**Amended and Restated Severance Agreements**

On December 17, 2009, The Timken Company (the Company ) and certain members of management, including the principal executive officer, the principal financial officer and the named executive officers entered into Amended and Restated Severance Agreements (the Agreements ). The Agreements were amended to revise the calculation of the amount of the severance payment the officers would be entitled to receive upon a qualifying termination of employment by the Company not in connection with a Change in Control of the Company (as defined in the Agreements). Under the amended Agreements, the amount will be equal to a multiple of (A) the officer's base salary plus (B) an amount equal to (i) the officer's target incentive pay for the year in which the officer's employment is terminated, multiplied by (ii) the highest percentage of the officer's target incentive pay (not to exceed 100%) paid to the officer in any of the five years immediately preceding the year in which the officer's employment is terminated. A multiple of two is used for the Chief Executive Officer and the Chairman of the Board of Directors, and a multiple of one and one-half is used for the other named executive officers. The summary of the Agreements described above is qualified in its entirety by reference to the form of such agreements attached hereto as Exhibit 10.1 and incorporated herein by reference.
