PROXY STATEMENT
FOR
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD NOVEMBER 5, 2004

Edgar Filing: DIVERSIFIED SECURITY SOLUTIONS INC - Form DEF 14A

October 5, 2004

The enclosed proxy is solicited by the Board of Directors (the 'Board') of Diversified Security Solutions, Inc., a Delaware corporation (the 'Company'), in connection with the 2004 Annual Meeting of Shareholders to be held at the offices of Milberg Weiss Bershad & Schulman LLP, One Pennsylvania Plaza, 49th Floor, New York, NY 10119 on Friday, November 5, 2004, at 10:30 a.m., New York time, and any adjournments thereof, for the purposes set forth in the accompanying Notice of Meeting.

The cost of preparing, assembling and mailing this Proxy Statement, the Notice of Annual Meeting of Shareholders and the enclosed proxy is to be borne by the Company. In addition to the use of mail, employees of the Company may solicit personally and by telephone. The Company's employees will receive no compensation for soliciting proxies other than their regular salaries. The Company may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy material to their principals and to request authority for the execution of proxies. The Company may reimburse such persons for their expenses in so doing.

Unless instructed to the contrary on the proxy, it is the intention of the person named in the proxy to vote the proxies:

For the election as directors of the nominees listed below;

For the approval of the granting of an aggregate of 52,550 shares of the Company's common stock to its employees; and

For the confirmation of the selection of Demetrius & Company, L.L.C. as the Company's independent auditors for 2004.

The Board does not know of any other matters that may be brought before the Annual Meeting nor does it foresee or have reason to believe that proxy holders will have to vote for substitute or alternate director nominees. In the event that any other matter should come before the Annual Meeting or any director nominee is not available for election, the person named in the enclosed proxy will have discretionary authority to vote all proxies not marked to the contrary with respect to such matters in accordance with their best judgment.

The record date with respect to this solicitation is the close of business on October 4, 2004 and only shareholders of record at that time will be entitled to vote at the meeting. The principal executive office of the Company is 280 Midland Avenue, Saddle Brook, New Jersey 07663, and its telephone number is (201) 794-6500. The shares represented by all validly executed proxies received in time to be taken to the meeting and not previously revoked will be voted at the meeting. This proxy may be revoked by the shareholder at any time prior to its being voted. This proxy statement and the accompanying proxy were mailed to you on or about October 6, 2004.

QUORUM AND REQUIRED VOTE

The number of outstanding shares entitled to vote at the meeting is 5,740,398 common shares, par value \$.01 per share. Each common share is entitled to one vote. The presence in person or by proxy at the Annual Meeting of the holders of a majority of such shares shall constitute a

Edgar Filing: DIVERSIFIED SECURITY SOLUTIONS INC - Form DEF 14A

quorum. There is no cumulative voting. Assuming the presence of a quorum at the Annual Meeting:

Directors shall be elected by a plurality of the votes cast;

the affirmative vote of a majority of the common shares present at the meeting and entitled to vote on each matter is required for:

the approval of the granting and issuance of an aggregate of 52,550 shares of the Company's common stock to its employees;

the confirmation of the selection of Demetrius & Company, L.L.C., as the Company's independent auditors for 2004.

Prior to the Annual meeting, we will select one or more inspectors of election for the meeting. Such inspector will canvas the shareholders present in person at the meeting, count their votes and count the votes represented by proxies presented. Abstentions and broker non-votes are counted as present for purposes of determining the number of shares represented at the meeting, but are deemed not to have voted on the proposal. Broker non-votes occur when a broker nominee (which has voted on one or more matters at the meeting) does not vote on one or more other matters at the meeting because it has not received instructions to so vote from the beneficial owner and does not have discretionary authority to so vote.

PROPOSAL NO. 1
ELECTION OF DIRECTORS

The persons named in the accompanying proxy will vote for the election of the following six persons as directors, all of whom are currently members of the Board, to hold office until the next annual meeting of shareholders and until their respective successors have been elected and qualified. Unless specified to be voted otherwise, each proxy will be voted for the nominees named below. All six nominees have consented to serve as directors if elected.

We believe that stock grants play an important role in providing our employees an incentive and inducement to contribute fully to the growth and development of the Company because of the opportunity to acquire a ownership interest in the Company. Those employees receiving stock grants will receive, for nominal consideration, the opportunity to profit from any rise in the market value of the common stock. This will dilute the equity interest of the Company's other shareholders. The grant of shares also may affect the Company's ability to obtain additional capital during the term of any options.

Federal Income Tax consequences of restricted stock grants, generally require the recipient of a restricted stock grant to recognize ordinary income for federal income tax purposes in an amount equal to the excess of the fair market value of the shares of common stock received at the time the shares first become transferable or are no longer subject to forfeiture over the purchase price, if any, paid by the recipient for such common stock. Such amount will then be deductible for federal income tax purposes by the Company.

Alternatively, if the recipient of a restricted stock award so elects, the recipient will recognize ordinary income on the date of grant in an amount equal to the excess of the fair market value of the shares of common stock (without taking into account any lapse restrictions) on such date, over the purchase price, if any, paid by the recipient for such common stock, and such amount will then be deductible by the Company. In the event of the forfeiture of the common stock included in a restricted stock award, the recipient will not be entitled to any deduction except to the extent the recipient paid for such common stock.

Upon a sale of the common stock included in the restricted stock or award, the recipient will recognize capital gain or loss, as the case may be, equal to the difference between the amount realized from such sale and the recipient's tax basis for such shares of common stock.

The following table sets forth the number of shares to be allocated to each of the following groups under the Plan.

NAME AND POSITION -----	DOLLAR VALUE (1) (\$) -----	NUMBER OF SHARES -----
CEO.....	--	--
Executive Group.....	16,800	3,000
Non-Executive Director Group.....	--	--
Non-Executive Officer Employee Group.....	277,480	49,550

(1) Based on a price of \$ 5.60 per share, which was the closing price of our common stock on December 31, 2004.

Our Board is recommending the approval of the granting of an aggregate of 52,550 shares of the Company's common stock as set forth above.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act, requires our directors and officers, and persons who own more than 10% of our Common Stock, to file with the Securities and Exchange Commission initial reports of beneficial ownership and reports of changes in beneficial ownership of our Common Stock and other equity securities. Our officers, directors and greater than 10% beneficial owners are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, during the year ended December 31, 2003, all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% beneficial owners were complied with, except Messrs. Beck and Massad, both of whom filed a Form 4 late.
