MARKET ANNOUNCEMENT

Ultracargo sells its in-house logistics, solid bulk storage and road transportation businesses and focus its activities on liquid bulk storage

São Paulo, March 31st, 2010 – Ultrapar Participações S.A. hereby announces that it has signed a sale and purchase agreement (“SPA”) to sell the in-house logistics, solid bulk storage and road transportation businesses to Aqces Logística Internacional Ltda. (“Aqces”), a company owned by Fundo de Investimentos em Participação Green Capital I, managed by Green Capital Investimentos Ltda. The transaction value is R\$ 82 million, subject to adjustments on the closing date.

Under the terms of the SPA, closing of the transaction is subject to certain conditions precedent, notably the segregation of the in-house logistics, solid bulk storage and road transportation operations, with the transfer of the respective assets, contracts, licenses and employees from Ultracargo to its subsidiaries AGT – Armazéns Gerais e Transporte Ltda. (“AGT”) and Petrolog Serviços e Armazéns Gerais Ltda. (“Petrolog”). On the closing date, which is expected to occur in mid-2010, shares of AGT and Petrolog will be transferred to Aqces.

This transaction allows Ultracargo to focus exclusively on its liquid bulk storage business, segment in which it has a leadership position and which already represented approximately 85% of the results after the recent acquisitions of União Terminais and Puma and investments in capacity expansions at the Aratu, Santos and Suape terminals.
