# ITEM 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

#### (b) Departure of Director

On October 16, 2012, the Board of Directors of First Horizon National Corporation (the Company) accepted the tender of resignation of director James A. Haslam, III. The resignation is effective immediately. Mr. Haslam, who has served on the Board for over sixteen years, recently announced his retirement as Chief Executive Officer of Pilot Flying J to devote more time to his new interest in a National Football League team, the Cleveland Browns.

#### (e) Reduction of Executive Compensation

First Horizon is working to reduce costs as the business is streamlined and repositioned. In support of the Company s efforts, D. Bryan Jordan, Chairman of the Board, President, and Chief Executive Officer of the Company, recommended compensation reductions for himself and the executive management team to contribute to the efficiency efforts.

On October 15, 2012 the Compensation Committee of the Board of Directors approved, for 2013, a 5% reduction across the board for Mr. Jordan, so that each major component of compensation will be reduced 5%. For most other executives reductions may be implemented at various levels within components of their compensation. The 5% reduction in Mr. Jordan s cash salary will have an automatic and corresponding impact upon a number of benefits, including life and disability insurance coverage, savings plan contribution opportunities, and change in control severance benefit. The reduction in his salary will become effective January 1, 2013. A description of 2012 salaries paid to certain executives, along with the approved reduction for Mr. Jordan in 2013, is filed herewith. The other changes will not be fully implemented until the Committee takes final action on bonus opportunities established and equity awards granted in the ordinary course during the first quarter of 2013.

In addition, in 2013 the Company will reduce the cap on a significant portion of its contributions to its cafeteria benefit program. The cap reduction will impact higher-salary personnel, including all executives. For the highest-paid officers the cap reduction will result in a 37.5% decrease in this portion.

#### ITEM 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

#### Amendment of Bylaws

On October 16, 2012, the Company s Board of Directors amended the Company s Bylaws. The amendments are effective as of that date. The amended and restated Bylaws are filed herewith. The amended sections of the Bylaws are 2.4, 3.2, and the following sections of Article Four: 4.1, 4.2, 4.4, 4.18, and 4.20.

(1) <u>Annual Meeting Date Change</u>. The amendment to Section 2.4 removes the default rule for determining the date of the annual meeting of shareholders. As a result, each year the meeting date will be selected by the Board. Formerly, the annual meeting fell on the third Tuesday in April unless another date was fixed by the Board in a particular case. In a related action, the Board has selected Thursday May 2 as the annual meeting date for 2013.

- (2) <u>Decrease in Board Size</u>. The amendment to Section 3.2 decreases the size of the Company s Board of Directors from twelve to eleven persons.
- (3) <u>Technical Amendments</u>. The amendments to Article Four consist of several technical amendments and administrative updates primarily related to the appointment, removal, and duties of officers.

#### ITEM 8.01. Other Events

#### Reduction of Director Cash Retainer, Shift to Equity

In further support of the Company s efficiency efforts and in recognition of the reduced size and scope of the Company s businesses, on October 16, 2012 the Company s Board of Directors approved amendments to the compensation of its directors. A key change is the reduction of the cash retainer amount from \$45,000 to \$25,000 annually, representing a 44% reduction. The amount of other components is unchanged, but all other components will be paid in the form of restricted stock units rather than cash. The changes are effective beginning April 1, 2013.
