Item 3. Source and Amount of Funds or Other Consideration.

Data Domain entered into an Agreement and Plan of Merger, dated as of May 20, 2009 as amended by the Amendment (as defined below), a copy of which is attached hereto as Exhibit 1 (the Merger Agreement), with NetApp, Kentucky Merger Sub One Corporation, a Delaware corporation and a wholly owned subsidiary of NetApp (Merger Sub One), and Derby Merger Sub Two LLC, a Delaware limited liability company and a wholly owned subsidiary of NetApp (Merger Sub Two), that provides for the acquisition of Data Domain by NetApp by means of a merger of Merger Sub One with and into Data Domain (the First Step Merger), with Data Domain as the interim surviving corporation, immediately followed by a merger of Data Domain, as the interim surviving corporation, with and into Merger Sub Two (the Second Step Merger and, together with the First Step Merger, the Merger), with Merger Sub Two as the final surviving corporation. As a result of the Merger, Data Domain would become a wholly owned subsidiary of NetApp. As an inducement for NetApp to enter into the Merger Agreement and in consideration thereof, the directors and officers of Data Domain, and their affiliates, identified on Schedule B (collectively, the Securityholders), each entered into separate Voting Agreements with NetApp, dated as of May 20, 2009, the form of which is attached hereto as Exhibit 2 and more fully described in Item 4 below, whereby, subject to the terms of each such voting agreement, the Securityholders that are parties thereto agreed, among other things, that at every meeting of Data Domain s stockholders called, such stockholder shall vote the shares then held by it, among other things, in favor of the adoption of the Merger Agreement and against the approval of any proposal made in opposition to, or in competition with, the Merger or any other transactions contemplated by the Merger Agreement. Each of these Securityholders also granted certain representatives of NetApp an irrevocable proxy granting such NetApp representatives the right to vote such shares in favor of such matters (the voting agreements and proxies, together are referred to herein as, the Voting Agreements).

On June 3, 2009, NetApp, Data Domain, Merger Sub One and Merger Sub Two entered into Amendment No. 1 to the Merger Agreement (the Amendment). Under the revised terms, the aggregate merger consideration payable by NetApp to the Data Domain stockholders in connection with the Merger (as defined in the Merger Agreement) has been increased from \$25 per share to \$30 per share, as described below.

References to, and descriptions of, the Merger, the Merger Agreement, the Voting Agreements and the Amendment throughout this Schedule 13D are qualified in their entirety by reference to the Merger Agreement included as Exhibit 1 to this Schedule 13D, the Voting Agreements included as Exhibit 2 to this Schedule 13D and the Amendment included as Exhibit 3 to this Schedule 13D. These agreements are incorporated into this Schedule 13D where, such references and descriptions appear.

If the Merger is consummated, NetApp will use its cash and common stock to pay the merger consideration as described in Item 4 below.

Item 4. Purpose of Transaction.

(a) (b) As described in Item 3 above, this Schedule 13D relates to the proposed acquisition of Data Domain by NetApp pursuant to the terms of the Merger Agreement. To induce NetApp to enter into the Merger Agreement, each of the Securityholders party thereto entered into the Voting Agreements. The purpose of the Voting Agreements is to facilitate the consummation of the Merger.

Subject to the terms and conditions of the Merger Agreement, at the effective time and as a result of the Merger:

Each share of Data Domain common stock issued and outstanding immediately prior to the effective time of the Merger, including vested shares of restricted stock, will be converted into the right to receive a cash amount (less any applicable withholding) of \$16.45, without interest *plus* a number of validly issued, fully paid and non-assessable shares of NetApp common stock equal to the exchange ratio, which exchange ratio shall be equal to (i) 0.7783 shares of NetApp common stock if the closing average (as defined in the Merger Agreement) is less than \$17.41, (ii) 0.6370 shares of NetApp common stock if the Closing Average is greater than \$21.27, and (iii) that fraction of a share of NetApp common stock equal to the quotient obtained by dividing \$13.55 by the Closing Average, if the Closing Average is (A) less than or equal to \$21.47 and (B) greater than or equal to \$17.41.

Each of the vested and unvested options to purchase shares of Data Domain common stock that are outstanding at the effective time of the Merger will be assumed by NetApp, and, at the effective time of the Merger, be converted into the right to receive options to purchase shares of NetApp common stock, and will otherwise be subject to the terms and conditions of such awards prior to the completion of the Merger, including vesting and exercisability.

Each of Data Domain's restricted stock units outstanding at the effective time of the Merger will be converted by NetApp into a restricted stock unit representing the right to receive merger consideration payable for shares underlying each assumed restricted stock unit. The assumed restricted stock units will otherwise be subject to the same terms and conditions, including vesting restrictions, applicable to such Data Domain restricted stock units prior to the effective time.

Each of Data Domain's unvested shares of restricted stock outstanding at the effective time of the Merger will be converted by NetApp into the right to receive merger consideration payable for such shares. The merger consideration payable for such unvested shares of restricted stock will be subject to the same terms and conditions, including vesting restrictions, applicable to such shares of Data Domain restricted stock prior to the effective time.

By executing the Voting Agreements, the Securityholders party thereto have (i) agreed to vote all of the shares of Data Domain common stock currently beneficially owned by them or acquired prior to the expiration of the relevant Voting Agreement, including by means of exercise of stock options or vesting of restricted stock units or shares of unvested common stock, in favor of the adoption of the Merger Agreement and any other action contemplated by the Merger Agreement and any action required in furtherance thereof, and against (A) any merger, consolidation, business combination, sale of assets, reorganization or recapitalization of or involving Data Domain or any of its subsidiaries, (B) any sale, lease or transfer of any significant part of the assets of Data Domain or any of its subsidiaries, (C) any reorganization, recapitalization, dissolution, liquidation or winding up of Data Domain or any of its subsidiaries, (D) any material change in the capitalization of Data Domain or any of its subsidiaries, or (E) any other action that is intended to, or could reasonably be expected to, impede, interfere with, delay, postpone, discourage or adversely affect the Merger or any of the transactions contemplated by the Merger Agreement, and (ii) granted irrevocable proxies to certain representatives of NetApp granting such NetApp representatives the right to vote such shares as specified in clause (i). The Securityholders have entered into the Voting Agreements only in their capacities as Securityholders of Data Domain and may vote such shares on all other matters submitted to Data Domain's stockholders for their

approval. The Voting Agreements terminate upon the earlier to occur of (i)

- 4 -

termination of the Merger Agreement and (ii) such date and time as the requisite merger approval has been obtained, unless terminated at an earlier date by written agreement of the parties thereto.

(c) Not applicable.

(d) It is anticipated that upon consummation of the First Step Merger, the officers and directors of Merger Sub One shall become the officers and directors of Data Domain (the surviving corporation in the First Step Merger), until their respective successors are duly elected or appointed and qualified, and that upon consummation of the Second Step Merger, the officers and directors of the interim surviving corporation shall become the officers and directors of Merger Sub Two (the surviving corporation in the Second Step Merger) .

(e) Other than as a result of the Merger described in Item 3 and above in this Item 4, not applicable.

(f) Not applicable.

(g) Upon consummation of the Merger, the Certificate of Incorporation and Bylaws of Data Domain shall be amended and restated in their entirety in accordance with the terms of Section 2.5 of the Merger Agreement.

(h) (i) If the Merger is consummated as planned, Data Domain common stock will cease to be quoted on The NASDAQ Global Select Market and will become eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended.

(j) Not applicable.

Item 5. Interest in Securities of the Issuer.

(a) (b) As a result of the Voting Agreements, NetApp may be deemed to be the beneficial owner of 18,303,018 shares of Data Domain common stock. This number of shares represents approximately 29.8% of the issued and outstanding shares of Data Domain common stock based on the number of shares outstanding as of April 30, 2009. NetApp disclaims any beneficial ownership of such shares, and nothing herein shall be deemed to be an admission by NetApp as to the beneficial ownership of such shares. To NetApp's knowledge, no shares of Data Domain common stock are beneficially owned by any of the persons identified in Schedule A to this Schedule 13D.

(b) NetApp may be deemed to have shared voting power of the 18,303,018 shares of Data Domain common stock held by the Securityholders due to NetApp's right under the Voting Agreements to direct the voting of such shares with respect to the matters specified in the Voting Agreements (and to vote such shares in accordance with the proxies granted thereunder). However, NetApp does not control the voting of such shares with respect to other matters, and does not possess any other rights as a Data Domain stockholder with respect to such shares. Information required by Item 2 (a)-(c) with respect to each Securityholder is set forth on Schedule B. To NetApp's knowledge, none of the persons identified on Schedule B (i) has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) during the last five years, or (ii) was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree, or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws during the last five years. To NetApp's knowledge, except as noted on Schedule B each of the individuals identified on Schedule B is a citizen of the United States.

(c) To NetApp's knowledge, no transactions in Data Domain common stock have been effected during the past sixty days by any person named pursuant to Item 2.

(d) To NetApp's knowledge, no person other than the Securityholders identified on Schedule B has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, such shares.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

The terms of the Voting Agreements are described under Item 4(a)-(b) above. The Voting Agreements also apply to any shares of Data Domain common stock acquired by the parties to such agreements after the date of the Voting Agreements, including by means of exercise of stock options, or vesting of restricted stock units or shares of unvested common stock. The number of shares that NetApp may be deemed to beneficially own as of the date of filing of this Schedule 13D, as reported herein, includes the shares issuable upon the exercise of stock options or vesting of restricted stock units or shares of unvested common stock held by the parties to the Voting Agreements, and NetApp disclaims beneficial ownership of all such shares.
