1. Further Action Requested. By order dated December 19, 2001 (Holding Co.

## Edgar Filing: NISOURCE INC/DE - Form POS AMC

Act Release No. 27479) in this proceeding, NiSource Inc. ("NiSource"), a registered holding company, was authorized to establish and provide funding for a new system money pool arrangement ("Money Pool"). NiSource's subsidiaries named herein were authorized to participate in the Money Pool and, to the extent not exempt under Rules 45(b) and 52, to make short-term borrowings from NiSource and extend credit to each other through their participation in the Money Pool, except that, pending completion of the record, the Commission reserved jurisdiction over the participation in the Money Pool by two of NiSource's public-utility subsidiary companies, Bay State Gas Company ("Bay State") and Northern Utilities, Inc. ("Northern Utilities"). The record is now completed with respect to Bay State and Northern Utilities with the filing of the order of the Massachusetts Department of Transportation and Energy approving Bay State's participation in the Money Pool (Exhibit D-2 hereto) and the order of the Maine Public Utility Commission approving Northern Utilities' participation in the Money Pool (Exhibit D-4 hereto).

Accordingly, the applicants respectfully request that the commission issue a supplemental order in this proceeding releasing jurisdiction reserved under the December 19, 2001 order.

2. Compliance with Rule 54. The requested release of jurisdiction is subject to Rule 54. Rule 54 provides that the Commission shall not consider the effect of the capitalization or earnings of subsidiaries of a registered holding company that are "exempt wholesale generators" ("EWGs") or "foreign utility companies" ("FUCOs") in determining whether to approve other transactions if Rule 53(a), (b) and (c) are satisfied. Under Rule 53(a), the Commission shall not make certain specified findings under Sections 7 and 12 in connection with a proposal by a holding company to issue securities for the purpose of acquiring the securities of or other interest in an EWG, or to guarantee the securities of an EWG, if each of the conditions in paragraphs (a)(1) through (a)(4) thereof are met, provided that none of the conditions specified in paragraphs (b)(1) through (b)(3) of Rule 53 exists. The standards of Rules 53 and 54 are met.

Rule 53(a)(1): NiSource's "aggregate investment" in EWGs is approximately \$320.2 million, or 38.8% of NiSource's "consolidated retained earnings" for the four quarters ended March 31, 2002 (approximately \$825.85 million). NiSource does not hold any investment in a FUCO.

Rule 53(a)(2): NiSource will maintain books and records enabling it to identify investments in and earnings from each EWG and FUCO in which it directly or indirectly acquires and holds an interest. NiSource will cause each domestic EWG in which it acquires and holds an interest, and each foreign EWG and FUCO that is a majority-owned subsidiary, to maintain its books and records and prepare its financial statements in conformity with U.S. generally accepted accounting principles ("GAAP"). All of such books and records and financial statements will be made available to the Commission, in English, upon request.

Rule 53(a)(3): No more than 2% of the employees of NiSource's domestic utility subsidiaries will, at any one time, directly or indirectly, render services to EWGs and FUCOs.

Rule 53(a)(4): NiSource will submit a copy of each Application/Declaration that relates to investments in EWGs or FUCOs and each amendment thereto, and will submit copies of any Rule 24 certificates required

hereunder, as well as a copy of NiSource's Form U5S, to each of the public service commissions having jurisdiction over the retail rates of NiSource's

domestic utility subsidiaries.

In addition, the applicants state that the provisions of Rule 53(a) are not made inapplicable to the authorization herein requested by reason of the occurrence or continuance of any of the circumstances specified in Rule 53(b). Rule 53(c) is inapplicable by its terms.
