To approve the issue of preferred shares, and their respective issue price, as part of a Public Offering for the primary and secondary distribution of preferred shares issued by the company, to be carried out simultaneously in Brazil and abroad, or **Global Offering**, which will consist of a secondary distribution of 7,869,671,318 (seven billion, eight hundred and sixty-nine million, six hundred and seventy-one thousand, three hundred and eighteen) preferred shares belonging to shareholders of the company, a quantity that can be increased, in the form of a supplementary lot, by up to 15% of the preferred shares initially offered, equivalent to 1,180,450,697 (one billion, one hundred and eighty million, four hundred and fifty thousand, six hundred and ninety-seven) new preferred shares to be issued by the company in the case of the exercising of the option granted to the Underwriters of the Brazilian Offering and to the Underwriters of the International Offering (as defined below) to meet any possible excess demand that may arise as a result of the Global Offering (**Option**). The new preferred shares will only be issued in the case of the partial or full exercising of the Option, in accordance with the proposal deliberated on and approved at the Meeting of the Board of Directors held on February 2, 2005, at a price of R\$ 40.00 (Forty reais) per lot of one thousand preferred shares. The issue of new preferred shares will respect the limit of the company's authorized capital, as laid down in paragraphs 1 and 3, Article 5 of the Company Bylaws, to be carried out with the waiving

of the preferential rights enjoyed by the company's present shareholders, under the terms of Articles 166, Subparagraph II, 168 and 172 of Law 6404/1976 and subsequent alterations.

- 2) The preferred shares which are the object of the Global Offering will be distributed: (i) on the informal over-the-counter market to institutional investors, including foreign institutional investors, and on the retail market here in Brazil, in accordance with the procedures established under CVM Instruction Nº 400/2003, or **Brazilian Offering**; and, (ii) in the form of American Depositary Shares (**ADS**), on the international over-the-counter market (**mercado de balcão não organizado**), for investors in the United States of America and elsewhere, other than Brazil, in accordance with the procedures set out under the Securities Act 1933, or **International Offering**, with each ADS corresponding to 1000 (one thousand) preferred

The Global Offering is conditional on prior registration with the CVM and the Securities and Exchange Commission. The issue price per lot of one thousand preferred shares, which will also be the sale price of the shares initially offered, has been determined after: (i) the reserving of shares in accordance with requests received during the period allowed for such reservations, in accordance with the Market Announcement published on March 22, 2005, in the Official Gazette of the State of São Paulo and in the financial newspaper *[Valor Econômico]*; and (ii) the conclusion of the bookbuilding process jointly carried out by the Underwriters of the Brazilian Offering and the Underwriters of the International Offering, which consisted of receiving investment intentions for the purchase and subscription of preferred shares by institutional and non-institutional investors, and from investors in the International Offering, using as a parameter the price of the company's preferred shares on the São Paulo Stock Exchange (Bovespa) and of the ADSs on the New York Stock Exchange (NYSE). The physical and financial settlement of the Global Offering is scheduled to take place on April 18, 2005, or the **Date of Settlement**, with the possibility of postponement: (i) by mutual agreement between the company, the Selling Shareholders and the Brazilian Underwriters; or (ii) if there is any alteration in the settlement period for the International Offering, respecting the limit of 6 (six) months set out in Article 18 of CVM Instruction Nº 400/03, so as to ensure that the settlement period for the International Offering shall be the same as the settlement period for the Brazilian Offering;

-
- 3) To ratify the granting of the Option to the Underwriters of the Brazilian Offering, to be exercised by the Lead Coordinator, with the consent of Pactual, and to the Underwriters of the International Offering, to be exercised by the Global Coordinator, with the consent of Pactual Capital Corporation, within a period of up to 30 (thirty) days from the date of the Final Prospectus, under the same conditions and at the same price as for the preferred shares and/or ADSs initially offered, with (i) the Brazilian Underwriters having been granted an option to place additional shares, up to 15% of the total number of preferred shares that are the object of the Brazilian Offering; and (ii) the Global Coordinator having been granted an option to place a supplementary lot of additional shares, of up to 15% of the total amount of preferred shares that are the object of the International Offering.
 - 4) To authorise the Executive Board to conclude and sign all the contracts and documents necessary to carry out the Global Offering and the secondary public distribution of preferred shares, and a primary distribution, should this be the case, including, but not limited to: the Contract for the Underwriting and Firm Commitment for the Subscription, Purchasing and Placement of Preferred Shares issued by Ultrapar Participações S.A.; the International Agency and Purchase Agreement; and the Contract for the Provision of Services, to be closed with the CBLC.
