, and shall be interpreted in a manner consistent with the requirements thereof, as now or hereafter construed, interpreted and applied by regulations, rulings and cases.

3. Administration.

The Plan, except as may otherwise be determined by the Board, shall be administered by the Committee, the members of which shall be "nonemployee directors" under Rule 16b-3 and "outside directors" under Section 162(m) of the Code.

The Committee shall have the authority in its discretion, subject to and not inconsistent with the express provisions of the Plan, to administer the Plan and to exercise all the powers and authorities either specifically granted to it under the Plan or necessary or advisable in the administration of the Plan, including, without limitation, the authority to grant Options; to determine which Options shall constitute Incentive Stock Options and which Options shall constitute Nonqualified Stock Options; to determine the purchase price of the shares of Common Stock covered by each Option; to determine the persons to whom, and the time or times at which awards shall be granted; to determine the number of shares to be covered by each award; to interpret the Plan; to prescribe, amend and rescind rules and regulations relating to the Plan; to determine the terms and provisions of the Agreements (which need not be identical) and to cancel or suspend awards, as necessary; and to make all other determinations deemed necessary or advisable for the administration of the Plan.

The Committee may not delegate its authority to grant Options. The Committee may employ one or more persons to render advice with respect to any responsibility the Committee may have under the Plan. The Board shall have sole authority, unless expressly delegated to the Committee, to grant Options to Nonemployee Directors. All decisions, determination and interpretations of the Committee shall be final and binding on all Optionees of any awards under this Plan.

The Board shall have the authority to fill all vacancies, however caused, in the Committee. The Board may from time to time appoint additional members to the Committee, and may at any time remove one or more Committee members. One member of the Committee shall be selected by the Board as chairman. The Committee shall hold its meetings at such times and places as it shall deem advisable. All determinations of the Committee shall be made by a majority of its members either present in person or participating by conference telephone at a meeting or by written consent. The Committee may appoint a secretary and make such rules and regulations for the conduct of its business as it shall deem advisable, and shall keep minutes of its meetings.

No member of the Board or Committee shall be liable for any action taken or determination made in good faith with respect to the Plan or any award granted hereunder.

4. Eligibility.

Awards may be granted to officers and other key employees of and consultants to the Company, and its Subsidiaries, including officers and directors who are employees, and to Nonemployee Directors. In determining the persons to whom awards shall be granted and the number of shares to be covered by each award, the Committee shall take into account the duties of the respective persons, their present and potential contributions to the success of the Company and such other factors as the Committee shall deem relevant in connection with accomplishing the purpose of the Plan.

5. Stock.

Edgar Filing: Vaughan Foods, Inc. - Form DEF 14A

The maximum number of shares of Common Stock reserved for the grant of awards under the Plan shall be 1,000,000, subject to adjustment as provided in Section 9 hereof. Such shares may, in whole or in part, be authorized but unissued shares or shares that shall have been or may be reacquired by the Company.

Edgar Filing: Vaughan Foods, Inc. - Form DEF 14A

If any outstanding award under the Plan should for any reason expire, be canceled or be forfeited without having been exercised in full, the shares of Common Stock allocable to the unexercised, canceled or terminated portion of such award shall (unless the Plan shall have been terminated) become available for subsequent grants of awards under the Plan.

6. Terms and Conditions of Options.

Each Option granted pursuant to the Plan shall be evidenced by an Agreement, in such form and containing such terms and conditions as the Committee shall from time to time approve, which Agreement shall comply with and be subject to the following terms and conditions, unless otherwise specifically provided in such Option Agreement:

(a) Number of Shares. Each Option Agreement shall state the number of shares of Common Stock to which the Option relates.

(b) Type of Option. Each Option Agreement shall specifically state that the Option constitutes an Incentive Stock Option or a Nonqualified Stock Option.

(c) Option Price. Each Option Agreement shall state the Option Price, which shall not be less than one hundred percent (100%) of the Fair Market Value of the shares of Common Stock covered by the Option on the date of grant unless, with respect to Nonqualified Stock Options, otherwise determined by the Committee. The Option Price shall be subject to adjustment as provided in Section 9 hereof. The date as of which the Committee adopts a resolution expressly granting an Option shall be considered the day on which such Option is granted, unless such resolution specifies a different date.

(d) Medium and Time of Payment. The Option Price shall be paid in full, at the time of exercise, in cash.

(e) Exercise Schedule and Period of Options. Each Option Agreement shall provide the exercise schedule for the Option as determined by the Committee; provided, however, that, the Committee shall have the authority to accelerate the exercisability of any outstanding Option at such time and under such circumstances as it, in its sole discretion, deems appropriate. The exercise period shall be ten (10) years from the date of the grant of the Option unless otherwise determined by the Committee; provided, however, that, in the case of an Incentive Stock Option, such exercise period shall not exceed ten (10) years from the date of grant of such Option. The exercise period shall be subject to earlier termination as provided in Sections 6(f) and 6(g) hereof. An Option may be exercised, as to any or all full shares of Common Stock as to which the Option has become exercisable, by written notice delivered in person or by mail to the Secretary of the Company, specifying the number of shares of Common Stock with respect to which the Option is being exercised.

(f) Termination. Except as provided in this Section 6(f) and in Section 6(g) hereof, an Option may not be exercised unless (i) with respect to an Optionee who is an employee of the Company, the Optionee is then in the employ of the Company or a Subsidiary (or a company or a Parent or Subsidiary company of such company issuing or assuming the Option in a transaction to which Section 424(a) of the Code applies), and unless the Optionee has remained continuously so employed since the date of grant of the Option and (ii) with respect to an Optionee who is a Nonemployee Director, the Optionee is then serving as a member of the Board or as a member of a board of directors of a company or a Parent or Subsidiary company of such company issuing or assuming the Option. In the event that the employment of an Optionee shall terminate or the service of an Optionee as a member of the Board shall cease (other than by reason of death, disability, or Cause), all Options of such Optionee that are exercisable at the time of such termination may, unless earlier terminated in accordance with their terms, be exercised within ninety (90) days after the date of such termination or service (or such different period as the Committee shall prescribe).

(g) Death or Disability of Optionee. If an Optionee shall die while employed by the Company or a Subsidiary or serving as a member of the Board, or within ninety (90) days after the date of termination of such Optionee's employment or cessation of such Optionee's service (or within such different period as the Committee may have provided pursuant to Section 6(f) hereof), or if the Optionee's employment shall terminate or service shall cease by reason of Disability, all Options theretofore granted to such Optionee (to the extent otherwise exercisable) may, unless earlier terminated in accordance with their terms, be exercised by the Optionee or by his beneficiary, at any time within one year after the death or Disability of the Optionee (or such different period as the Committee shall prescribe). In the event that an Option granted hereunder shall be exercised by the legal representatives of a deceased or former Optionee, written notice of such exercise shall be accompanied by a

certified copy of letters testamentary or equivalent proof of the right of such legal representative to exercise such Option. Unless otherwise

Edgar Filing: Vaughan Foods, Inc. - Form DEF 14A

determined by the Committee, Options not otherwise exercisable on the date of termination of employment shall be forfeited as of such date.

(h) Other Provisions. The Option Agreements evidencing awards under the Plan shall contain such other terms and conditions not inconsistent with the Plan as the Committee may determine, including penalties for the commission of competitive acts.

7. Nonqualified Stock Options.

Options granted pursuant to this Section 7 are intended to constitute Nonqualified Stock Options and shall be subject only to the general terms and conditions specified in Section 6 hereof.

8. Incentive Stock Options.

Options granted pursuant to this Section 8 are intended to constitute Incentive Stock Options and shall be subject to the following special terms and conditions, in addition to the general terms and conditions specified in Section 6 hereof. An Incentive Stock Option may not be granted to a Nonemployee Director or a consultant to the Company.

(a) Value of Shares. The aggregate Fair Market Value (determined as of the date the Incentive Stock Option is granted) of the shares of Common Stock with respect to which Incentive Stock Options granted under this Plan and all other option plans of any subsidiary become exercisable for the first time by each Optionee during any calendar year shall not exceed \$100,000.

(b) Ten Percent Stockholder. In the case of an Incentive Stock Option granted to a Ten Percent Stockholder, (i) the Option Price shall not be less than one hundred ten percent (110%) of the Fair Market Value of the shares of Common Stock on the date of grant of such Incentive Stock Option, and (ii) the exercise period shall not exceed five (5) years from the date of grant of such Incentive Stock Option.

9. Effect of Certain Changes.

(a) In the event of any extraordinary dividend, stock dividend, recapitalization, merger, consolidation, stock split, warrant or rights issuance, or combination or exchange of such shares, or other similar transactions, each of the number of shares of Common Stock available for awards, the number of such shares covered by outstanding awards, and the price per share of Options, as appropriate, shall be equitably adjusted by the Committee to reflect such event and preserve the value of such awards.

(b) Upon the occurrence of a Change in Control, each Option granted under the Plan and then outstanding but not yet exercisable shall thereupon become fully exercisable.

10. Surrender and Exchange of Awards.

The Committee may permit the voluntary surrender of all or a portion of any Option granted under the Plan or any option granted under any other plan, program or arrangement of the Company or any Subsidiary ("Surrendered Option"), to be conditioned upon the granting to the Optionee of a new Option for the same number of shares of Common Stock as the Surrendered Option, or may require such voluntary surrender as a condition precedent to a grant of a new Option to such Optionee. Subject to the provisions of the Plan, such new Option may be an Incentive Stock Option or a Nonqualified Stock Option, and shall be exercisable at the price, during such period and on such other terms and conditions as are specified by the Committee at the time the new Option is granted.

11. Period During Which Awards May Be Granted.

Awards may be granted pursuant to the Plan from time to time within a period of ten (10) years from the date the Plan is adopted by the Board, or the date the Plan is approved by the shareholders of the Company, whichever is earlier, unless the Board shall terminate the Plan at an earlier date.

12. Nontransferability of Awards.

Except as otherwise determined by the Committee, awards granted under the Plan shall not be transferable otherwise than by will or by the laws of descent and distribution, and awards may be exercised or otherwise realized, during the lifetime of the Optionee, only by the Optionee or by his guardian or legal representative.

13. Approval of Shareholders.

The Plan shall take effect upon its adoption by the Board and shall terminate on the tenth anniversary of such date, but the Plan (and any grants of awards made prior to the shareholder approval mentioned herein) shall be subject to the approval of Company's shareholders, which approval must occur within twelve months of the date the Plan is adopted by the Board.

14. Agreement by Optionee Regarding Withholding Taxes.

If the Committee shall so require, as a condition of exercise of a Nonqualified Stock Option (a "Tax Event"), each Optionee who is not a Nonemployee Director shall agree that no later than the date of the Tax Event, such Optionee will pay to the Company or make arrangements satisfactory to the Committee regarding payment of any federal, state or local taxes of any kind required by law to be withheld upon the Tax Event. Alternatively, the Committee may provide that such an Optionee may elect, to the extent permitted or required by law, to have the Company deduct federal, state and local taxes of any kind required by law to be withheld upon the Tax Event from any payment of any kind due the Optionee. The withholding obligation may be satisfied by the withholding or delivery of Common Stock. Any decision made by the Committee under this Section 15 shall be made in its sole discretion.

15. Amendment and Termination of the Plan.

The Board at any time and from time to time may suspend, terminate, modify or amend the Plan; provided, however, that, unless otherwise determined by the Board, an amendment that requires stockholder approval in order for the Plan to continue to comply with Rule 16b-3, Section 162(m) of the Code or any other law, regulation or stock exchange requirement shall not be effective unless approved by the requisite vote of stockholders. Except as provided in Section 9(a) hereof, no suspension, termination, modification or amendment of the Plan may adversely affect any award previously granted, unless the written consent of the Optionee is obtained.

16. Rights as a Shareholder.

An Optionee or a transferee of an award shall have no rights as a shareholder with respect to any shares covered by the award until the date of the issuance of a stock certificate to him for such shares. No adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distribution of other rights for which the record date is prior to the date such stock certificate is issued, except as provided in Section 9(a) hereof.

17. No Rights to Employment or Service as a Director or Consultant.

Nothing in the Plan or in any award granted or Agreement entered into pursuant hereto shall confer upon any Optionee the right to continue in the employ of the Company or any Subsidiary or as a member of the Board or a consultant to the Company or any Subsidiary or to be entitled to any remuneration or benefits not set forth in the Plan or such Agreement or to interfere with or limit in any way the right of the Company or any such Subsidiary to terminate such Optionee's employment or service. Awards granted under the Plan shall not be affected by any change in duties or position of an employee Optionee as long as such Optionee continues to be employed by the Company or any Subsidiary.

18. Beneficiary.

An Optionee may file with the Committee a written designation of a beneficiary on such form as may be prescribed by the Committee and may, from time to time, amend or revoke such designation. If no designated beneficiary survives the Optionee, the executor or administrator of the Optionee's estate shall be deemed to be the Optionee's beneficiary.

19. Governing Law.

The Plan and all determinations made and actions taken pursuant hereto shall be governed by the laws of the State of Oklahoma.
