Item 1.01 Entry Into a Material Definitive Agreement

2005 Cash Bonus Plan. On February 24, 2005, the Board of Directors of Leap Wireless International, Inc. (the Company) approved a cash bonus plan for 2005 (the 2005 Bonus Plan) for eligible employees of its wholly-owned subsidiary, Cricket Communications, Inc. (Cricket). Cricket began communicating the terms of the 2005 Bonus Plan to its employees on March 25, 2005. The objective of the 2005 Bonus Plan is to attract, motivate and retain employees who can, through their collective efforts, help the Company achieve its 2005 business goals. The 2005 Bonus Plan provides for the payment of cash bonuses to employees working a specified minimum number of hours per week, other than employees who participate in the Company s separate 2005 Sales Bonus Plan. The 2005 Bonus Plan provides for the payment of bonuses on a semi-annual basis to executive officers at the senior vice president level or higher, and on a quarterly basis to other eligible employees of Cricket. Bonuses paid to employees at levels above the Manager level are based 75% on the Company s achievement of certain performance metrics, determined using three variables for each performance metric: (1) the participant s target bonus, which is a percentage of the participant s annual base salary based on his or her grade in Cricket s compensation structure (a range from 30% to 80% of base salary for the Company s executive officers); multiplied by (2) a payout percentage based on the percentage achievement of the applicable Company performance metric; multiplied by (3) the individual weighting for the applicable Company performance metric. Under the 2005 Bonus Plan, the Company s 2005 performance metrics are based on: (1) the Company s year-to-date adjusted consolidated earnings before interest, taxes, depreciation and amortization, or adjusted EBITDA; and (2) the Company s year-to-date net growth in its customer base. These two performance metrics are weighted evenly under the 2005 Bonus Plan. The remaining 25% of bonuses payable to employees at levels above the Manager level are based on an evaluation of the individual employee s performance.

Bonuses are capped at 100% of the participant s target bonus for payments made during the first three fiscal quarters of 2005, prorated for the period covered, with the total annual bonus payment capped at a maximum of 200% of the participant s target bonus. In each case, bonuses are paid net of any previously paid quarterly or semi-annual bonus payments for 2005.
