Enclosure: A press	s release dated December 4	, 2013 announcing	a change in the organization	n (Technology Group).

Istanbul, December 4, 2013

Announcement Regarding The Change in Organization (Technology Group)

Subject: Statement made pursuant to Circular VIII, No: 54 of the Capital Markets Board

In order to establish a group strategy on technology and to provide our services through an integrated infrastructure, "Technology Group" function has been formed, under which Information and Communication Technology (ICT), Network Operations and newly-formed Products and Services functions have been positioned. This decision has been taken as an extension to further focus on innovation and operational excellence.

Within this context and effective from today:

- İlker Kuruöz has been appointed Chief Technology Group Officer. He currently holds the Chief ICT Officer role;
  - Gediz Sezgin has been appointed Chief ICT Officer;
  - Semih İncedayı has been appointed Chief Products and Services Officer;
  - Bülent Elönü will continue to serve as Chief Network Operations Officer.

Gediz Sezgin, who joined Turkcell in 1995, has held the Application Operations Director's position since 2009. Mr Sezgin graduated from the İstanbul Technical University Electronics and Communication Engineering department and holds a Master's degree from the Institute of Science Engineering at the same university.

Semih İncedayı, who joined Turkcell as the Research & Development Director in 2006, has been the General Manager of Turkcell Technology (Group Company) since 2007. Mr İncedayı graduated from the Middle East Technical University Computer Engineering department.
