- (a) Security in default.
 - (b) Security exempt from registration under Rule 144A of the Securities Act of 1933, as amended. These securities may be resold in transactions exempt from registration, normally to qualified institutional buyers. At September 30, 2004, the Rule 144A securities are considered liquid and the market value amounted to \$1,988,710 or 1.00% of total investments.
 - (c) Security fair valued under procedures established by the Board of Directors. The procedures may include reviewing available financial information about the company and reviewing valuation of comparable securities and other factors on a regular basis. At September 30, 2004, the market value of fair valued securities amounted to \$1,897,022 or 0.96% of total investments.
- + Non-income producing security.
 ++ Represents annualized yield at date of purchase.
 ADR - American Depository Receipt.
 GDR - Global Depository Receipt.
 * Portfolio securities are valued at the last quoted sale price or closing values. If this is unavailable, then the average of the closing bid and asked prices is used. If there is no asked price, the security is valued at the closing bid price on that day. Debt instruments are valued at the average of the closing bid and asked prices. If the security matures in 60 days or less and is not credit-impaired, it is valued at amortized cost. All securities and assets for which market
